His manager is pleased with his timely highlighting and managing of any delays, which could have affected the project completions.

He is a fast learner, and he learned our operations system and organizational culture quickly. His team working skills and friendly nature made him a part of our organization even during the first week. He outdid the expected performance, and we are happy to have the opportunity for training such an enthusiastic candidate. We hope to hire him once he completes his education so that we can utilize his potential to the fullest for the benefit of our organization.

We wish him the best of luck for all his future endeavors.
