Report on TOFEL/IELTS/GRE classes conducted during Academic Year 2019-20

The IcfaiTech organizes specific training programs to facilitate students' higher education in India and abroad. Many students in engineering go for higher studies in countries like US, Europe, Australia etc. which primarily requires a good score in GRE, TOFEL, IELTS etc. Similarly, many students go for higher studies in premier engineering institutes in India, which requires a good rank in GATE. Many students from engineering and arts & sciences aspire to do their MBA in premier management institutes, which requires a good score in CAT.

In this regard, to help our students to face this challenge, we at IcfaiTech have offered classes for both the III[rd] year and IV[th] year students on few selected topics by the respected faculty in that subject.

The following table summarizes the subjects that have been organized for the students and the faculty who have guided are as follows:

Career Counseling and Guidance is an integral part of the academics in almost all the programs of IcfaiTech. Towards this, IcfaiTech provides guidance for career counseling and guidance, corporate training and skill enhancement, building corporate relations.

Experienced faculties provide an overview of the career options available, types of companies visiting the campus for recruitment, the process of placement, and the training programs conducted by IcfaiTech to enhance students' skills.

In this regard, to help our students to face this challenge, we at IcfaiTech have offered classes for both the IIIrd year and IVth year students on few selected topics by the respected faculty in that subject.

ICFAI FOUNDATION FOR HIGHER EDUCATION HYDERABAD
THE ICFAI FOUNDATION FOR HIGHER EDUCATION
Deemed-to-be-University under Section 3 of the UGC ACT, 1956

The Syndicated Learning Program (SLP 1) has enabled the students to review their language skills and work towards improving it.

Future course of action

It was decided by the Soft Skills teaching group that

- SLP-2 should be introduced in the semester-2 of MBA program and "Chapter wise" tests have to be conducted for improving English.
- Fill in the blanks should be introduced in place of MCQs (Multiple Choice Questions)
- YouTube videos on English, utilization of the app "Grammarly" should be done
- Written assignments should be given to the students and they should be encouraged to find out their respective "FOG INDEX". Fog Index is a test that will focus on the 'Readability' aspect of a text and whether it is easy or difficult to read. The formula for calculating the Fog Index' is
  Average number of words in sentences+ Percentage of words in text with more than three syllables X 0.4. The Fog Index indicates the "number of years of education a reader has to have to understand a particular text. A higher fog index indicates that the text has many complex sentences and difficult to understand or grasp and vice versa.
- Group discussions can also be included to improve their speaking skills without any grammar mistakes.
