Report on Career Counseling classes conducted during Academic Year 2017-18

Career Counseling and Guidance is an integral part of the academics in almost all the programs of IcfaiTech. Towards this, IcfaiTech provides guidance for career counseling and guidance, corporate training and skill enhancement, building corporate relations.

All the students in IcfaiTech are given an overview of the career prospects in their respective area, during the induction program itself. Experienced faculties provide an overview of the career options available, types of companies visiting the campus for recruitment, the process of placement, and the training programs conducted by IcfaiTech to enhance students' skills.

In this regard, to help our students to face this challenge, we at IcfaiTech have offered classes for both the IIIrd year and IVth year students on few selected topics by the respected faculty in that subject.

The following table summarizes the subjects that have been organized for the students and the faculty who have guided are as follows:

S.no.	Subject	Faculty	Duration	Time
1.	Career Counselling: Pre-Counselling, Career Assessment, 360° Profile Analysis, Setting Career Goals, Develop an Action Plan, Using Technology Platforms, Understanding the job market, and Updated Knowledge of Career Options.	Dr. Suneetha Rajesham	2 weeks (10.12.2017- 23.12.2017)	4:30PM to 5:30PM

Total of 93 students registered for the course and sessions are organized from 4:30PM to 5.30PM daily from 10th – 23rd December 2017 followed by a MOCK test.

Report on GATE Coaching conducted during Academic Year 2017-18

IcfaiTech organized Gate Coaching as part of encouraging the students for competitive exams. The coaching will help the students in attempting GATE and any PSU exams along with an advantage of making them ready for interviews in CORE sector Companies for placement.

The training started with giving an overview of the GATE. This is a national level exam for science and engineering students. The examination opens various career, education and research-related opportunities to the students. This exam is primarily aimed to test the comprehensive understanding of students in various undergraduate subjects.

In this regard, to help our students to face this challenge, we at IcfaiTech have offered classes for both the IIIrd year and IVth year students on few selected topics by the respected faculty in that subject.

The following table summarizes the subjects that have been organized for the students and the faculty who have guided are as follows:

Report on GATE Coaching conducted during Academic Year 2017-18

IcfaiTech organized Gate Coaching as part of encouraging the students for competitive exams. The coaching will help the students in attempting GATE and any PSU exams along with an advantage of making them ready for interviews in CORE sector Companies for placement.

The training started with giving an overview of the GATE. This is a national level exam for science and engineering students. The examination opens various career, education and research-related opportunities to the students. This exam is primarily aimed to test the comprehensive understanding of students in various undergraduate subjects.

In this regard, to help our students to face this challenge, we at IcfaiTech have offered classes for both the IIIrd year and IVth year students on few selected topics by the respected faculty in that subject.

The following table summarizes the subjects that have been organized for the students and the faculty who have guided are as follows:
