Additional information on the Pre-Master's Programme

Programme Aims:

The Glasgow International College (GIC) Pre-Master's Programmes aim to equip international students with a range of subject-related knowledge, higher-level academic skills and advanced level English language capabilities, in order that they become independent, self-directed learners and achieve the necessary academic standards to progress to Master's study at UK Higher Education Institutions.

Characteristic Outcomes:

By the end of a GIC Pre-Master's Programme, students are expected to have demonstrated achievement of a number of discipline-specific outcomes, as well as academic skills and English language abilities. Characteristic graduate outcomes for the GIC Pre-Master's Programmes include:

1) A systematic understanding and critical awareness of problems and new insights in the chosen subject area;
2) An ability to accurately deploy established techniques of analysis and enquiry within the discipline;
3) An ability to manage one's own learning, and to make use of scholarly reviews and primary sources;
4) An ability to understand and respond, using language effectively within the appropriate academic environment.

Typically, as a result of the GIC Pre-Master's, students will be able to:

1) Apply the methods and techniques that they have learned to review, consolidate, extend and apply their knowledge and understanding, and to initiate and carry out projects;
2)Critically evaluate arguments, assumptions, concepts and data, to make judgements, and frame appropriate questions to achieve a solution to a problem;
3) Communicate information, ideas, problems and solutions to both specialist and non-specialist audiences;
4) Undertake further learning within UK Higher Education at Master's level.

Academic Subject Areas:
GIC Pre-Master's Programmes prepare students for Master's-level study in a number of different subject areas. These include:

•Business
•Law
•Social Sciences
• Finance
•Sciences
•Engineering

External and Internal Reference Points:
The GIC Pre-Master's Programmes do not seek to replicate the subject knowledge to be gained from an undergraduate degree in a particular subject area, as students will have already studied an appropriate discipline at undergraduate level. However, the GIC Pre-Master's is designed to equip students with a range of intellectual and transferable learning outcomes relevant to their chosen discipline in line with the Kaplan International UK Qualifications Framework and, where appropriate, QAA Master's-level subject benchmark statements.

English language modules and assessments on the Pre-Master's Programmes are developed with reference to the Common European Framework of Reference for Languages (CEFR).

Programme Structure and Features:

The GIC Pre-Master's is an 80 credit programme, with each credit equating to 10 notional learning hours, divided into contact and supported self-study time.

A mix of skills-based and specialist subjects are taught, and students are supported towards achieving a range of skills and attributes, via interactions with teaching staff, peers, course materials and assessments.

Where applicable, students are supported in order to develop and utilise specialist skills within their studies. Additionally, self-directed study and high levels of accountability are expected at this level. Assessments require the application of research skills, and the ability to critically evaluate and consolidate new ideas, data and ideas from a broad range of sources

Pre-Master's students are enrolled on a number of credit-bearing academic subject, study skills and English language modules, as well as non-credit-bearing developmental language and skills module

Below is an illustrative example structure of a two-term Pre-Master's Programme:

Term 1	Term 2
Research Module	*Research Module*
Academic Subject Module	*Academic Subject Module*
Skills for Study	*Skills for Study*
Language for Study	*Language for Study*

Key:

	Academic Subject and/or Research Modules
	Academic Skills Modules
	Academic English Modules

Additional information:

Elements of programme content may vary across the Kaplan International UK network, depending on Pre-Master's subject area and the needs of the relevant Partner University. For further information about Kaplan International UK Pre-Master's Programmes, including available Pre-Master's subject areas and college locations, please visit: **https://www.kaplanpathways.com/colleges/glasgow-international-college/applicants/**

18. Key provisions of the Regulations of which you should be aware include:

a. The University's expectations for student attendance and academic progress, as set out in the Student Attendance and Engagement Procedure. If you fail to meet these expectations it may mean that you are not permitted to progress on your course.
b. The University's rules regarding academic misconduct and cheating, including plagiarism, the processes the University uses for plagiarism detection (e.g. Turnitin software) and exam conduct can be found at http://www.cardiff.ac.uk/public-information/policies-and-procedures/academic-regulations. Failing to observe these requirements may call into question a student's fitness to practise and result in an investigation and the imposition of sanctions, including expulsion from the University.
g. The requirement that applicants to professional courses undergo an enhanced Disclosure Barring Service check (organised by the University) before they can be enrolled on these programmes, or in some cases undertake placements, and the statutory requirements regarding disqualification by association. i. Where a student engages with a professional or industrial partner [hereafter placement provider] and a contract is drawn up between all three parties. You must comply with the requirements and rules of the placement provider and the University. Breaking these rules could result in a disciplinary process and the imposition of sanctions, which may include expulsion from the University.

Changes to University Regulations

19. The University reserves the right to add to, delete or make reasonable changes to the Regulations where in the opinion of the University this will assist in the proper delivery of education. Please refer to the section on Variation of Arrangements in Part 1 of the Academic Regulations Handbook at http://www.cardiff.ac.uk/public-information/policies-and-procedures/academic-regulations Changes are usually made for one or more of the following reasons:

a. To review and update the Regulations to ensure they are fit for purpose;
b. To reflect changes in the external environment, including legal or regulatory changes, changes to funding or financial arrangements or changes to government policy, requirements or guidance;
c. To incorporate sector guidance or best practice;
d. To incorporate feedback from students; and/or
e. To aid clarity or consistency of approach.

20. The University will consult the Students' Union Elected Officers before making any substantive changes to the Regulations.
21. Any changes will normally come into effect at the start of the next academic year, although a change may be introduced during the academic year where the University reasonably considers this to be in the interests of students or where this is required by law or other exceptional circumstances. The University will take all reasonable steps to minimise disruption to students wherever reasonably possible, for example, by giving reasonable notice of changes to Regulations before they take effect, or by phasing in the changes, if appropriate.
22. The updated Regulations will be made available on the University's website and may be publicised by other means so that students

are made aware of any changes.

Variation

23. The University will make all reasonable efforts to deliver programmes and research opportunities leading to its awards as described in materials published by the University.
24. The University reserves the right for the Vice-Chancellor to vary arrangements in exceptional circumstances which are beyond the University's reasonable control. Examples of such circumstances may include:

a. acts of God, flood, earthquake, windstorm or other natural disaster, including epidemics of infectious diseases;
b. fire, explosion or accidental damage;
c. collapse of building structures, failure of machinery, computers or vehicles;
d. labour disputes, including strikes and industrial and other action;
e. interruption or failure of utility service, including but not limited to electric power, gas or water;
f. the acts, decrees, legislation, regulations or restriction of any government;
g. the unexpected absence or departure of a key member of staff;
h. where the numbers recruited to a programme and/or module are so low that it is not possible to deliver an appropriate quality of education to students enrolled on it.

25. Where such events occur the University will seek to minimise the impact on the student learning experience by, for example:

a. delivering a modified version of the same programme; or
b. making available to affected students learning or other support and other services and facilities as it considers appropriate; or
c. offering affected students the opportunity to transfer to another programme or to withdraw and be given reasonable support to move to another university.

26. The University will provide continued assurances of the standard and quality of the award. The University will inform students of any changes to learning support, services and facilities by the University as soon as possible.
27. In addition to the circumstances described in paragraph 24 above, the University will be entitled to make reasonable changes to its programmes where that will enable the University to deliver an equivalent programme or better quality of educational experience to students enrolled on the programme. Examples of such circumstances may include:

a. the content and syllabus of the programme where developments in the subject area make that necessary;
b. the location of the programme;
c. the method of delivery of the programme.

28. In making any such changes, the University will aim to keep the changes to the minimum necessary to achieve the required quality of experience and will notify and consult affected students in advance about any changes that are required. If the University changes a programme, students who are not satisfied with the changes will be offered the opportunity to transfer to another programme or, if required, to withdraw and be given reasonable support to move to another university or education provider.
29. The University does not exclude or limit in any way its liability for:

a. death or personal injury caused by its negligence or the negligence of its employees, agents or subcontractors;
b. fraud or fraudulent misrepresentation.

30. The University does not accept responsibility and expressly excludes liability to the full extent possible under the general law for loss or damage to students' property or for infection of students' equipment caused by computer viruses, and for the consequences of any such damage.

Data Protection

31. The University may be required to share your personal data with placement providers or industrial placements to facilitate your studies.
32. The information provided in your application will be used by the University for the administration of your application, academic record and student and welfare services. 33. If you have a disability, information you have provided in connection with that disability will be processed by the Disability and Dyslexia Service for the purposes of assessing what, if any, reasonable adjustments are required and for implementing those adjustments if you receive an offer of a place to study at the University. Information about your disability will be given to other relevant staff who would reasonably need to have such information for the purposes of implementing any or all of the adjustments identified, if you accept the offer. You have the right to request that information about your disability is not disclosed to such staff and while all reasonable effort will be made to implement reasonable adjustments, the request for confidentiality may in some circumstances prevent those adjustments being made.
34. You agree that the University may hold and use the information which you supply to it, for the purposes to which these conditions of offer relate.

Academic Affairs - SDA Bocconi AC <academicaffairs@sdabocconiasiacenter.com> 8 May 2020 at 11:11

Dear Hasika,

Greetings!

Congratulations on securing admission to the International Master in Business (IMB3) program – 2020-22.

Please find below academic calendar update directly from the Dean - Prof. David Bardolet.

Dear IMB3 students,

I hope this finds you and your families safe and well. We have not had a chance to personally meet yet but let me already welcome you to the IMB program. I hope we can meet soon. We have been **closely following** the evolution of the **COVID emergency** in our country in order to adjust our **academic calendar** in accordance to **government guidelines** and with **your safety as the main priority**.

This is the academic calendar for IMB3 moving forward.

IMB3 will **officially start on Monday, July 13th**, in **virtual mode**. We will deliver the initial **courses online** (both synchronous and asynchronously) until **country policies allow us** to **shift** to **campus classes**. We do not expect that shift to happen until September 1st. Therefore, we are looking **at half of the program's 1st Term** (from July 13th to September 1st) to be **delivered online** and the **second part** (from September 1st to October 1st) to be **delivered face to face on campus** (again, if country advisories and our own allow for that shift). After we finish the 1st term, the 2nd term will start on campus on October 2nd as originally planned.

This is the calendar you can expect.

1st Week (July 13-18)
ACCOUNTING PRE-COURSE
BUSINESS CASE ANALYSIS PRE-COURSE

2nd Week (July 20-25)
QUANTITATIVE METHODS PRE-COURSE
MARKETING PRE-COURSE

3rd Week (July 27-31)

Career Services Bootcamp, with intense individual and group sessions to start exploring job profiles and working on your own.

August-September
Six foundations courses. For most of them, you will have about half the course sessions taught online and half of them on campus as we reopen it in September.
The courses are:

QUANTITATIVE METHODS COURSE
COMPETITIVE ANALYSIS COURSE
INVESTMENTS COURSE
ACCOUNTING AND CONTROL COURSE
FUNDAMENTALS OF ECONOMICS COURSE
WRITTEN COMMUNICATION WORKSHOP

At **SDA Bocconi Asia Center**, we have a **fantastic e-learning platform** that allows for online course delivery with low bandwidth demands but **high levels of faculty-student interaction**. Additionally, we will **organise regular small-group online meetings** to make sure your learning is happening as intended. **Our faculty** here in **Mumbai** and in **Milan** have spent the **past months** teaching all kinds of courses on this **online platform** so they know very well how to deliver the **courses effectively** in that environment. We have also experienced how online learning, while lacking the closer interaction that happens in a classroom, also has its advantages in terms of pace of learning and assimilation.

Importantly, we have also decided to offer you some **online webinars** as you wait for the beginning of the program. It will be a **good opportunity to meet some of the faculty** you will have during the program while they cover some **fundamental concepts** in all the basic disciplines. This way, when we start in July, you will already have **a level of familiarity** with the **basic business and management concepts**, which will help you learning faster once the courses start. These webinars (no more than once a week) will start in the second half of May. We will provide you with a schedule soon.

In summary, **we are ready to provide you with the full learning experience that you signed up for, while also promising you to put your personal health and safety at the top of all our decisions.**

On behalf of SDA Bocconi and all the people here at SDA Bocconi Asia Center, I welcome you once more and look forward to start with all of you this exciting journey!

UNIVERSITY of GREENWICH

Thank you for your application to the University of Greenwich. I am pleased to offer you a place on the programme specialised above. You will shortly receive a second emailed offer letter, which will include your Applicant ID (beginning in 001). If you have not received this email and wish to pay your deposit, please contact your agent who will obtain the 'Applicant ID' from the university.

To accept or decline this offer please reply to accepts@gre.ac.uk within 28 days to let us know. If you do not reply within 28 days, then we may be unable to guarantee your place, as it may be offered to another applicant. Please ensure that you include your Applicant ID in your response.

Tuition Fee & Pre Registration Deposit

The pre-registration deposit is the first payment towards your tuition fees; it reduces the tuition fees payable on registration and confirms your place on the programme offered. It can be paid by a Bank Draft made payable to the University of Greenwich or by direct transfer to the university's bank account.

The deposit paid to confirm the offer of place is only refundable where the applicant provides evidence that the application for a student visa was not accepted for the year the academic offer was made.

Full details of tuition fees, the pre-registration deposit, how to pay the deposit, university bank account details, available bursaries and scholarships and links to the charging and refund policy can be found at https://www.gre.ac.uk/finance/fees or by contacting international@gre.ac.uk

For Ds assessed as paying fees at the **international rate**, tuition fees are subject to an annual fee setting exercise and will rise annually by no more than RPI – X +3% (Retail Price Index excluding mortgage interest rates +3%). We would only consider an increase to the fee rate for continuing students to reflect the increased cost of delivering the course in subsequent years.

Visa

This offer cannot be used to obtain a Tier 4 student visa.

As an international fee paying student you will probably need a Tier 4 Student Visa to study with us. If you do require a Tier 4 Student Visa to study in the UK, please refer to the University Sponsorship Policy at http://www2.gre.ac.uk/current-students/regs/?a=1441173.

Information on how to apply and the requirements for your student visa to study with us can be found on the UK Government website at https://www.gov.uk/browse/visas-immigration/student-visas

It is your responsibility to ensure that you are in possession of an appropriate and valid visa.

Tier 4 Student Visas are institution specific; if you have studied in the UK previously and hold a student visa for another institution you will need to make a new visa application before you can register at the University of Greenwich.

One of the requirements of the UK Visa & Immigration (UKVI) when applying for the first time or renewing your student visa is that you provide proof that you have sufficient funds to cover the costs of the tuition fees for your first year of study plus the minimum UKVI maintenance requirement. The minimum maintenance requirement will depend on which campus you will be studying at.

Our Maritime Greenwich and Avery Hill Campuses are *'in London'* and our Medway Campus is *'outside London'*. Please ensure that you are aware of UKVI requirements on the minimum amount required, how you provide evidence of this and the length of time the funds must be held. Read carefully *Tier 4 of the Points Based System - Policy Guidance* on the UKVI website https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/370866/T4_Guidance_11-14.pdf

Confirmation of Acceptance of Studies (CAS) Number:

To apply for a Tier 4 Student Visa you will require a CAS Number. This is not an actual certificate or paper document but is a number issued electronically. It is unique to you and the University of Greenwich and contains information about the course of study for which it has been issued and your personal details. It is valid for six months from issue; you cannot apply for your student visa more than three months prior to the start of your programme.

A CAS Statement including your unique CAS number and the other relevant information (including the qualifications used to assess your offer of place) will be emailed to you or to your agent (if your application was received from an authorised representative of the university).

We would like you to receive your CAS number, if required, as quickly as possible so please contact the International Office at international@gre.ac.uk as soon as you have paid the pre-registration deposit and any academic or English language conditions have been fulfilled.

If the university recognises that you will benefit from English language support you will be required to attend classes, free of charge. Your attendance and progress will be monitored, and you will be expected to complete the course and pass the assessment.

If you would like information about finding accommodation in the private rented sector or temporary accommodation in hotels, hostels or lodgings, please contact the Accommodation Service for further information. Please ensure that you have a safe place to stay when you arrive in the UK. The Accommodation Service cannot offer temporary or emergency housing and you should not arrive without a place to stay.

On Arrival

When you arrive at the university to commence your studies you will be invited to register. This is a two part process.

Part 1: Online Registration: Requires you to log in to the university portal and go through an online process to verify information about yourself and your new programme of study. In order to start Online Registration, you will need your portal login details. These will be emailed to you or your agent nearer the start date of your programme when you have completed all stages of the admissions process. You will also be given a summary of the balance of your first year's tuition fees less any payments including the pre-registration deposit and any discounts.

To complete your registration, you will need to pay at least 50 per cent of this amount. This amount can be paid during online registration by entering credit/debit card details. Alternatively you can transfer the payment to the university's bank account or pay directly to the Student Centre by bank draft.

The remaining balance of tuition fees for September starters will be due before the last Friday in January and for January starters before the last Friday in May. A 2.5 per cent discount is available on your tuition fees if you pay your year's tuition fees in full before the end of September (for those registering on September programmes) or the end of January (for those registering on January

Confirmation of Acceptance for Studies (CAS) - Important Information

Bandla Sai Saket Reddy

Your CAS statement

You will only be sent an email version of your CAS. It is not necessary to have a hard copy of your CAS as UK Visas and Immigration (UKVI) only use the CAS number to log onto their database system to access your details. We do not send hard copies of the CAS.

Credibility Interview

As part of your application for a Tier 4 (General) Student visa, it is likely you will be required to attend a "Credibility Interview". Therefore you might be sent an email asking you to attend an interview as part of the application process. You should check your email (including the 'junk' folder) regularly as your application is likely to be refused if you are asked to attend an interview and you fail to do so without providing a reasonable explanation.

Interviews take place when you attend a visa application centre to give your biometric information. A UKVI member of staff will ask you about your course, where you want to study and your reasons for studying in the UK. The report of the interview will be sent to the Entry Clearance Officer who makes the decision on your Tier 4 application. The Entry Clearance Officer must be satisfied that you are a genuine student, and that your English language ability is at the correct level, otherwise you might be called for a further interview and/or your entry clearance application may be refused.

You can find out more information online.

Receiving your student visa (BRP - Biometric Residence Permit)

Tier 4 students or students applying for an 11 month short term study visa, who make their visa application overseas, will receive a temporary travel visa (vignette) in their passport valid for travel and entry to the UK.

This temporary travel visa is valid for 30 days, which starts either 30 days before the course start date on your CAS or 7 days before your intended date of travel to the UK, whichever is later.

Please note, from June 2020, Tier 4 temporary travel visas will be issued for a period of 90 days instead of 30. This is in response travel disruption caused as a result of the global Covid-19 pandemic and will be in effect until the end of 2020.

REGISTRAR THE ICFAI FOUNDATION FOR HIGHER EDUCATION Deemed to be University Under Section 3 of UGC Act, 1956

You are required to collect your BRP, which will be your Tier 4 visa valid for the duration of your course, within 10 days of arriving in the UK. Where you collect your BRP from will depend on information you include on your visa application form: it will be at a designated Post Office in Edinburgh. More information is available online.

REPORT TO SCHOOL NAMED ON YOUR FORM I-20 AND VISA. Upon your first entry to the United States, you must report to the DSO at the school named on your Form I-20 and your F-1 visa (unless you are exempt from visa requirements). If you decide to attend another school before you enter the United States, you must present a Form I-20 from the new school to a U.S. consular officer for a new F-1 visa that names the new school. Failure to enroll in the school, by the program start date on your Form I-20 may result in the loss of your student status and subject you to deportation.

EMPLOYMENT. Unlawful employment in the United States is a reason for terminating your F-1 status and deporting you from the United States. You may be employed on campus at your school. You may be employed off-campus in curricular practical training (CPT) if you have written permission from your DSO. You may apply to U.S. Citizenship and Immigration Services (USCIS) for off-campus employment authorization in three circumstances: 1) employment with an international organization; 2) severe and unexpected economic hardship; and 3) optional practical training (OPT) related to your degree. You must have written authorization from USCIS before you begin work. Contact your DSO for details. Your spouse or child (F-2 classification) may not work in the United States.

PERIOD OF STAY. You may remain in the United States while taking a full course of study or during authorized employment after your program. F-1 status ends and you are required to leave the United States on the earliest of the following dates: 1) the program end date on your Form I-20 plus 60 days; 2) the end date of your OPT plus 60 days; or 3) the termination of your program for any other reason. Contact your DSO for details.

EXTENSION OF PROGRAM. If you cannot complete the education program by the program end date on page 1 of your Form I-20, you should contact your DSO at least 15 days before the program end date to request an extension.

SCHOOL TRANSFER. To transfer schools, first notify the DSO at the school you are attending of your plan to transfer, then obtain a Form I-20 from the DSO at the school you plan to attend. Return the Form I-20 for the new school to the DSO at that school within 15 days after beginning attendance at the new school. The DSO will then report the transfer to the Department of Homeland Security (DHS). You must enroll in the new school at the next session start date. The DSO at the new school must update your registration in SEVIS.

NOTICE OF ADDRESS. When you arrive in the United States, you must report your U.S. address to your DSO. If you move, you must notify your DSO of your new address within 10 days of the change of address. The DSO will update SEVIS with your new address.

REENTRY. F-1 students may leave the United States and return within a period of five months.To return, you must have: 1) a valid passport; 2) a valid F-1 student visa (unless you are exempt from visa requirements); and 3) your Form I-20, page 2, properly endorsed for reentry by your DSO. If you have been out of the United States for more than five months, contact your DSO

AUTHORIZATION TO RELEASE INFORMATION BY SCHOOL. DHS requires your school to provide DHS with your name, country of birth, current address, immigration status, and certain other information on a regular basis or upon request. Your signature on the Form I-20 authorizes the named school to release such information from your records.

PENALTY. To maintain your nonimmigrant student status, you must: 1) remain a full-time student at your authorized school; 2) engage only in authorized employment; and 3) keep your passport valid. Failure to comply with these regulations will result in the loss of your student status and subject you to deportation.

INSTRUCTIONS TO SCHOOLS

Failure to comply with 8 CFR 214.3(k) and 8 CFR 214.4 when issuing Forms I-20 will subject you and your school to criminal prosecution. If you issue this form improperly, provide false information, or fail to submit required reports, DHS may withdraw its certification of your school for attendance by nonimmigrant students.

ISSUANCE OF FORM I-20. DSOs may issue a Form I-20 for any nonimmigrant your school has accepted for a full course of study if that person: 1) plans to apply to enter the United States in F-1 status; 2) is in the United States as an F-1 nonimmigrant and plans to transfer to your school; or 3) is in the United States and will apply to change nonimmigrant status to F-1. DSOs may also issue the Form I-20 to the spouse or child (under the age of 21) of an F-1 student to use to enter or remain in the United States as an F-2 dependent. DSOs must sign where indicated at the bottom of page 1 of the Form I-20 to attest that the form is completed and issued in accordance with regulations.

ENDORSEMENT OF PAGE 2 FOR REENTRY. If there have been no substantive changes in information, DSOs may endorse page 2 of the Form I-20 for the student and/or the F-2 dependents to reenter the United States. If there have been substantive changes, the DSO should issue and sign a new Form I-20 that includes those changes.

RECORDKEEPING. DHS may request information concerning the student's immigration status for various reasons. DSOs should retain all evidence of academic ability and financial resources on which admission was based, until SEVIS shows the student's record completed or terminated.

AUTHORITY FOR COLLECTING INFORMATION. Authority for collecting the information on this and related student forms is contained in 8 U.S.C. 1101 and 1184. The Department of State and DHS use this information to determine eligibility for the benefits requested. The law provides severe penalties for knowingly and willfully falsifying or concealing a material fact, or using any false document in the submission of this form.

Accordingly, you will be expected to undertake such other duties that may reasonably be allocated to you to take into account the changing needs of the Company's business and your role within it. In this letter, the term "Verity" means any branch, subsidiary or affiliate of the Company.

3 Date of Commencement

Contingent upon our receipt of satisfactory responses to our reference enquiries and your pre-employment screening, your employment will commence on or an alternate date mutually agreed by you and the Company.

4 Notice Period

For the purpose of this Clause and for all other policies of Verity, you shall be deemed to be at Level 4. Resignation is a voluntary separation initiated by the employee. All employees are required to give notice in writing in accordance with their offer letter/employment contract.

The payment of such compensation may be waived by the Head of the Business or Head of HR. For this purpose, a notice given by an employee shall be deemed to be proper only if he/she remains in duty during the period of notice. Verity may refuse to accept the resignation of an employee on the following grounds:

1. If disciplinary proceedings have been instituted against or are proposed to be instituted against the employee;
2. If the employee is under an obligation to serve Verity for a specified period which has not yet expired;

Dear SAURABH SUMAN

Following our recent discussions, we are pleased to offer you employment with Verity Knowledge Solutions Private Limited ("Verity" or the "Company") under the following terms and conditions, subject to receipt of satisfactory responses to our reference enquiries and your pre-employment health screening.

The nature of the Company's business demands that you are flexible with your approach to work to serve the best interests of our clients. Accordingly, you will be expected to undertake such other duties that may reasonably be allocated to you to take into account the changing needs of the Company's business and your role within it. In this letter, the term "Verity" means any branch, subsidiary or affiliate of the Company.

1 Title & Reporting

Your title will be **Associate** in **IBD Department,** and you will report to the Manager of the business or such other executive as may be nominated from time to time.

2 Place of Work

You will be based at the Company's offices in Hyderabad. You may be required to work elsewhere within Verity if so required. If Verity should ask you to transfer to another country, India would be regarded as your home location and any such transfer would be subject to your agreement.

3 Date of Commencement

Contingent upon our receipt of satisfactory responses to our reference enquiries and your pre-employment screening, your employment will commence on or an alternate date mutually agreed by you and the Company.

4 Notice Period

For the purpose of this Clause and for all other policies of Verity, you shall be deemed to be at Level 4. Resignation is a voluntary separation initiated by the employee. All employees are required to give notice in writing in accordance with their offer letter/employment contract.

Resignation by Employee:

- Level 1 to 4 employees, a 1 month working notice period will be required to be served by the employee, in the event the employee wants to terminate his employment/resign from the Company.
- Level 5 to 8 employees, 2 months working notice period will be required to be served to enable smooth transition, in the event the employee wants to terminate his/her employment/resign from the Company.
- Level 9 and above employees, 3 months working notice period will be required to be served to enable smooth transition, in the event the employee wants to terminate his/her employment/resign from the Company.

The employee should ensure effective knowledge transfer during this period. This will be classified as a "Mandatory period of notice" and shall be decided by his Line Manager based on timelines required for the effective operations of the Company. His date of relieving shall therefore be mutually decided by him and his Line Manager based on business requirements. The said date of release shall not be unreasonably withheld provided the Employee is able to handover charge satisfactorily within the stipulated notice period. At the sole discretion of management, one month of the notice period may be bought out at the rate of gross pay for that period.
If an employee fails to serve the contractual notice, he/she shall be liable to pay the Company a compensation equal to the employee's gross salary for the period of notice required to be served by him/her. The payment of such compensation may be waived by the Head of the Business or Head of HR. For this purpose, a notice given by an employee shall be deemed to be proper only if he/she remains in duty during the period of notice. In the event any legal, regulatory, audit enquiry or suspension is pending against an Employee, the Company may not accept his resignation, pending such inquiry.

Termination by Verity:

During the first six months of the employee's employment, Verity may terminate the services of a:
- Level 1 to 4 employee, by giving 15 days notice or 15 days gross pay in lieu thereof

Notwithstanding anything contained herein to the contrary; Verity shall have the right to terminate an employee employed prior to the announcement of his/her graduation/post-graduation examination results, if, he/she fails to qualify/attain the required pass percentage in such graduation/post-graduation examination. For the avoidance of doubt, such termination shall be without notice and with immediate effect.

Verity may refuse to accept the resignation of an employee on the following grounds:

1. If disciplinary proceedings have been instituted against or are proposed to be instituted against the employee;
2. If the employee is under an obligation to serve Verity for a specified period which has not yet expired;
3. The employee owes Verity any sums of money; or
4. for any other sufficient grounds to be recorded in writing and communicated to the employee.

Dear RAJAT SHUKLA

Following our recent discussions, we are pleased to offer you employment with Verity Knowledge Solutions Private Limited ("Verity" or the "Company") under the following terms and conditions, subject to receipt of satisfactory responses to our reference enquiries and your pre-employment health screening.

The nature of the Company's business demands that you are flexible with your approach to work to serve the best interests of our clients. Accordingly, you will be expected to undertake such other duties that may reasonably be allocated to you to take into account the changing needs of the Company's business and your role within it. In this letter, the term "Verity" means any branch, subsidiary or affiliate of the Company.

1 Title & Reporting

Your title will be **Associate** in **IBD Department,** and you will report to the Manager of the business or such other executive as may be nominated from time to time.

2 Place of Work

You will be based at the Company's offices in Hyderabad. You may be required to work elsewhere within Verity if so required. If Verity should ask you to transfer to another country, India would be regarded as your home location and any such transfer would be subject to your agreement.

3 Date of Commencement

Contingent upon our receipt of satisfactory responses to our reference enquiries and your pre-employment screening, your employment will commence on or an alternate date mutually agreed by you and the Company.

4 Notice Period

For the purpose of this Clause and for all other policies of Verity, you shall be deemed to be at Level 4. Resignation is a voluntary separation initiated by the employee. All employees are required to give notice in writing in accordance with their offer letter/employment contract.

Resignation by Employee:

- Level 1 to 4 employees, a 1 month working notice period will be required to be served by the employee, in the event the employee wants to terminate his employment/resign from the Company.
- Level 5 to 8 employees, 2 months working notice period will be required to be served to enable smooth transition, in the event the employee wants to terminate his/her employment/resign from the Company.
- Level 9 and above employees, 3 months working notice period will be required to be served to enable smooth transition, in the event the employee wants to terminate his/her employment/resign from the Company.

The employee should ensure effective knowledge transfer during this period. This will be classified as a "Mandatory period of notice" and shall be decided by his Line Manager based on timelines required for the effective operations of the Company. His date of relieving shall therefore be mutually decided by him and his Line Manager based on business requirements. The said date of release shall not be unreasonably withheld provided the Employee is able to handover charge satisfactorily within the stipulated notice period. At the sole discretion of management, one month of the notice period may be bought out at the rate of gross pay for that period.
If an employee fails to serve the contractual notice, he/she shall be liable to pay the Company a compensation equal to the employee's gross salary for the period of notice required to be served by him/her. The payment of such compensation may be waived by the Head of the Business or Head of HR. For this purpose, a notice given by an employee shall be deemed to be proper only if he/she remains in duty during the period of notice. In the event any legal, regulatory, audit enquiry or suspension is pending against an Employee, the Company may not accept his resignation, pending such inquiry.

Termination by Verity:

During the first six months of the employee's employment, Verity may terminate the services of a:
- Level 1 to 4 employee, by giving 15 days notice or 15 days gross pay in lieu thereof

Notwithstanding anything contained herein to the contrary; Verity shall have the right to terminate an employee employed prior to the announcement of his/her graduation/post-graduation examination results, if, he/she fails to qualify/attain the required pass percentage in such graduation/post-graduation examination. For the avoidance of doubt, such termination shall be without notice and with immediate effect.

Verity may refuse to accept the resignation of an employee on the following grounds:

1. If disciplinary proceedings have been instituted against or are proposed to be instituted against the employee;
2. If the employee is under an obligation to serve Verity for a specified period which has not yet expired;
3. The employee owes Verity any sums of money; or
4. for any other sufficient grounds to be recorded in writing and communicated to the employee.

Dear PAVAN KUMAR TARA P

Following our recent discussions, we are pleased to offer you employment with Verity Knowledge Solutions Private Limited ("Verity" or the "Company") under the following terms and conditions, subject to receipt of satisfactory responses to our reference enquiries and your pre-employment health screening.

The nature of the Company's business demands that you are flexible with your approach to work to serve the best interests of our clients. Accordingly, you will be expected to undertake such other duties that may reasonably be allocated to you to take into account the changing needs of the Company's business and your role within it. In this letter, the term "Verity" means any branch, subsidiary or affiliate of the Company.

1 Title & Reporting

Your title will be **Associate** in **IBD Department,** and you will report to the Manager of the business or such other executive as may be nominated from time to time.

2 Place of Work

You will be based at the Company's offices in Hyderabad. You may be required to work elsewhere within Verity if so required. If Verity should ask you to transfer to another country, India would be regarded as your home location and any such transfer would be subject to your agreement.

3 Date of Commencement

Contingent upon our receipt of satisfactory responses to our reference enquiries and your pre-employment screening, your employment will commence on or an alternate date mutually agreed by you and the Company.

4 Notice Period

For the purpose of this Clause and for all other policies of Verity, you shall be deemed to be at Level 4. Resignation is a voluntary separation initiated by the employee. All employees are required to give notice in writing in accordance with their offer letter/employment contract.

Resignation by Employee:

- Level 1 to 4 employees, a 1 month working notice period will be required to be served by the employee, in the event the employee wants to terminate his employment/resign from the Company.
- Level 5 to 8 employees, 2 months working notice period will be required to be served to enable smooth transition, in the event the employee wants to terminate his/her employment/resign from the Company.
- Level 9 and above employees, 3 months working notice period will be required to be served to enable smooth transition, in the event the employee wants to terminate his/her employment/resign from the Company.

The employee should ensure effective knowledge transfer during this period. This will be classified as a "Mandatory period of notice" and shall be decided by his Line Manager based on timelines required for the effective operations of the Company. His date of relieving shall therefore be mutually decided by him and his Line Manager based on business requirements. The said date of release shall not be unreasonably withheld provided the Employee is able to handover charge satisfactorily within the stipulated notice period. At the sole discretion of management, one month of the notice period may be bought out at the rate of gross pay for that period.
If an employee fails to serve the contractual notice, he/she shall be liable to pay the Company a compensation equal to the employee's gross salary for the period of notice required to be served by him/her. The payment of such compensation may be waived by the Head of the Business or Head of HR. For this purpose, a notice given by an employee shall be deemed to be proper only if he/she remains in duty during the period of notice. In the event any legal, regulatory, audit enquiry or suspension is pending against an Employee, the Company may not accept his resignation, pending such inquiry.

Termination by Verity:

During the first six months of the employee's employment, Verity may terminate the services of a:
- Level 1 to 4 employee, by giving 15 days notice or 15 days gross pay in lieu thereof

For the avoidance of doubt, such termination shall be without notice and with immediate effect.

Verity may refuse to accept the resignation of an employee on the following grounds:

1. If disciplinary proceedings have been instituted against or are proposed to be instituted against the employee;
2. If the employee is under an obligation to serve Verity for a specified period which has not yet expired;
3. The employee owes Verity any sums of money; or
4. for any other sufficient grounds to be recorded in writing and communicated to the employee.

Dear SAI AISHWARYA . K

Following our recent discussions, we are pleased to offer you employment with Verity Knowledge Solutions Private Limited ("Verity" or the "Company") under the following terms and conditions, subject to receipt of satisfactory responses to our reference enquiries and your pre-employment health screening.

The nature of the Company's business demands that you are flexible with your approach to work to serve the best interests of our clients. Accordingly, you will be expected to undertake such other duties that may reasonably be allocated to you to take into account the changing needs of the Company's business and your role within it. In this letter, the term "Verity" means any branch, subsidiary or affiliate of the Company.

1 Title & Reporting

Your title will be **Associate** in **IBD Department,** and you will report to the Manager of the business or such other executive as may be nominated from time to time.

2 Place of Work

3 Date of Commencement

Contingent upon our receipt of satisfactory responses to our reference enquiries and your pre-employment screening, your employment will commence on or an alternate date mutually agreed by you and the Company.

4 Notice Period

For the purpose of this Clause and for all other policies of Verity, you shall be deemed to be at Level 4. Resignation is a voluntary separation initiated by the employee. All employees are required to give notice in writing in accordance with their offer letter/employment contract.

Resignation by Employee:

His date of relieving shall therefore be mutually decided by him and his Line Manager based on business requirements. The said date of release shall not be unreasonably withheld provided the Employee is able to handover charge satisfactorily within the stipulated notice period. At the sole discretion of management, one month of the notice period may be bought out at the rate of gross pay for that period.
If an employee fails to serve the contractual notice, he/she shall be liable to pay the Company a compensation equal to the employee's gross salary for the period of notice required to be served by him/her. The payment of such compensation may be waived by the Head of the Business or Head of HR. For this purpose, a notice given by an employee shall be deemed to be proper only if he/she remains in duty during the period of notice. In the event any legal, regulatory, audit enquiry or suspension is pending against an Employee, the Company may not accept his resignation, pending such inquiry.

For the avoidance of doubt, such termination shall be without notice and with immediate effect.

Verity may refuse to accept the resignation of an employee on the following grounds:

1. If disciplinary proceedings have been instituted against or are proposed to be instituted against the employee;
2. If the employee is under an obligation to serve Verity for a specified period which has not yet expired;
3. The employee owes Verity any sums of money; or
4. for any other sufficient grounds to be recorded in writing and communicated to the employee.

Dear ANUSHKA NAG

Following our recent discussions, we are pleased to offer you employment with Verity Knowledge Solutions Private Limited ("Verity" or the "Company") under the following terms and conditions, subject to receipt of satisfactory responses to our reference enquiries and your pre-employment health screening.

Accordingly, you will be expected to undertake such other duties that may reasonably be allocated to you to take into account the changing needs of the Company's business and your role within it. In this letter, the term "Verity" means any branch, subsidiary or affiliate of the Company.

1 Title & Reporting

Your title will be **Associate** in **IBD Department,** and you will report to the Manager of the business or such other executive as may be nominated from time to time.

2 Place of Work

You will be based at the Company's offices in Hyderabad. You may be required to work elsewhere within Verity if so required. If Verity should ask you to transfer to another country, India would be regarded as your home location and any such transfer would be subject to your agreement.

3 Date of Commencement

Contingent upon our receipt of satisfactory responses to our reference enquiries and your pre-employment screening, your employment will commence on or an alternate date mutually agreed by you and the Company.

4 Notice Period

For the purpose of this Clause and for all other policies of Verity, you shall be deemed to be at Level 4. Resignation is a voluntary separation initiated by the employee. All employees are required to give notice in writing in accordance with their offer letter/employment contract.

Resignation by Employee:

For the avoidance of doubt, such termination shall be without notice and with immediate effect.

Verity may refuse to accept the resignation of an employee on the following grounds:

1. If disciplinary proceedings have been instituted against or are proposed to be instituted against the employee;
2. If the employee is under an obligation to serve Verity for a specified period which has not yet expired;

Independence requirements for new joiners

What is independence and why is it so important?

Do the independence rules apply to me?

When is my family subject to the rules?

What kinds of investments are prohibited for a 'Member of the Firm'?

What kinds of loans are acceptable?

What Is Independence and Why Is It so Important?

Auditor Independence avoids interests and relationships that might impair objectivity. The SEC, PCAOB, IESBA, AICPA, ICAI and other regulators/oversight bodies have developed basic standards for determining independence. These standards apply to our audit clients.

Do the Independence Rules Apply to Me?

Independence rules apply to all employees, directors and partners of the firm. However not all of the rules apply to everyone; so it is necessary to understand the independence rules that apply to you.

Please note that all client-facing personnel in the Firm, their spouses and dependents are governed by the independence policies of the Firm that include restrictions on investments in, and loans to or from, restricted entities. Investments include shares, debentures, bonds, mutual funds, portfolio management schemes, etc. In addition you may have restrictions on other financial interests with restricted entities on insurance policies, credit cards, loans, brokerage and bank accounts and spouse and dependent benefit plans. New Joiners should be in compliance with the Independence policies within 14 days of joining.

Two important technical terms identify those persons who need to maintain independence with respect to the Firm's clients. They are **' Member of the Firm '** and ' **Covered Person '**. As you will see, all Covered Persons are also Members of the Firm, but all Members of the Firm may or may not be Covered Persons.

'Member of the Firm' - You are a Member of the Firm if you are a partner or a director or a client facing professional, including senior manager, manager or employee or any other professional who directly markets services, or who consults with an engagement team on a client-specific matter. This includes people who do not face clients directly but deal with client related data from afar. The only exception to these rules are staff who join Administration, Finance function etc. below the level of Director.

If you are a Member of the Firm you will be restricted from investing in, and receiving loans from or making loans to, restricted entities. Members of the firm may invest in mutual funds if they are not Covered Persons.

Please note that the term 'Member of the Firm' also includes your immediate family members (spouse and dependents). Details are under - **When Is My Family Subject to the Rules?**

'Covered Person' - You are a Covered Person with respect to a specific client if you (1) participate in the audit engagement, (2) are in the firm's **Chain of Command** with respect to the audit engagement; (3) are a partner, director or professional employee having managerial responsibilities who (a) has provided 10 hours or more of non-audit professional services to the audit client for the period beginning on the date such services are first provided and ending on the date of the auditors' report on the financial statements for the fiscal year during which those services are provided, or (b) expects to provide any non-audit professional services to the audit client on a recurring basis; or (4) are a partner or client facing director in the same **' office '** in which the lead audit engagement partner primarily practices in connection with the audit engagement at an issuer level. The term 'Covered Person' also includes

immediate family members, as explained in the section titled ‘When Is My Family Subject to the Rules?’ The Covered Person concept applies to bank accounts, brokerage accounts, insurance products, credit cards, housing and student loans, employment relationships of your family, investments of your spouse or dependents in their employee benefit plans of restricted entities, and investment in mutual funds.

When Is My Family Subject to the Rules?

If you are a Member of the Firm or a Covered Person, your spouse, spousal equivalent and dependents*****, whether or not related, are also considered Members of the Firm or Covered Persons. These individuals are called **‘ immediate family members ’** in the independence rules and they are subject to the same independence rules that apply to you. This means their investments, loans, all bank accounts, current and savings accounts, brokerage accounts, insurance policies, credit card balances, spouse or dependent employee benefit plans may affect your independence.

*****Dependents are persons and/or their spouses who received more than 50% of their financial support in the past 12 months from you.

In certain instances your **‘ close family members ’**—immediate family members plus your non-dependent parents, non-dependent children and siblings—are also subject to the independence rules. A close family member’s employment with an audit client in an accounting role or a financial reporting oversight role, a material and known investment in, or control of an audit client, may impair the Firm’s independence.

What Kinds of Investments Are Prohibited For a ‘Member of the Firm’?

As a Member of the Firm, you (and your immediate family members) generally may not own (or be committed to acquire) any direct or material indirect financial interest in a restricted entity. Examples of financial interests include equity and preference shares, debentures, bonds and deposits, shares in a mutual fund, partnership units, stock rights, options or warrants to acquire an interest in an entity, or rights of participation such as puts, calls, or straddles. In addition:

· If you own or your immediate family member owns shares in a mutual fund that is an audit client or in a non-client mutual fund that is advised, sponsored, or managed by an audit client or a subsidiary of an audit client for which you are a Covered Person, you have a direct financial interest in that client, and that is prohibited.

· You are not permitted to join an investment club, or participate in a Portfolio Management Scheme. Similarly, you may not invest in controlled joint ventures or partnerships unless those entities follow the

Firm’s independence rules with respect to their investments.

· Beneficial interests in trusts and interests in retirement plans or stock option plans of former employers are subject to the restrictions applicable to financial interests.

What Kinds of Loans Are Acceptable?

If you are a Covered Person, you and your immediate family members may not obtain loans from SEC financial institution audit clients for which you are a Covered Person. However, certain types of loans are permitted and other loans already in existence may be grandfathered. Personal loans from SEC audit clients of the Firm are not permitted for all Covered Persons. These loans cannot be grandfathered.
