Dear Mr. Akshat Katoch,
I am pleased to offer you an internship at the Department of Management, Birla Institute of Technology & Science, Pilani.

As per the conversation held on 10 January 2020, your topic for the internship is "Funding of Deep Tech Startups". I believe you have narrowed down the topic further to a few sectors in deep-tech startups.

The internship duration is from early February to mid-May, and the whole internship is held online, and is unpaid.

Look forward to an enriching interaction with you.

Note: I plan to compensate you with honorarium, in case I receive any grants for the project.

Many Thanks,
Revendra
