Sub: Requesting permission for an Industrial visit – reg.

This is a request letter to seek your kind permission for an industrial visit to your esteemed Organization. As per our institution norms, engineering students are expected to visit prominent industries and companies for an exposure to the latest trends during the course TA 126 Workshop practice. The total number of students would be approximately 129 accompanied by faculty members. At this juncture, it is a pleasure for me to introduce to you, our institution and department on behalf of the students and faculty.

Faculty of Science and Technology (FST) is a constituent of IFHE. IFHE is a Deemed University established under Section 3 of UGC Act, 1956.

Faculty of Science and Technology provides quality education and training in the fields of science and technology.

Body of Knowledge

FST integrates into its learning system an innovative and emerging body of knowledge. The following are its highlights:

- Cutting-edge course curriculum capturing the contemporary and effective pedagogy, with emphasis on both fundamentals and applications.
- Encouraging students to not only articulate science and technology needs but also provide appropriate solutions.
- Developing appreciation for synthesized multidisciplinary learning by way of internships, measurement techniques, workshop practices and other group learning assignments.

Objectives

- To acquire a reputation as a highly purposive, innovative institution setting the pace for workable reforms in professional education, suitable and most relevant for the Indian cultural milieu.
- To provide high-quality, cutting-edge and career-oriented education programs in science and technology, to student population across the country.
- To provide highly motivated and successful science and technology graduates to meet the current and projected needs of the knowledge-workforce.
