

Describe the Student Council activity and student's role in academic & administrative bodies within a maximum of 500 words

Response: Student representation in Academic and Administrative bodies/committees of the institution is presented below –

- 1. Class Representative Committee (CRC):** Each class / section elects their student representatives, those who forms the members of the CRC.

The following are the activities of the Committee:

- Each elected student act as a nucleus member in the CRC chaired by Dean / Director.
- The elected representative of a class shares the informal feedback about feelings of the peer group in the class on the issues related to teaching and learning to the faculty concerned.
- The CRC organizes meetings to provide suggestions, opinions and grievances on various aspects concerning the students which enable the administration to take appropriate decisions also helps the faculty members in distributing / sharing the material online, collection of assignments and so on.

Based on the feedback given by CRC the issues will be discussed in the Board of Studies to take appropriate decision.

- 2. Placement Representative Committee (PRC):**

The Student PRC plays a vital role in smooth functioning placement process like

- Student Representatives are the nucleus members in PRC and they act as catalyst between the Placement Officers and Recruiters and share the informal feedback to the placement officer concerned.
- They also provide feedback to Director, Placements and this enables appropriate decisions.
- PRC helps the Placement department in the hospitality arrangements and also helps the Recruiters by sending the students to panel in a sequential way which ensures the conduct of process smoothly.

- 3. Student Clubs and Committees:**

There are 48 student clubs/bodies in the university which play an important role in organizing various events. Students Clubs explore the talent in both, co-curricular as well as extra-curricular activities, for their overall personality development. Students learn how to work, lead and collaborate in a team. IFHE students come from all the states of India and get to know the culture of various states working with diversified people which enhances their versatility, diversity and team management

Each club acts as an independent entity mentored by the faculty coordinator and each club, members elect their President, Vice-president, Treasurer and other office bearers. Clubs are engaged in conducting conclaves, panel discussions, guest lectures, cultural nights, food fests, sports, visit to orphanages, participating in National and International competitions, Swacch Bharat, International Yoga day, Entrepreneurship-Week, B-Plan Competition, Hackathons, Model United Nations, Sankriya (Operations Fest), Moot Court, LEX-KNOT, Engineers Day and so on. Each event is planned and organized through a committee approach for smooth functioning of its activities. IFHE spends more than a crore rupee in each academic year towards the activities of clubs and bodies.

4. Alumni Relationships Committee (ARC):

Students are actively involved in the ARC. They are a part of the Alumni Meet conducted regularly at the university

5. IFHE Institute Innovation Council (IIC)

Students' across the three faculty are members of the IFHE Innovation Council.
