IFHE/RC/2020/September/101 September 15, 2020

Dear Dr. Sandeep Kumar Panda,

Sub: Approval for funding Research Project

We are pleased to inform you that the proposal submitted by your team for funding by IFHE has been approved by the University and the details are given below:

Title of the Project: Investigating the Medical Supply Chain using Blockchain Technology for easing the process and creating trust between stakeholders and consumers

Team Leader: Dr. Sandeep Kumar Panda

Team Members: -
Amount of funding approved: Rs. 2,00,000
Duration of the Project: 2 Years

Project Code: IFHE/RC/Sep2020/68 (to be used in all communication related to this project)

The amount will be disbursed in phases to the team leader based on a request as per format given at Annexure 1. The contact person for disbursal of funds for this project is Mr. Bharadwaja.V, AGM (Mobile No: 9505599899), Accounts, #52, Nagarjuna Hills, Punjagutta. The amount will be accounted as advance to the team leader in our books.

Further funds will be disbursed upon submission of details of expenditure incurred along with necessary documentation for the amount already disbursed as for format given at Annexure 2.

All data collected during the project, reports as well as any data base / software procured as part of this project are to be handed over to the university (to the appropriate authority) and these will become the property of the university.

You have to present a faculty seminar at the university on this project after the completion of the project.

All publications related to this study have to be published showing the affiliation to IFHE.

In case, any member of the team discontinues her/her service from the university before the completion of the project, he/she has to handover the work done to the team leader/remaining members, so that the work can be continued by them. The name of such a member who discontinues services from the university can be shown under authorship of the publication, however the affiliation with IFHE must be mentioned (and not any other institution). The funding of the research project is time bound and the team is required to complete the same on time.

With best wishes for the success of your project and hoping that this will bring laurels to you and the institution.

Best Wishes

Finance Officer

The contact person for disbursal of funds for this project is Mr. Bharadwaja.V, AGM (Mobile No: 9505599899), Accounts, #52, Nagarjuna Hills, Punjagutta. The amount will be accounted as advance to the team leader in our books.

Further funds will be disbursed upon submission of details of expenditure incurred along with necessary documentation for the amount already disbursed as for format given at Annexure 2.

All data collected during the project, reports as well as any data base / software procured as part of this project are to be handed over to the university (to the appropriate authority) and these will become the property of the university.

You have to present a faculty seminar at the university on this project after the completion of the project.

All publications related to this study have to be published showing the affiliation to IFHE.

In case, any member of the team discontinues her/her service from the university before the completion of the project, he/she has to handover the work done to the team leader/remaining members, so that the work can be continued by them. The name of such a member who discontinues services from the university can be shown under authorship of the publication, however the affiliation with IFHE must be mentioned (and not any other institution). The funding of the research project is time bound and the team is required to complete the same on time.

With best wishes for the success of your project and hoping that this will bring laurels to you and the institution.

Best Wishes

You have to present a faculty seminar at the university on this project after the completion of the project.

All publications related to this study have to be published showing the affiliation to IFHE.

In case, any member of the team discontinues his/her service from the university before the completion of the project, he/she has to handover the work done to the team leader/remaining members, so that the work can be continued by them. The name of such a member who discontinues services from the university can be shown under authorship of the publication, however the affiliation with IFHE must be mentioned (and not any other institution). The funding of the research project is time bound and the team is required to complete the same on time.

With best wishes for the success of your project and hoping that this will bring laurels to you and the institution.

S. Vijayalakshmi

IFHE/RC/2021/October/116

Dear Dr. Arindam Ghosh,

Sub: Approval for funding Research Project

We are pleased to inform you that the proposal submitted by your team for funding by IFHE has been approved by the University and the details are given below:

Title of the Project: Identification of the critical factors which may influence parental hesitancy for COVID 19 vaccination in India

Team Leader: Dr. Samyadip Chakraborty

Team Members: Dr. Arindam Ghosh

Amount of funding approved: 2,00,000/-

Duration of the Project: 6 Months

Project Code: IFHE/RC/October 2021/83 (to be used in all communication related to this project)

The amount will be disbursed in phases to the team leader based on a request as per format given at Annexure 1. The contact person for disbursal of funds for this project is Mr. Bharadwaja.V, AGM (Mobile No: 9505599899), Accounts, #52, Nagarjuna Hills, Punjagutta. The amount will be accounted as advance to the team leader in our books.

Further funds will be disbursed upon submission of details of expenditure incurred along with necessary documentation for the amount already disbursed as for format given at Annexure 2.

All data collected during the project, reports as well as any data base / software procured as part of this project are to be handed over to the university (to the appropriate authority) and these will become the property of the university.

You have to present a faculty seminar at the university on this project after the completion of the project.

All publications related to this study have to be published showing the affiliation to IFHE.

In case, any member of the team discontinues his/her service from the university before the completion of the project, he/she has to handover the work done to the team leader/remaining members, so that the work can be continued by them. You have to present a faculty seminar at the university on this project after the completion of the project.

All publications related to this study have to be published showing the affiliation to IFHE.

In case, any member of the team discontinues his/her service from the university before the completion of the project, he/she has to handover the work done to the team leader/remaining members, so that the work can be continued by them. The name of such a member who discontinues services from the university can be shown under authorship of the publication, however the affiliation with IFHE must be mentioned (and not any other institution). The funding of the research project is time bound and the team is required to complete the same on time.

With best wishes for the success of your project and hoping that this will bring laurels to you and the institution.

Best Wishes

Dear Dr. Syed Quadir Moinuddin,

Sub: Approval for funding Research Project

We are pleased to inform you that the proposal submitted by your team for funding by IFHE has been approved by the University and the details are given below:

Title of the Project: Assessment of Machine Learning Techniques for Monitoring the Gas Metal Arc Welding Process

Team Leader: Dr. Syed Quadir Moinuddin

Team Members: -Dr. G Suresh Kumar

Amount of funding approved: 2,05,000/

Duration of the Project: 2 Years

Project Code: IFHE/RC/October 2021/101

(to be used in all communication related to this project)

The amount will be disbursed in phases to the team leader based on a request as per format given at Annexure 1. The contact person for disbursal of funds for this project is Mr. Bharadwaja.V, AGM (Mobile No: 9505599899), Accounts, #52, Nagarjuna Hills, Punjagutta. The amount will be accounted as advance to the team leader in our books.

Further funds will be disbursed upon submission of details of expenditure incurred along with necessary documentation for the amount already disbursed as for format given at Annexure 2.

All data collected during the project, reports as well as any data base / software procured as part of this project are to be handed over to the university (to the appropriate authority) and these will become the property of the university.

You have to present a faculty seminar at the university on this project after the completion of the project.

All publications related to this study have to be published showing the affiliation to IFHE.

Dear Prof. Santosh Kumar,

Sub: Approval for funding Research Project

We are pleased to inform you that the proposal submitted by you for funding by IFHE has been approved by the University and the details are given below:

Title of the Project: Scale Development to measure Service Quality in Primary Health Centers
Principal Investigator: Prof. Santosh Kumar
Amount of Funding Approved: 10,000
Duration of the Project: 3 Months

Project Code: IFHE/RC/Aug2021/MP117

(to be used in all communication related to this project)

The amount will be disbursed in phases to you based on a request as per format given at Annexure 1. The contact person for disbursal of funds for this project is Mr. Bharadwaja.V, AGM (Mobile No: 9505599899), Accounts, #52, Nagarjuna Hills, Punjagutta. The amount will be accounted as advance to the team leader in our books.

Further funds will be disbursed upon submission of details of expenditure incurred along with necessary documentation for the amount already disbursed as per format given at Annexure 2.

All data collected during the project, reports as well as any database / software procured as part of this project are to be handed over to the university (to the appropriate authority) and these will become the property of the university.

You have to present a faculty seminar at the university on this project after the completion of the project.

All publications related to this study have to be published showing the affiliation to IFHE.

With best wishes for the success of your project and hoping that this will bring laurels to you and the institution.

Sub: Approval for funding Research Project

We are pleased to inform you that the proposal submitted by you for funding by IFHE has been approved by the University and the details are given below:

Title of the Project: Eyeball movement control electric Wheel chair for physically challenged

Principal Investigator: Dr.Chandrashekhar
Amount of Funding Approved: 10,000

Duration of the Project: 3 Months

Project Code: IFHE/RC/Aug2021/MP025

(to be used in all communication related to this project)

The amount will be disbursed in phases to you based on a request as per format given at Annexure 1. The contact person for disbursal of funds for this project is Mr. Bharadwaja.V, AGM (Mobile No: 9505599899), Accounts, #52, Nagarjuna Hills, Punjagutta. The amount will be accounted as advance to the team leader in our books.

Further funds will be disbursed upon submission of details of expenditure incurred along with necessary documentation for the amount already disbursed as per format given at Annexure 2.

All data collected during the project, reports as well as any database / software procured as part of this project are to be handed over to the university (to the appropriate authority) and these will become the property of the university.

You have to present a faculty seminar at the university on this project after the completion of the project.

All publications related to this study have to be published showing the affiliation to IFHE.

With best wishes for the success of your project and hoping that this will bring laurels to you and the institution.

Best Wishes

The amount will be accounted as advance to the team leader in our books.

Further funds will be disbursed upon submission of details of expenditure incurred along with necessary documentation for the amount already disbursed as for format given at Annexure 2.

All data collected during the project, reports as well as any data base / software procured as part of this project are to be handed over to the university (to the appropriate authority) and these will become the property of the university.

You have to present a faculty seminar at the university on this project after the completion of the project.

All publications related to this study have to be published showing the affiliation to IFHE.

In case, any member of the team discontinues her/her service from the university before the completion of the project, he/she has to handover the work done to the team leader/remaining members, so that the work can be continued by them. The name of such a member who discontinues services from the university can be shown under authorship of the publication, however the affiliation with IFHE must be mentioned (and not any other institution). The funding of the research project is time bound and the team is required to complete the same on time.

With best wishes for the success of your project and hoping that this will bring laurels to you and the institution.

Best Wishes

All data collected during the project, reports as well as any data base / software procured as part of this project are to be handed over to the university (to the appropriate authority) and these will become the property of the university.

You have to present a faculty seminar at the university on this project after the completion of the project.

All publications related to this study have to be published showing the affiliation to IFHE.

In case, any member of the team discontinues her/her service from the university before the completion of the project, he/she has to handover the work done to the team leader/remaining members, so that the work can be continued by them. The name of such a member who discontinues services from the university can be shown under authorship of the publication, however the affiliation with IFHE must be mentioned (and not any other institution). The funding of the research project is time bound and the team is required to complete the same on time.

With best wishes for the success of your project and hoping that this will bring laurels to you and the institution.

Best Wishes

Dear Dr. Achintya Choudhury,

Sub: Approval for funding Research Project

We are pleased to inform you that the proposal submitted by your team for funding by IFHE has been approved by the University and the details are given below:

Title of the Project: Fault diagnosis of dynamically loaded defective bearing using supervised machine learning techniques

Team Leader: Dr.T.Govardhan

Team Members: Dr. Achintya Choudhury
Amount of funding approved: Rs. 202,000
Duration of the Project: 19 Months

Project Code: IFHE/RC/Feb2020/66 (to be used in all communication related to this project)

The amount will be disbursed in phases to the team leader based on a request as per format given at Annexure 1. The contact person for disbursal of funds for this project is Mr. Bharadwaja.V, AGM (Mobile No: 9505599899), Accounts, #52, Nagarjuna Hills, Punjagutta. The amount will be accounted as advance to the team leader in our books.

Further funds will be disbursed upon submission of details of expenditure incurred along with necessary documentation for the amount already disbursed as for format given at Annexure 2.

All data collected during the project, reports as well as any data base / software procured as part of this project are to be handed over to the university (to the appropriate authority) and these will become the property of the university.

You have to present a faculty seminar at the university on this project after the completion of the project.

Dear Dr. Chollangi Rajesh

Sub: Approval for funding Research Project

We are pleased to inform you that the proposal submitted by your team for funding by IFHE has been approved by the University and the details are given below:

Title of the Project: **Forced Vibration Analysis of different Viscoelastic Sandwich Beams**

Team Leader: Dr. M.L. Pavan Kishore

Team Members: Dr. P. Ravikanth Raju, Dr. Chollangi Rajesh

Amount of funding approved: Rs. 2,00,000

Duration of the Project: 18 Months

Project Code: **IFHE/RC/April2019/46** (to be used in all communication related to this project)

The amount will be disbursed in phases to the team leader based on a request as per format given at Annexure 1. The contact person for disbursal of funds for this project is Mr. Bharadwaja.V, AGM (Mobile No: 9505599899), Accounts, #52, Nagarjuna Hills, Punjagutta. The amount will be accounted as advance to the team leader in our books.

Further funds will be disbursed upon submission of details of expenditure incurred along with necessary documentation for the amount already disbursed as for format given at Annexure 2.

All data collected during the project, reports as well as any data base / software procured as part of this project are to be handed over to the university (to the appropriate authority) and these will become the property of the university.

You have to present a faculty seminar at the university on this project after the completion of the project.

All publications related to this study have to be published showing the affiliation to IFHE.

In case, any member of the team discontinues her/her service from the university before the completion of the project, he/she has to handover the work done to the team leader/remaining members, so that the work can be continued by them. The name of such a member who discontinues services from the university can be shown under authorship of the publication, however the affiliation with IFHE must be mentioned (and not any other institution). The funding of the research project is time bound and the team is required to complete the same on time.

With best wishes for the success of your project and hoping that this will bring laurels to you and the institution.

IFHE/RC/2019/June/84 June 11, 2019

Dear Dr. P. Prem Kiran

Sub: Approval for funding Research Project

We are pleased to inform you that the proposal submitted by your team for funding by IFHE has been approved by the University and the details are given below:

Title of the Project: **Laser induced shock waves for engineering applications**

Team Leader: Dr. Leela Chelikani

Team Members: Dr. P. Prem Kiran

Amount of funding approved: Rs. 2,00,000

Duration of the Project: 1 year 6 months

Project Code: **IFHE/RC/June2019/51** (to be used in all communication related to this project)

The amount will be disbursed in phases to the team leader based on a request as per format given at Annexure 1. The contact person for disbursal of funds for this project is Mr. Bharadwaja.V, AGM (Mobile No: 9505599899), Accounts, #52, Nagarjuna Hills, Punjagutta. The amount will be accounted as advance to the team leader in our books.

Further funds will be disbursed upon submission of details of expenditure incurred along with necessary documentation for the amount already disbursed as for format given at Annexure 2.

All data collected during the project, reports as well as any data base / software procured as part of this project are to be handed over to the university (to the appropriate authority) and these will become the property of the university.

You have to present a faculty seminar at the university on this project after the completion of the project.

All publications related to this study have to be published showing the affiliation to IFHE.

In case, any member of the team discontinues her/her service from the university before the completion of the project, he/she has to handover the work done to the team leader/remaining members, so that the work can be continued by them. The name of such a member who discontinues services from the university can be shown under authorship of the publication, however the affiliation with IFHE must be mentioned (and not any other institution). The funding of the research project is time bound and the team is required to complete the same on time.

With best wishes for the success of your project and hoping that this will bring laurels to you and the institution.

Best Wishes

Project Code: **IFHE/RC/June2019/57** (to be used in all communication related to this project)

The amount will be disbursed in phases to the team leader based on a request as per format given at Annexure 1. The contact person for disbursal of funds for this project is Mr. Bharadwaja.V, AGM (Mobile No: 9505599899), Accounts, #52, Nagarjuna Hills, Punjagutta. The amount will be accounted as advance to the team leader in our books.

Further funds will be disbursed upon submission of details of expenditure incurred along with necessary documentation for the amount already disbursed as for format given at Annexure 2.

All data collected during the project, reports as well as any data base / software procured as part of this project are to be handed over to the university (to the appropriate authority) and these will become the property of the university.

You have to present a faculty seminar at the university on this project after the completion of the project.

All publications related to this study have to be published showing the affiliation to IFHE.

In case, any member of the team discontinues her/her service from the university before the completion of the project, he/she has to handover the work done to the team leader/remaining members, so that the work can be continued by them. The name of such a member who discontinues services from the university can be shown under authorship of the publication, however the affiliation with IFHE must be mentioned (and not any other institution). The funding of the research project is time bound and the team is required to complete the same on time.

With best wishes for the success of your project and hoping that this will bring laurels to you and the institution.

Best Wishes

You have to submit a report and present a faculty seminar at the university on this project after the completion of the project. The project should result in a publication or a working paper.

All publications related to this study have to be published showing the affiliation to IFHE.

In case, any member of the team discontinues his/her service from the university before the completion of the project, he/she has to handover the work done to the team leader/remaining members, so that the work can be continued by them. The name of such a member who discontinues services from the university can be shown under authorship of the publication, however the affiliation with IFHE must be mentioned (and not any other institution).

With best wishes for the success of your project and hoping that this will bring laurels to you and the institution.

Best Wishes

July 17, 2017.

Dear **Prof. Chandrashekhar. A**

Sub: Approval for funding Research Project

We are pleased to inform you that the proposal submitted by your team for funding by IFHE has been approved by the University for taking up a pilot Project and the details are given below:

Title of the Project:	**Modeling, Design and simulation of Serial & Parallel Robot with static and dynamic analysis**
Team Leader:	Prof. Chandrashekhar. A
Team Members:	Prof. G.Satish Babu
Amount of funding approved:	**Rs. 2,00,000**
Duration of the Project:	**1 Year**
Project Code:	IFHE/RC/JULY2017/25 (to be used in all communication related to this project)

The amount will be disbursed in phases to the team leader based on a request as per format given at Annexure 1. The contact person for disbursal of funds for this project is Mr. D S Raju, Deputy Manager, Accounts, IFHE Campus.

The amount will be accounted as advance to the team leader in our books.

Further funds will be disbursed upon submission of details of expenditure incurred along with necessary documentation for the amount already disbursed as for format given at Annexure 2.

All data collected during the project, reports as well as any data base / software procured as part of this project are to be handed over to the university (to the appropriate authority) and these will become the property of the university.

You have to submit a report and present a faculty seminar at the university on this project after the completion of the project. The project should result in a publication or a working paper.

All publications related to this study have to be published showing the affiliation to IFHE.

In case, any member of the team discontinues his/her service from the university before the completion of the project, he/she has to handover the work done to the team leader/remaining members, so that the work can be continued by them. The name of such a member who discontinues services from the university can be shown under authorship of the publication, however the affiliation with IFHE must be mentioned (and not any other institution).

With best wishes for the success of your project and hoping that this will bring laurels to you and the institution.

Best Wishes

Dear **Prof. S. Vijaya Lakshmi**

Sub: Approval for funding Research Project

We are pleased to inform you that the proposal submitted by your team for funding by IFHE has been approved by the University for taking up a pilot Project and the details are given below:

Title of the Project:	**Determinant Attributes of Senior Citizens Staying at Old Age Home with a Special Focus on Women in Hyderabad Region**
Team Leader:	Prof. S. Vijaya Lakshmi
Team Members:	Prof. Debajani Sahoo
Amount of funding approved:	**Rs. 2,00,000**
Duration of the Project:	**1 Year**
Project Code:	IFHE/RC/JULY2017/30 (to be used in all communication related to this project)

The amount will be disbursed in phases to the team leader based on a request as per format given at Annexure 1. The contact person for disbursal of funds for this project is Mr. D S Raju, Deputy Manager, Accounts, IFHE Campus.

The amount will be accounted as advance to the team leader in our books.

Further funds will be disbursed upon submission of details of expenditure incurred along with necessary documentation for the amount already disbursed as for format given at Annexure 2.

All data collected during the project, reports as well as any data base / software procured as part of this project are to be handed over to the university (to the appropriate authority) and these will become the property of the university.

You have to submit a report and present a faculty seminar at the university on this project after the completion of the project. The project should result in a publication or a working paper.

All publications related to this study have to be published showing the affiliation to IFHE.

In case, any member of the team discontinues his/her service from the university before the completion of the project, he/she has to handover the work done to the team leader/remaining members, so that the work can be continued by them. The name of such a member who discontinues services from the university can be shown under authorship of the publication, however the affiliation with IFHE must be mentioned (and not any other institution).

With best wishes for the success of your project and hoping that this will bring laurels to you and the institution.

Best Wishes

IFHE/RC/2017/July/62

July 17, 2017.

Dear **Prof. Kishore Kumar**

Sub: Approval for funding Research Project

We are pleased to inform you that the proposal submitted by your team for funding by IFHE has been approved by the University and the details are given below:

Title of the Project:	**3D Printing Technology/ Additive Manufacturing Technology in Engineering Education and applications**
Team Leader:	Prof. Kishore Kumar
Team Members:	Prof. S.S.S.P.Rao
	Prof. Mukesh Chuhan
Amount of funding approved:	**Rs. 1,85,000**
Duration of the Project:	**1 Year**
Project Code:	IFHE/RC/JULY2017/37 (to be used in all communication related to this project)

The amount will be disbursed in phases to the team leader based on a request as per format given at Annexure 1. The contact person for disbursal of funds for this project is Mr. D S Raju, Deputy Manager, Accounts, IFHE Campus.

The amount will be accounted as advance to the team leader in our books.

Further funds will be disbursed upon submission of details of expenditure incurred along with necessary documentation for the amount already disbursed as for format given at Annexure 2.

All data collected during the project, reports as well as any data base / software procured as part of this project are to be handed over to the university (to the appropriate authority) and these will become the property of the university.

You have to submit a report and present a faculty seminar at the university on this project after the completion of the project. The project should result in a publication or a working paper.

All publications related to this study have to be published showing the affiliation to IFHE.

In case, any member of the team discontinues his/her service from the university before the completion of the project, he/she has to handover the work done to the team leader/remaining members, so that the work can be continued by them. The name of such a member who discontinues services from the university can be shown under authorship of the publication, however the affiliation with IFHE must be mentioned (and not any other institution).

With best wishes for the success of your project and hoping that this will bring laurels to you and the institution.

Best Wishes

Finance Officer
