

4.4.2 There are established systems and procedures for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc. (10)

Describe policy details of systems and procedures for maintaining and utilizing physical, academic and support facilities on the website within a minimum of 500 word and maximum of 1000 words

The Director Administration of the university with his team members such as university engineer, electrician, plumber, technical staff and other maintenance persons look after the classrooms, buildings, hostels, laboratories, playgrounds, gym center, faculty chambers, library buildings, guest houses, IT labs and other physical assets including the services like water supply and electric supply. The Director Administration also looks after the maintenance of the furniture. There is a well-established system to take the complaints on the issues related to the maintenance of the buildings, classrooms, toilets and so on.

Infrastructure and Learning Resources:

The University is equipped with all supporting facilities like, dining halls, indoor (Badminton, TT, Squash) and outdoor sports (tennis, football, cricket, basketball, Olympic size swimming pool) facilities, recreation facilities (Gym, and cultural clubs). It is managed by a team of full time wardens, University engineer and other staff. The students clubs are managed by students under mentorship of faculty members as well as under the overall supervision Student Activity Coordinator. The University has its own transport facility; clinic round the clock with two beds and 6 doctors, 7 Nurses (6 female and one male) with 2 ambulances etc. The auditorium has features like step sitting arrangements. The hall has a seating capacity of 300 people for Business School and 200 seating capacity for Engineering and Science School. The Open Air Quadrilateral has a stage and seating arrangements for conducting activities like Student events and Convocation.

Academic Infrastructure:

The academic infrastructure at University is equipped with the best of facilities to enhance the quality of teaching and learning process. Lecture theatres and classrooms are designed to facilitate the case pedagogy. All class rooms are networked and fitted with audio visual tools to enhance the teaching - learning experience. The office of the IT infrastructure and Sr. Librarian provides the necessary support to the faculty and students.

The complete academic monitoring and control is done through the intranet - the Campus Net and the faculty zone. The Campus Net is the portal of communication for students on academic matters, library, placements, Accounts, hostel etc. The faculty zone is for the faculty research and academic activities and HR and accounts information.

Computing Facilities:

(Deemed-to-be University Under Section 3 of the UGC ACT, 1956)

The campus is equipped with latest state-of-art technology of computer network with high speed backbone and security. The campus has licensed software for its computers. Seamless internet facility (150 MBPS) is also provided. The complete campus area is covered under the umbrella of wireless (Wi-Fi) network, on which students get connected to network and internet on their laptop outside the class room and lab as well as in hostels.

The auditorium and classrooms are connected with the local high speed LAN and Wi-Fi for facilitating faculty for teaching and accessing databases. Video conferencing facility is available. The facility is extensively used by prospective employers for placements as well as students and staff.

Library Facilities

The central library has a collection of 75582 documents. It is kept open 15 hours a day. The library is fully supported by IT infrastructure. The library has been equipped with the latest software packages, CDs, Videos, Indian and International journals; magazine s and research reports relating to management, science & technology, law and allied subjects. IFHE subscribes to several academic online databases like EBSCO HOST, Econlit, Emerald Management Xtra, ProQuest, JSTOR, Science Director (Elsevier) and Cabells directory; industry databases like the World Development Indicators;

CMIE databases (including Prowess, Alpha, CapEx, Business Beacon and Industry Analysis Survey) and Capitaline; and business and research-oriented databases like Reuters, Business Insights and Market line. We subscribe to 46 International Journals and 62 National Journals. Access is also enabled to 5000+ Journals through the databases. We also subscribe to 75 Indian Business Magazines and 10 International Business Magazines. In addition, there are separate libraries in Faculty of Science and Technology and Faculty of Law.

All infrastructural facilities are either being maintained by a dedicated team of professional under University Engineer or through AMCs such as maintenance of Swimming pool, Gym Equipment, ACs, Lifts (Academic/Hostels). Solid and Liquid waste are also being managed efficiently through AMC and recycled water is used for landscaping and forest cover
