TO WHOMSOEVER IT MAY CONCERN

This is to certify that **Gumparthy Pavan Kumar** student of ICFAI Tech, Hyderabad, registered with ID 17STUCHH010002, has successfully completed his internship as **Full Stack Engineer** at Paymatrix.

Pavan's tenure with our company lasted from **03-August-2020** to **15-January-2021** during which he was involved with the following assignments:

- Developed product features in web applications from scratch using popular technologies and learnt different techniques to convert ideas (real world problems) into code with the help of industry experts.
- Build apps using various web development stack including MERN, Laravel framework, PHP and MySQL

Pavan is sincere, focused and eager to learn. His sense of curiosity, ability to understand the requirements quickly and to build high quality product features is and will be his most important success ingredient. He is the type of person that people want to work with.

We wish him all the best for his future endeavors.

Sincerely,

For Paymatrix,
Muralidhar Nayak Guguloth

OFFER LETTER FOR PAID INTERN

Dear Maheshwari Dantuluri.

On behalf of **"Aapoon Digital Private Limited"** (the "Company"), I am pleased to extend to you this offer of (**Product Management/Support Engineer**) temporary employment as an Intern. On acceptance of this offer, your internship shall commence from **18.01.2021 - 30.06.2021** for a period of 5 ½ months and you shall be reporting to Mr. Sobhan K Madupu, Director.

As per the terms of internship, you shall be paid a monthly stipend of Rs.5,000/- (Five Thousand Only), less all applicable taxes and withholdings. As an intern you will receive "**temporary employment**" status. As per the policies of the Company, a temporary employee will not receive any of the employee benefits including, but not limited to, health insurance, vacation or sick pay, paid holidays etc., on par with a regular Company employee. You are expected to **carry your own laptop** during the period of the internship.

Your internship is expected to end after five and half months from your joining date. However, your internship with the Company is "at-will," which means that either you or the Company may terminate your internship at any time, with or without cause and with or without notice.

During your temporary employment, you may have access to trade secrets and confidential business information belonging to the Company. By accepting this offer of temporary employment, you acknowledge that you will keep all of this information strictly confidential, and refrain from using it for your own purposes or from disclosing it to anyone outside the Company. In addition, you agree that, upon conclusion of your temporary employment, you will immediately return to the Company all of its property, equipment, and documents, including electronically stored information.

By accepting this offer, you agree that throughout your internship, you will observe all policies and practices governing the conduct of our business and employees, including our policies prohibiting discrimination and harassment. This letter sets forth the complete offer we are extending to you and supersedes and replaces any prior inconsistent statements or discussions. It may be changed only by a subsequent written agreement.

ONE LIFE VENTURES

TO WHOMSOEVER IT MAY CONCERN 17-126/17

This is to certify that Shagun S Lokre, 4th-year intern of Bachelors of Technology, Computer Science and Engineering, ICFAI University, Hyderabad, has successfully completed his 5.5 months of internship from 15/01/2021 to 30/06/2021 in our company, One Life Ventures, New Delhi, gained a valuable experience

During this time period, he had been exposed to different processes and was found diligent, hardworking and inquisitive. His overview of work done is as follows:

Research and Patent Drafting:

- Worked on the project titled "Woof"
- Did research on how the prototype can be built, the components required for building the prototype, and how the devices communicate
- Successfully drafted provisional patent for the product
- AWS concepts

Website Creation:

- Successfully designed and developed a dynamic website for commercial purposes
- Successfully hosted the website on the AWS platform

App Development:

- Designed mock-up wireframes on how the app looks
- Successfully designed and developed the front end of the app
- Added geofence functionality and produced successful outputs

With all the work, he played a vital role in establishing the start-up. He demonstrated good skills with a self-motivated attitude to learn new things. His performance exceeded expectations, and was able to produce the results on time.

We wish him all the best in his future endeavours.

OFFER LETTER FOR PAID INTERN

Dear Abhishek Kumar,

On behalf of **"Aapoon Digital Private Limited"** (the "Company"), I am pleased to extend to you this offer of (**Web Developer**) temporary employment as an Intern. On acceptance of this offer, your internship shall commence from **18.01.2021 - 30.06.2021** for a period of 5 ½ months and you shall be reporting to Mr. Sobhan K Madupu, Director.

As per the terms of internship, you shall be paid a monthly stipend of Rs.5,000/- (Five Thousand Only), less all applicable taxes and withholdings. As an intern you will receive "**temporary employment**" status. As per the policies of the Company, a temporary employee will not receive any of the employee benefits including, but not limited to, health insurance, vacation or sick pay, paid holidays etc., on par with a regular Company employee. You are expected to **carry your own laptop** during the period of the internship.

Your internship is expected to end after five and half months from your joining date. However, your internship with the Company is "at-will," which means that either you or the Company may terminate your internship at any time, with or without cause and with or without notice.

During your temporary employment, you may have access to trade secrets and confidential business information belonging to the Company. By accepting this offer of temporary employment, you acknowledge that you will keep all of this information strictly confidential, and refrain from using it for your own purposes or from disclosing it to anyone outside the Company. In addition, you agree that, upon conclusion of your temporary employment, you will immediately return to the Company all of its property, equipment, and documents, including electronically stored information.

By accepting this offer, you agree that throughout your internship, you will observe all policies and practices governing the conduct of our business and employees, including our policies prohibiting discrimination and harassment. This letter sets forth the complete offer we are extending to you and supersedes and replaces any prior inconsistent statements or discussions. It may be changed only by a subsequent written agreement.

Internship Certificate

This is to certify that **Mr. Akhil Sai Dasari**, a final year student of Bachelor of Technology from ICFAI University, Hyderabad has successfully completed five months of internship program (ending in January 2021) with Naman Corporation Canada, a technology company into product development and consulting services.

During the internship, Akhil Sai worked on the NAMAN AOS Product development project, an Office of Advancement product that provides a platform for fundraising and allows institutions and organizations to track and manage donors throughout the lifecycle. It supports organizations efforts to nurture relationships, brings together and strengthens the ties between the alumni, friends, campus, local and global community.

As a project team member Akhil Sai

- Gathered project requirements from business users and other stakeholders
- Participated in technical planning & requirements gathering phases including design, coding, testing, troubleshooting, and documenting engineering software applications.
- Developed web portals and Web APIs using HTML, .NET and related web design platforms
- Developed custom reports using datasets, SQL & ActiveReports
- Developed Chatbots, desktop applications and Microsoft Office integrations
- Created efficient, testable and high-quality code. Developed and updated applicable documentation, flowcharts, specifications and code
- Ensured technical software development process was followed on the project, got familiar with industry best practices for software development.

Akhil Sai's performance is rated as **EXCELLENT** and he consistently demonstrated the ability to be creative and worked with team members in a professional manner. We wish him the best in his future endeavors.

Internship Certificate

This is to certify that **Mr. Saivarshith Reddy**, a final year student of Bachelor of Technology from ICFAI University, Hyderabad has successfully completed five months of internship program (ending in January 2021) with Naman Corporation Canada, a technology company into product development and consulting services.

During the internship, Saivarshith Reddy worked on the NAMAN AOS Product development project, an Office of Advancement product that provides a platform for fundraising and allows institutions and organizations to track and manage donors throughout the lifecycle. It supports organizations efforts to nurture relationships, brings together and strengthens the ties between the alumni, friends, campus, local and global community.

As a project team member Saivarshith Reddy

- Gathered project requirements from business users and other stakeholders
- Participated in technical planning & requirements gathering phases including design, coding, testing, troubleshooting, and documenting engineering software applications.
- Developed web portals and Web APIs using HTML, .NET and related web design platforms
- Developed custom reports using datasets, SQL & ActiveReports
- Developed Chatbots, desktop applications and Microsoft Office integrations
- Created efficient, testable and high-quality code. Developed and updated applicable documentation, flowcharts, specifications and code
- Ensured technical software development process was followed on the project, got familiar with industry best practices for software development.

Saivarshith Reddy's performance is rated as **EXCELLENT** and he consistently demonstrated the ability to be creative and worked with team members in a professional manner. We wish him the best in his future endeavors.

Sincerely,

AvalaP

OFFER LETTER FOR PAID INTERN

Dear Raghavender Rao,

On behalf of **"Aapoon Digital Private Limited"** (the "Company"), I am pleased to extend to you this offer of (**Product Management/Support Engineer**) temporary employment as an Intern. On acceptance of this offer, your internship shall commence from **18.01.2021 - 30.06.2021** for a period of 5 ½ months and you shall be reporting to Mr. Sobhan K Madupu, Director.

As per the terms of internship, you shall be paid a monthly stipend of Rs.5,000/- (Five Thousand Only), less all applicable taxes and withholdings. As an intern you will receive "**temporary employment**" status. As per the policies of the Company, a temporary employee will not receive any of the employee benefits including, but not limited to, health insurance, vacation or sick pay, paid holidays etc., on par with a regular Company employee. You are expected to **carry your own laptop** during the period of the internship.

Your internship is expected to end after five and half months from your joining date. However, your internship with the Company is "at-will," which means that either you or the Company may terminate your internship at any time, with or without cause and with or without notice.

During your temporary employment, you may have access to trade secrets and confidential business information belonging to the Company. By accepting this offer of temporary employment, you acknowledge that you will keep all of this information strictly confidential, and refrain from using it for your own purposes or from disclosing it to anyone outside the Company. In addition, you agree that, upon conclusion of your temporary employment, you will immediately return to the Company all of its property, equipment, and documents, including electronically stored information.

By accepting this offer, you agree that throughout your internship, you will observe all policies and practices governing the conduct of our business and employees, including our policies prohibiting discrimination and harassment. This letter sets forth the complete offer we are extending to you and supersedes and replaces any prior inconsistent statements or discussions. It may be changed only by a subsequent written agreement.

TO WHOMSOEVER IT MAY CONCERN

We are glad to inform you that **Mr. GIRISH BARLA** from ICFAI Business School has successfully completed his internship at Nalsoft Private Limited, Hyderabad from January 18, 2021 to June 27, 2021.

During his internship, he was exposed and trained on SQL & PLSQL Technologies.

We found him extremely inquisitive and hard working. He was very much interested to learn the subject and willing to put his best efforts and get into the depth of the subject to understand it better.

We wish him all the best in his future endeavors.

Internship Completion Letter

This letter is to certify that **Mr. Maripi Nikhil** from **ICFAI Foundation for Higher Education** has successfully completed his internship program of 5.5 months with Osure Care Private Limited. His internship tenure was from 18th January, 2021 to 30th June, 2021. He was associated with technical team in developing a part of the API for the web application of Whole slide Imaging project. He helped the team turn the API far more robust by marking the optimisation points in the API and introducing error handling for the appropriate sections of code.

We found him extremely inquisitive and hard working. He was very much interested to learn the new skills and willing to put his best efforts.

We wish him a bright future.

INTERNSHIP COMPLETION LETTER

TO WHOMSOEVER IT MAY CONCERN

This is to certify that **Ms. Venkata Shashini Goud**, student of **Faculty of Science & Technology (ICFAI TECH SCHOOL), IFHE, Hyderabad**, has successfully completed her internship in **Digital Marketing** with Paymatrix.

Shashini's tenure with our company lasted from **18th January, 2021** to **30th June, 2021** during which she was involved in the following activities and tasks:

- Closely worked with the founding team of Paymatrix in developing and implementation of digital marketing plan
- Handled email campaigns and preparation of concepts for the same
- Prepared creative concepts and assisted in launch of the same in various social media channels
- Studied various SEO concepts and assisted in improvement of search engine rankings for our product

We found **Ms. Venkata Shashini Goud to** be a quick learner with utmost dedication. We are extremely happy with her effort and work, during her tenure with us.

We wish her all the success in her future endeavors.

Sincerely,

Internship Certificate

This is to certify that **Mr. B. Akhil Sai,** a final year student of Bachelor of Technology from ICFAI University, Hyderabad has successfully completed five months of internship program (ending in January 2021) with Naman Corporation Canada, a technology company into product development and consulting services.

During the internship, Akhil Sai worked on the NAMAN AOS Product development project, an Office of Advancement product that provides a platform for fundraising and allows institutions and organizations to track and manage donors throughout the lifecycle. It supports organizations efforts to nurture relationships, brings together and strengthens the ties between the alumni, friends, campus, local and global community.

As a project team member Akhil Sai

- Gathered project requirements from business users and other stakeholders
- Participated in technical planning & requirements gathering phases including design, coding, testing, troubleshooting, and documenting engineering software applications.
- Developed web portals and Web APIs using HTML, .NET and related web design platforms
- Developed custom reports using datasets, SQL & ActiveReports
- Developed Chatbots, desktop applications and Microsoft Office integrations
- Created efficient, testable and high-quality code. Developed and updated applicable documentation, flowcharts, specifications and code
- Ensured technical software development process was followed on the project, got familiar with industry best practices for software development.

Akhil Sai's performance is rated as **EXCELLENT** and he consistently demonstrated the ability to be creative and worked with team members in a professional manner. We wish him the best in his future endeavors.

TO WHOM IT MAY CONCERN

This is to certify that **PALLEMPATI PHANI TEJA** has successfully completed an Internship with Inqui-Lab Foundation from the date of **18-Jan-2021 to 30-Jun-2021** for a period of **6 months** under the guidance of Mr. Ali, Lead, Design & Learning, at Inqui-Lab Foundation.

As part of his/her internship worked efficiently and completed the tasks of allocated assignments and projects.

During the tenure of IP programme in his/her PALLEMPATI PHANI TEJA internship, demonstrated good research and documentation skills. We found him/her to be a hardworking, dedicated and enthusiastic member of the society who performed all their tasks diligently and aided the community in a sincere manner. He/She would be an asset to future organisations that they wish to work with.

We wish all the best in future endeavours.
