To whom it may concern

This is to certify that **Ms.Bharatha Mounika**, has successfully completed an internship with Inqui-Lab Foundation under the guidance of Vivek Piddempally, Lead, Program Implementation & Operations at Inqui-Lab Foundation.

As part of her internship she worked on the projects related to the UX and UI design, User Research and managing online education programs for the children. She has efficiently completed the tasks of documentation of research observations and best practices. She also had completed the project on designing product features for career awareness and higher education.

During the service in her internship, she demonstrated good research and documentation skills. We found her to be a hardworking, dedicated and enthusiastic member of the society who performed all their tasks diligently and aided the community in a sincere manner. She would be an asset to future organisations that they wish to work with.

We wish her all the best in her future endeavours.

She also had completed the project on designing product features for career awareness and higher education.

During the service in her internship, she demonstrated good research and documentation skills. We found her to be a hardworking, dedicated and enthusiastic member of the society who performed all their tasks diligently and aided the community in a sincere manner. She would be an asset to future organisations that they wish to work with.

We wish her all the best in her future endeavours.
