Report on Talking Heads 2.0

20/6/2017

The mission state of club Newswire is to work in full collaboration and understanding with other clubs henceforth creating a more informed environment for the public leading to a better understanding and greater appreciation for the events conducted by them. We work towards keeping our readers updated with news from all around the world along with events happening around the premises. With our events, conclaves, and panel discussions we bring practical knowledge to our community about corporate lives. This will not only help us to grow but also all the students of the college to open up new roads to the imagination and managerial skills.

ICFAI Business School (IBS)-Hyderabad is a constituent of the ICFAI Foundation for Higher Education (IFHE), a Deemed University as per the UGC Act 1956. IBS-Hyderabad is one of the top business schools in India. BS Hyderabad was among the first B-Schools to be graded by CRISIL with a grade of A** at the national level and A ** at the state level.

IBS, Hyderabad a constituent of the ICFAI Foundation for Higher Education, is one of the top business schools in the country. As a B-school known for excellence in management education, we develop the resources with the right set of knowledge, skills and attitudes to meet the requirements of the corporate world. Our vision is to develop lifelong resources to the industry by integrating Teaching, Research, Institution building, Community development and Knowledge sharing (coined as IBS TRICK). We have a pool of faculty members with a blend of strong academic and industry experience which ensures richness in implementing IBS TRICK. We strongly believe that return on investment (ROI) depends on return on knowledge (ROK). The curricula of IBS is industry-orientated with case pedagogy comparable with the best across the globe, ensuring good return on knowledge. As a result of richness in curricula, case pedagogy, industry recognition and accreditation at both national and international levels, IBS has attracted collaborations with the best foreign business schools.

There are about 30 Student Club for both curricular and extracurricular activities. Students take active part in these clubs. They help students understand the nuances related to managing people, behavior of people, leadership skills and working in teams which is the key to becoming successful managers. Another important activity is our Syndicated Learning Activity (SLA) affairs, general knowledge, domain knowledge, group discussion skills, attitudes and

behavioral aspects. After successful training through SLA, the students get exposure on Mock group discussions, Mock company tests and Mock interviews where industry experts get involved. These activities improve the students' ability to get placed by aligning their Knowledge, Skills and Attitude which are the key requirements of the job market.

Through our Summer Internship Program (SIP), our students get exposure to the dynamics of the professional corporate culture which develops the cognitive skills among our students. Continuous interaction with industry, experts talk and feedback forms the base for upgradation of the curricula which differentiates IBS from other business schools. Corporate Relations Cell, Alumni Network, Management Development Programs and Mentoring have enhanced the skillsets required to achieve placements.

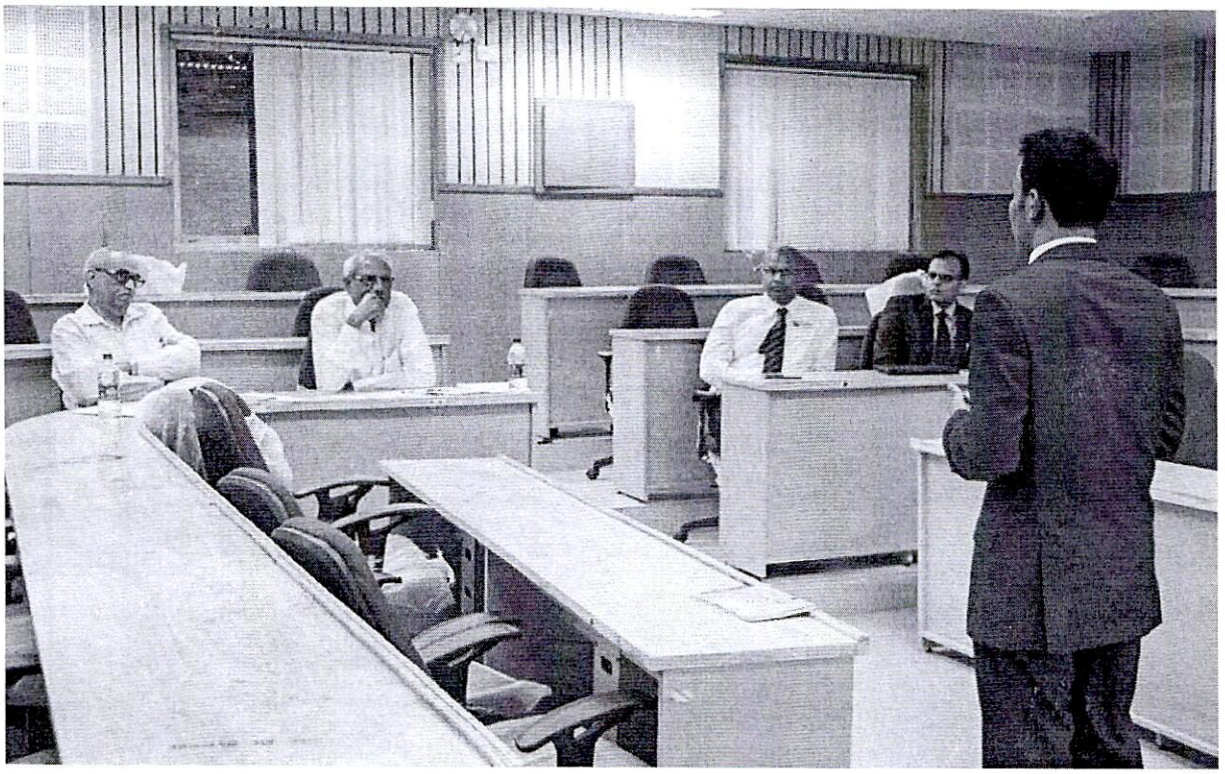

The vision of IBS is to be a leader in management education through industry-focused curriculum, case-Based learning and applied research. The mission of IBS is to offer high-quality management programs that equip students with the right KSA's (KSA stands for knowledge, skill and attitude) required to succeed in a dynamic world. Knowledge: The right knowledge implies relevant, contemporary and cutting edge knowledge obtained through research and practice which empowers students to think and act independently, creatively and ethically. Skills: The right skills enable students to think through complex problems, analyze them critically and find solutions quickly in a changing market environment. Attitude: The right attitude helps students put their thoughts, feelings, behaviors and actions in place while handling tough situations.

IBS-Hyderabad is among the first three B-Schools from South Asia to be SAQS accredited by AMDISA. The South Asia Quality Improvement System (SAQS) has been developed by Association of Management Development Institutes of South Asia (AMDISA) and European Foundation for Management Development (EFMD) as a special project under the Asia Link program funded by the European Union. IFHE has also been accredited by the premier national accreditation agency, NAAC with 'A' grade with a CGPA score of 3.43/4.00.

IBS, Hyderabad is a Business Education Alliance Member of The Association to Advance Collegiate Schools of Business (AACSB), USA. The membership enables the School to enrich course content, strike collaborative agreements, offer visiting scholar opportunities, & streamline academic operations by networking with other members of the AACSB. IBS Hyderabad was among the first B-Schools to be graded by CRISIL with a grade of A** at the

Report on INTERNATIONAL YOGA DAY

(22nd June 2017)

We are passionate about sports. That's what V.A.P.S stands for and we make sure the passion for sports remains in our heart forever.

"V.A.P.S." is the official sports and fitness club of IBS Hyderabad. In 2005 sports lovers came together to lay the foundation of the club with the vision to provide a platform for sports enthusiasts. V.A.P.S. is among those initiatives in IBS whose sole aim is to carry out events as well as learning sports and management at the same time. "Express your sport" is the motto of this club. Its not just about playing games and discussing sports, it's about how much you value the discipline for the thing which you are passionate about.

Since its inception, V.A.P.S. has been achieving new heights, and has gained technical expertise in Sports and fitness. Its achievements include conducting successful tournaments for various sports throughout the year and inculcating the best managerial skills among its members, participants and people associated with it.

Apart from achievements in conducting these tournaments it is always a honour to show our team spirit at AAVEG. It is a national level sports fest for B-schools in India. It was started in 2010 and received a stellar response from colleges like ISB, NICMAR, IMT, IBS Mumbai, IBS Pune etc.

V.A.P.S. has always been focused towards the management activities as well in its leadership. It's contribution includes participation not only by games but also through Marketing, advertising, operations, events, editorials/magazines and financial accounting.

We believe that adherence to its core values is the main contributor towards its success. We believe in an open, transparent culture with no hurdles of formal membership criteria. We are open to all sports lovers who wish to excel in management and sports. All members are encouraged to undergo professional learning. This has helped V.A.P.S. create generations of leaders of the highest quality.

It is rightly said that winners never stop even after giving their best shot. They keep on going with the intention to improve further. This is the essence of every member of Team V.A.P.S.

They give their heart and soul to serve the sports fraternity in the best way possible. "Team V.A.P.S" is the official sports and fitness club of IBS Hyderabad. The club started in the year 2005 when some individuals passionate about sports came together to lay the foundation of a team, working towards developing and promoting sports among the students. Teams V.A.P.S not only promotes sports but it also teaches the skills of managing the team members as well as the participants and others associated with it. "Express your sport" is the motto of this club. It is not about playing games and discussing sports, it's about how much you value the discipline for the things that you are passionate about

Since its inception, Team V.A.P.S has been achieving new heights and has gained technical expertise in Sports and fitness. It has managed to conduct a lot of successful tournaments and keep people more aware about all the sports. Team V.A.P.S has always been focused towards the management activities as well as in its leadership. It works in various verticals, which include marketing, finance, operations, public relations and media, editorial and events.

We believe that adherence to its core values is the main contributor towards our success. We are open to all sports followers who wish to excel in management and sports. All members are encouraged to actively participate in the planning and execution of events, hence creating a professional training environment. This has helped Team V.A.P.S create generations of leaders of the highest quality.

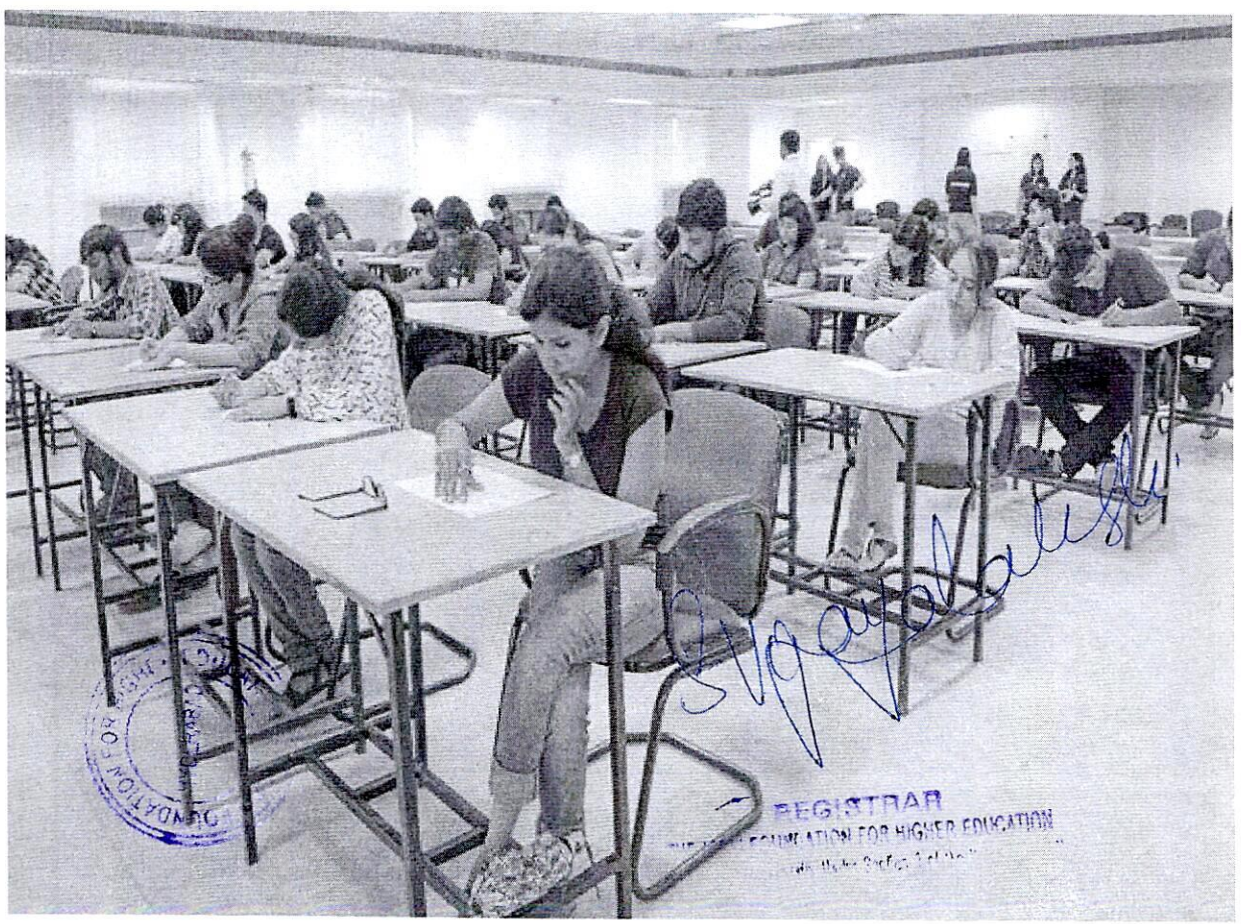

International yoga day was celebrated in IBS on 22nd June, 2017 at 7:00 am in the courtyard. Notable yogis from Bodhi Wellness Centre joined us as instructors to teach the students about various asanas. Our whole motive behind this was to celebrate our roots, to bring in the wellness of yoga and celebrate its benefits and motivate the people of IBS to inculcate fitness in their lives for a better future. Even though 22nd June was a working day around 180 students still participated with a great level of enthusiasm and fervor. The yogis demonstrated various asans for the students which the students followed. After the yoga session was over all the participants were provided with refreshment. It was a learning experience and served the very purpose of inculcating a sense of healthy lifestyle among students.

Yoga is an ancient physical, mental and spiritual practice that originated in India. The word 'yoga' derives from Sanskrit and means to join or to unite, symbolizing the union of body and consciousness. Today it is practiced in various forms around the world and continues to grow in popularity.

Recognizing its universal appeal, on 11 December 2014, the United Nations proclaimed 21 June as the International Day of Yoga by resolution 69/131. The International Day of Yoga aims to raise awareness worldwide of the many benefits of practicing yoga.

The draft resolution establishing the International Day of Yoga was proposed by India and endorsed by a record 175 member states. The proposal was first introduced by Prime Minister Narendra Modi in his address during the opening of the 69th session of the General Assembly, in which he said: "Yoga is an invaluable gift from our ancient tradition. Yoga embodies unity of mind and body, thought and action ... a holistic approach [that] is valuable to our health and our well-being. Yoga is not just about exercise; it is a way to discover the sense of oneness with yourself, the world and the nature."

But yoga is more than a physical activity. In the words of one of its most famous practitioners, the late B. K. S. Iyengar, "Yoga cultivates the ways of maintaining a balanced attitude in day-to-day life and endows skill in the performance of one's actions."

(23rd June 2017)

It was an online release.

FinStreet is the official capital markets club of IBS Hyderabad. It is a dynamic mix of like-minded people with passion to learn. The club endeavors to get wind of the mystery the markets are besieged with. During the course of its functioning the club has hosted guest lectures by many eminent personalities from the field of finance, economics and capital markets. The club also comes out with events like Investor Week, a weeklong event having games. The club is the amalgamation of three verticals namely Vriddhi Research, Events and IBS Times.

The vertical Vriddhi Research holds India's fifth largest Student Managed Investment Fund (SMIF), wielded by the students of IBS Hyderabad. FinStreet believes in mutual resourcefulness, which helps us in becoming cognizant to world we are living in. The vertical also comes out with sector and company specific research reports. Events, the second vertical of FinStreet specializes in management discussions related to the current happenings in the economy. Some of the topics discussed in the recent past were goods and services tax, fall in crude oil prices et al. Apart from conducting management discussions the vertical indulges in the brainstorming to develop financial games. The third vertical namely IBS Times is the publishing arm of the club FinStreet. The vertical comes out with a fortnightly magazine on the current happenings in the economy. The magazine also publishes research reports. The magazine has reached a readership of over 12,000 people.

Since a stable and developed capital market lends stability to the fluctuations in the economy, the club imparts sound knowledge of finance and economy and encourages its members to fundamentally analyze the market and come to a consensus for a stock pick.

Derby Day is a cricket-based event, being the first one with the newly recruited junior members of Team V.A.P.S. It was a fun - filled cricket match between Money Matters Club and Finstreet, conducted on 13th August at 6:30 Pm at IBS Ground. The weather condition couldn't stop around 200 plus audience from turning up and cheering for their team. Juniors of Team V.A.P.S showcased their enthusiasm by actively engaging on the field and off the field arrangements and activities. Team MMC was headed by Nilesh while Team Finstreet was headed by Dhruv Dutta. The match began at 6.50 with Finstreet winning the Toss and electing to bowl first. Team MMC put up a score of 81 runs at the end of 12 overs. Finstreet fought hard to chase the target but managed to score only 60 runs thereby making MMC the champions for the 4th consecutive year. During the innings break, the PR & Media took efforts to engage the crowd with fillers like catch for the match and know your team. The match ended at 9:00 pm with celebrations and photo session with the winners and the participants. The after-event meeting ended with the signing off gesture of Team V.A.P.S.

Cricket, England's national summer sport, which is now played throughout the world, particularly in Australia, India, Pakistan, the West Indies, and the British Isles. Cricket is played with a bat and ball and involves two competing sides (teams) of 11 players. The field is oval with a rectangular area in the middle, known as the pitch, that is 22 yards (20.12 metres) by 10 feet (3.04 metres) wide. Two sets of three sticks, called wickets, are set in the ground at each end of the pitch. Across the top of each wicket lie horizontal pieces called bails. The sides take turns at batting and bowling (pitching); each turn is called an "innings" (always plural). Sides have one or two innings each, depending on the prearranged duration of the match, the object being to score the most runs. The bowlers, delivering the ball with a straight arm, try to break (hit) the wicket with the ball so that the bails fall. This is one of several ways that the batsman is dismissed, or put out. A bowler delivers six balls at one wicket (thus completing an "over"), then a different player from his side bowls six balls to the opposite wicket. The batting side defends its wicket. There are two batsman up at a time, and the batsman being bowled to (the striker) tries to hit the ball away from the wicket. A hit may be defensive or offensive. A defensive hit may protect the wicket but leave the batsmen no time to run to the opposite wicket. In that case the batsmen need not run, and play will resume with another bowl. If the batsman can make an offensive hit, he and the second batsman (the nonstriker) at the other wicket change places.

The mission state of club Newswire is to work in full collaboration and understanding with other clubs henceforth creating a more informed environment for the public leading to a better understanding and greater appreciation for the events conducted by them. We work towards keeping our readers updated with news from all around the world along with events happening around the premises. With our events, conclaves, and panel discussions we bring practical knowledge to our community about corporate lives. This will not only help us to grow but also all the students of the college to open up new roads to the imagination and managerial skills.

ICFAI Business School (IBS)-Hyderabad is a constituent of the ICFAI Foundation for Higher Education (IFHE), a Deemed University as per the UGC Act 1956. IBS-Hyderabad is one of the top business schools in India. BS Hyderabad was among the first B-Schools to be graded by CRISIL with a grade of A** at the national level and A ** at the state level.

IBS, Hyderabad a constituent of the ICFAI Foundation for Higher Education, is one of the top business schools in the country. As a B-school known for excellence in management education, we develop the resources with the right set of knowledge, skills and attitudes to meet the requirements of the corporate world. Our vision is to develop lifelong resources to the industry by integrating Teaching, Research, Institution building, Community development and Knowledge sharing (coined as IBS TRICK). We have a pool of faculty members with a blend of strong academic and industry experience which ensures richness in implementing IBS TRICK. We strongly believe that return on investment (ROI) depends on return on knowledge (ROK). The curricula of IBS is industry-orientated with case pedagogy comparable with the best across the globe, ensuring good return on knowledge. As a result of richness in curricula, case pedagogy, industry recognition and accreditation at both national and international levels, IBS has attracted collaborations with the best foreign business schools.

There are about 30 Student Club for both curricular and extracurricular activities. Students take active part in these clubs. They help students understand the nuances related to managing people, behavior of people, leadership skills and working in teams which is the key to becoming successful managers. Another important activity is our Syndicated Learning Activity (SLA) affairs, general knowledge, domain knowledge, group discussion skills, attitudes and

behavioral aspects. After successful training through SLA, the students get exposure on Mock group discussions, Mock company tests and Mock interviews where industry experts get involved. These activities improve the students' ability to get placed by aligning their Knowledge, Skills and Attitude which are the key requirements of the job market.

Through our Summer Internship Program (SIP), our students get exposure to the dynamics of the professional corporate culture which develops the cognitive skills among our students. Continuous interaction with industry, experts talk and feedback forms the base for upgradation of the curricula which differentiates IBS from other business schools. Corporate Relations Cell, Alumni Network, Management Development Programs and Mentoring have enhanced the skillsets required to achieve placements.

The vision of IBS is to be a leader in management education through industry-focused curriculum, case-Based learning and applied research. The mission of IBS is to offer high-quality management programs that equip students with the right KSA's (KSA stands for knowledge, skill and attitude) required to succeed in a dynamic world. Knowledge: The right knowledge implies relevant, contemporary and cutting edge knowledge obtained through research and practice which empowers students to think and act independently, creatively and ethically. Skills: The right skills enable students to think through complex problems, analyze them critically and find solutions quickly in a changing market environment. Attitude: The right attitude helps students put their thoughts, feelings, behaviors and actions in place while handling tough situations.

IBS-Hyderabad is among the first three B-Schools from South Asia to be SAQS accredited by AMDISA. The South Asia Quality Improvement System (SAQS) has been developed by Association of Management Development Institutes of South Asia (AMDISA) and European Foundation for Management Development (EFMD) as a special project under the Asia Link program funded by the European Union. IFHE has also been accredited by the premier national accreditation agency, NAAC with 'A' grade with a CGPA score of 3.43/4.00.

The three-day, 4 sports events, Racqattack was organised from 25th August to 27th of August. The racquets were talking with the strokes, the audience were talking about positions while the whole College was talking about the event. Starting off with Squash, a total of 28 players registered themselves and after 25 matches played in the evening slot that is 6:15 to 9:15 Played on a 9ft long and 5 feet wide table, the sport of table tennis was played by 38 players individually. Total numbers of matches were 35 and it was played in the morning and evening slots of 6 to 9. The event which covered the maximum number of participants, breathe, aggression and matches was the badminton tournament. With 128 participants and 30 matches being conducted through 3 days and 6-9 slots in the morning and evening and at last the developing sport at IBS Hyderabad, Lawn tennis had 6 matches with 8 players registered.

Badminton is a racquet sport played by either two opposing players (singles) or two opposing pairs (doubles). The players or pairs take positions on opposite halves of a rectangular court that is divided by a net. Unlike many racquet sports, badminton does not use a ball: badminton

Table tennis, also called (trademark) Ping-Pong, ball game similar in principle to lawn tennis and played on a flat table divided into two equal courts by a net fixed across its width at the middle. The object is to hit the ball so that it goes over the net and bounces on the opponent's half of the table in such a way that the opponent cannot reach it or return it correctly. The lightweight hollow ball is propelled back and forth across the net by small rackets (bats, or paddles) held by the players. The game is popular all over the world. In most countries it is very highly organized as a competitive sport, especially in Europe and Asia, particularly in China and Japan.

The club endeavors to get wind of the mystery the markets are besieged with. During the course of its functioning the club has hosted guest lectures by many eminent personalities from the field of finance, economics and capital markets. The club also comes out with events like Investor Week, a weeklong event having games. The club is the amalgamation of three verticals namely Vriddhi Research, Events and IBS Times.

The vertical Vriddhi Research holds India's fifth largest Student Managed Investment Fund (SMIF), wielded by the students of IBS Hyderabad. FinStreet believes in mutual resourcefulness, which helps us in becoming cognizant to world we are living in. The vertical also comes out with sector and company specific research reports. Events, the second vertical of FinStreet specializes in management discussions related to the current happenings in the economy. Some of the topics discussed in the recent past were goods and services tax, fall in crude oil prices et al. Apart from conducting management discussions the vertical indulges in the brainstorming to develop financial games. The third vertical namely IBS Times is the publishing arm of the club FinStreet. The vertical comes out with a fortnightly magazine on the current happenings in the economy. The magazine also publishes research reports. The magazine has reached a readership of over 12,000 people.

Since a stable and developed capital market lends stability to the fluctuations in the economy, the club imparts sound knowledge of finance and economy and encourages its members to fundamentally analyze the market and come to a consensus for a stock pick.

IBS, Hyderabad a constituent of the ICFAI Foundation for Higher Education, is one of the top business schools in the country. As a B-school known for excellence in management education, we develop the resources with the right set of knowledge, skills and attitudes to meet the requirements of the corporate world. Our vision is to develop lifelong resources to the industry by integrating Teaching, Research, Institution building, Community development and Knowledge sharing (coined as IBS TRICK). We have a pool of faculty members with a blend of strong academic and industry experience which ensures richness in implementing IBS TRICK. We strongly believe that return on investment (ROI) depends on return on knowledge (ROK). The curricula of IBS is industry-orientated with case pedagogy comparable with the best across the globe, ensuring good return on knowledge. As a result of richness in curricula, case pedagogy, industry recognition and accreditation at both national and international levels, IBS has attracted collaborations with the best foreign business schools.

There are about 30 Student Club for both curricular and extracurricular activities. Students take active part in these clubs. They help students understand the nuances related to managing people, behavior of people, leadership skills and working in teams, which is the key to becoming successful managers. Another important activity is our Syndicated Learning Activity (SLA) affairs, general knowledge, domain knowledge, group discussion skills, attitudes and behavioral aspects. After successful training through SLA, the students get exposure on Mock group discussions, Mock company tests and Mock interviews where industry experts get involved. These activities improve the students' ability to get placed by aligning their Knowledge, Skills and Attitude which are the key requirements of the job market.

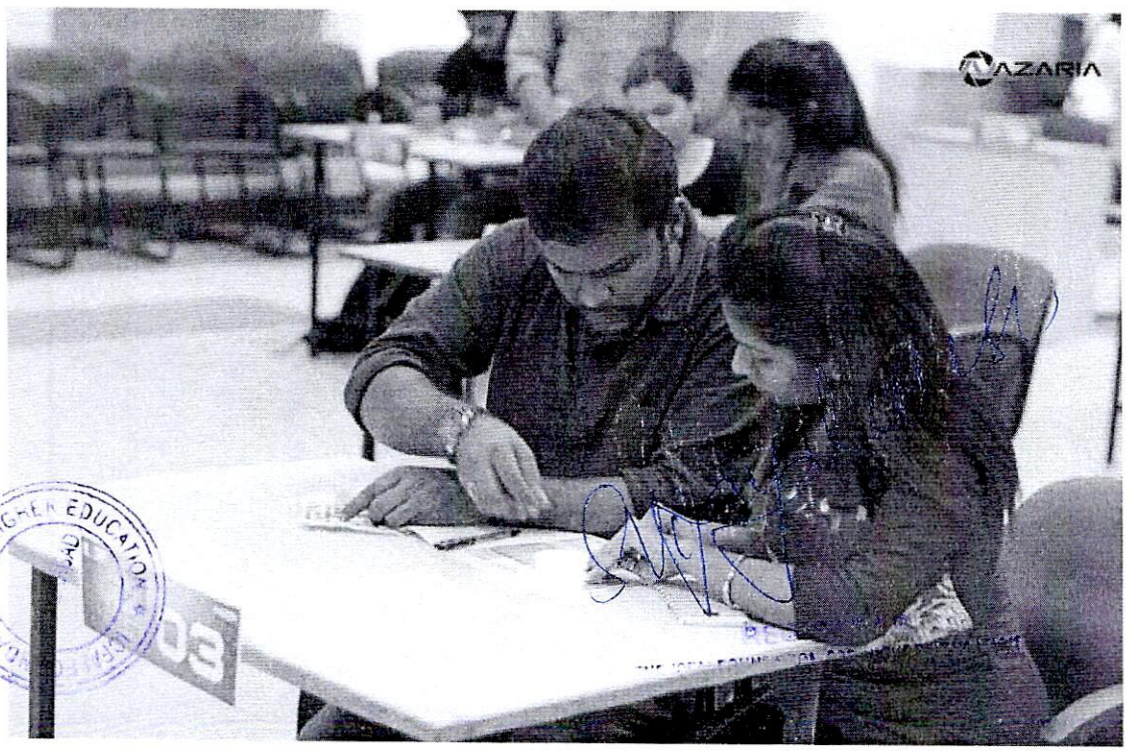

Through our Summer Internship Program (SIP), our students get exposure to the dynamics of the professional corporate culture which develops the cognitive skills among our students. Continuous interaction with industry, experts talk and feedback forms the base for upgradation of the curricula which differentiates IBS from other business schools. Corporate Relations Cell, Alumni Network, Management Development Programs and Mentoring have enhanced the skillsets required to achieve placements.

The vision of IBS is to be a leader in management education through industry-focused curriculum, case-Based learning and applied research. The mission of IBS is to offer high-quality management programs that equip students with the right KSA's (KSA stands for knowledge, skill and attitude) required to succeed in a dynamic world. Knowledge: The right knowledge implies relevant, contemporary and cutting edge knowledge obtained through

research and practice which empowers students to think and act independently, creatively and ethically. Skills: The right skills enable students to think through complex problems, analyze them critically and find solutions quickly in a changing market environment. Attitude: The right attitude helps students put their thoughts, feelings, behaviors and actions in place while handling tough situations.

IBS-Hyderabad is among the first three B-Schools from South Asia to be SAQS accredited by AMDISA. The South Asia Quality Improvement System (SAQS) has been developed by Association of Management Development Institutes of South Asia (AMDISA) and European Foundation for Management Development (EFMD) as a special project under the Asia Link program funded by the European Union.IFHE has also been accredited by the premier national accreditation agency, NAAC with 'A' grade with a CGPA score of 3.43/4.00.

Report on VAPS SUPER LEAGUE AUCTION 4.0

(1st September 2017)

We are passionate about sports. That's what V.A.P.S stands for and we make sure the passion for sports remains in our heart forever.

"V.A.P.S." is the official sports and fitness club of IBS Hyderabad. In 2005 sports lovers came together to lay the foundation of the club with the vision to provide a platform for sports enthusiasts. V.A.P.S. is among those initiatives in IBS whose sole aim is to carry out events as well as learning sports and management at the same time. "Express your sport" is the motto of this club. Its not just about playing games and discussing sports, it's about how much you value the discipline for the thing which you are passionate about.

Since its inception, V.A.P.S. has been achieving new heights, and has gained technical expertise in Sports and fitness. Its achievements include conducting successful tournaments for various sports throughout the year and inculcating the best managerial skills among its members, participants and people associated with it.

Apart from achievements in conducting these tournaments it is always a honour to show our team spirit at AAVEG. It is a national level sports fest for B-schools in India. It was started in 2010 and received a stellar response from colleges like ISB, NICMAR, IMT, IBS Mumbai, IBS Pune etc.

V.A.P.S. has always been focused towards the management activities as well in its leadership. It's contribution includes participation not only by games but also through Marketing, advertising, operations, events, editorials/magazines and financial accounting.

We believe that adherence to its core values is the main contributor towards its success. We believe in an open, transparent culture with no hurdles of formal membership criteria. We are open to all sports lovers who wish to excel in management and sports. All members are encouraged to undergo professional learning. This has helped V.A.P.S. create generations of leaders of the highest quality.

This has helped Team V.A.P.S create generations of leaders of the highest quality.

VSL saw the auctioning of 120 plus students across IBS Hyderabad. With students pouring in from all streams like BBA, Law school and from BTech, students from MBA had their fair share of competition. The auctioning took place on the 1st of September. Eight major clubs of IBS came on board to form strategic teams. These 8 teams stood up for their captains amongst whom, The auction happens in a simulation with virtual money and stating it was dramatic and fun would be an understatement.

An auction is a system of buying and selling goods or services by offering them for bidding—allowing people to bid and selling to the highest bidder. The bidders compete against each other, with each subsequent bid being higher than the previous bid. Once an item is placed for sale, the auctioneer will start at a relatively low price to attract a large number of bidders. The price increases each time someone makes a new, higher bid until finally, no other bidders are willing to offer more than the most recent bid, and the highest bidder takes the item. An auction is considered complete when the vendor accepts the highest bid offered and the buyer pays for

the goods or services and takes possession of them. Although auctions are often considered synonymous with the sale of antiques, rare collectibles, and paintings, they are also used in investment banking. Investment bankers use auctions to attract the highest possible price when selling a company. The process starts by inviting multiple buyers to the auction. More prospective buyers usually translates to competitive bidding that pushes the price higher, enabling the bank to maximize its profit from the sale. In contrast, most buyers prefer proprietary sales over an auction because they can usually exercise more control over the purchase price.

These activities improve the students' ability to get placed by aligning their Knowledge, Skills and Attitude which are the key requirements of the job market.

Through our Summer Internship Program (SIP), our students get exposure to the dynamics of the professional corporate culture which develops the cognitive skills among our students. Continuous interaction with industry, experts talk and feedback forms the base for upgradation of the curricula which differentiates IBS from other business schools. Corporate Relations Cell, Alumni Network, Management Development Programs and Mentoring have enhanced the skillsets required to achieve placements.

The vision of IBS is to be a leader in management education through industry-focused curriculum, case-Based learning and applied research. The mission of IBS is to offer high-quality management programs that equip students with the right KSA's (KSA stands for knowledge, skill and attitude) required to succeed in a dynamic world. Knowledge: The right knowledge implies relevant, contemporary and cutting edge knowledge obtained through

research and practice which empowers students to think and act independently, creatively and ethically. Skills: The right skills enable students to think through complex problems, analyze them critically and find solutions quickly in a changing market environment. Attitude: The right attitude helps students put their thoughts, feelings, behaviors and actions in place while handling tough situations.

Report on VIRTUARENA 4.0

(25th – 26th October 2017)

We are passionate about sports. That's what V.A.P.S stands for and we make sure the passion for sports remains in our heart forever.

"V.A.P.S." is the official sports and fitness club of IBS Hyderabad. In 2005 sports lovers came together to lay the foundation of the club with the vision to provide a platform for sports enthusiasts. V.A.P.S. is among those initiatives in IBS whose sole aim is to carry out events as well as learning sports and management at the same time. "Express your sport" is the motto of this club. Its not just about playing games and discussing sports, it's about how much you value the discipline for the thing which you are passionate about.

Since its inception, V.A.P.S. has been achieving new heights, and has gained technical expertise in Sports and fitness. Its achievements include conducting successful tournaments for various sports throughout the year and inculcating the best managerial skills among its members, participants and people associated with it.

Apart from achievements in conducting these tournaments it is always a honour to show our team spirit at AAVEG. It is a national level sports fest for B-schools in India. It was started in 2010 and received a stellar response from colleges like ISB, NICMAR, IMT, IBS Mumbai, IBS Pune etc.

V.A.P.S. has always been focused towards the management activities as well in its leadership. It's contribution includes participation not only by games but also through Marketing, advertising, operations, events, editorials/magazines and financial accounting.

We believe that adherence to its core values is the main contributor towards its success. We believe in an open, transparent culture with no hurdles of formal membership criteria. We are open to all sports lovers who wish to excel in management and sports. All members are encouraged to undergo professional learning. This has helped V.A.P.S. create generations of leaders of the highest quality.

It is rightly said that winners never stop even after giving their best shot. They keep on going with the intention to improve further. This is the essence of every member of Team V.A.P.S.

They give their heart and soul to serve the sports fraternity in the best way possible. "Team V.A.P.S" is the official sports and fitness club of IBS Hyderabad. The club started in the year 2005 when some individuals passionate about sports came together to lay the foundation of a team, working towards developing and promoting sports among the students. 209 national associations as its members. The organization's official languages are English, French, German and Spanish.

The president of FIFA is currently Gianni Infantino, serving since 26 February 2016.

The most powerful organ of FIFA is the FIFA Congress, which is an assembly made up of representatives from each member association. The Congress holds a regular meeting once a year, and since 1998 an additional meeting has been held every year. Only the Congress can pass changes to FIFA's laws

FIFA was founded in 1904 to oversee international competition among the national associations of Belgium, Denmark, France, Germany, the Netherlands, Spain, Sweden, and Switzerland. Headquartered in Zürich, its membership now comprises 211 national associations. These national associations must each also be members of one of the six regional confederations into which the world is divided: Africa, Asia, Europe, North & Central America and the Caribbean, Oceania, and South America.

The IPL 5.0 officially began with the flex roll down on 1 st of November. With 23 matches played from 2nd November – 15th November, 2017; we had a total of runs scored more than 1550. The teams didn't just play, the clubs didn't just bid for them. They were all together, be it 6 in the morning or evening. There were club who hooted, cheered, made up props and presented to be part of the team by being there all the time.

An auction is a system of buying and selling goods or services by offering them for bidding—allowing people to bid and selling to the highest bidder. The bidders compete against each other, with each subsequent bid being higher than the previous bid. Once an item is placed for sale, the auctioneer will start at a relatively low price to attract a large number of bidders. The price increases each time someone makes a new, higher bid until finally, no other bidders are willing to offer more than the most recent bid, and the highest bidder takes the item. An auction is considered complete when the vendor accepts the highest bid offered and the buyer pays for the goods or services and takes possession of them. Although auctions are often considered

synonymous with the sale of antiques, rare collectibles, and paintings, they are also used in investment banking. Investment bankers use auctions to attract the highest possible price when selling a company. The process starts by inviting multiple buyers to the auction. More prospective buyers usually translates to competitive bidding that pushes the price higher, enabling the bank to maximize its profit from the sale. In contrast, most buyers prefer proprietary sales over an auction because they can usually exercise more control over the purchase price.

India's Step Forward: SSR Policy

Under this programme, researchers who are working on a science project funded by any of the Ministries under the Central government will have to undertake activities to devote at least 10 person-days of SSR per year for exchanging scientific knowledge to society.

The mission state of club Newswire is to work in full collaboration and understanding with other clubs henceforth creating a more informed environment for the public leading to a better understanding and greater appreciation for the events conducted by them. We work towards keeping our readers updated with news from all around the world along with events happening around the premises. With our events, conclaves, and panel discussions we bring practical knowledge to our community about corporate lives. This will not only help us to grow but also all the students of the college to open up new roads to the imagination and managerial skills ICFAI Business School (IBS)-Hyderabad is a constituent of the ICFAI Foundation for Higher Education (IFHE), a Deemed University as per the UGC Act 1956. FinStreet is the official capital markets club of IBS Hyderabad. It is a dynamic mix of like-minded people with passion to learn. The club endeavors to get wind of the mystery the markets are besieged with. During the course of its functioning the club has hosted guest lectures by many eminent personalities from the field of finance, economics and capital markets. The club also comes out with events like Investor Week, a weeklong event having games. The club is the amalgamation of three verticals namely Vriddhi Research, Events and IBS Times.

The vertical Vriddhi Research holds India's fifth largest Student Managed Investment Fund (SMIF), wielded by the students of IBS Hyderabad. FinStreet believes in mutual resourcefulness, which helps us in becoming cognizant to world we are living in. The vertical also comes out with sector and company specific research reports. Events, the second vertical of FinStreet specializes in management discussions related to the current happenings in the economy. Some of the topics discussed in the recent past were goods and services tax, fall in crude oil prices et al. Apart from conducting management discussions the vertical indulges in the brainstorming to develop financial games. The third vertical namely IBS Times is the publishing arm of the club FinStreet. The vertical comes out with a fortnightly magazine on the current happenings in the economy. The magazine also publishes research reports. The magazine has reached a readership of over 12,000 people.

Since a stable and developed capital market lends stability to the fluctuations in the economy, the club imparts sound knowledge of finance and economy and encourages its members to fundamentally analyze the market and come to a consensus for a stock pick.

IBS, Hyderabad a constituent of the ICFAI Foundation for Higher Education, is one of the top business schools in the country. As a B-school known for excellence in management education, we develop the resources with the right set of knowledge, skills and attitudes to meet the requirements of the corporate world. Our vision is to develop lifelong resources to the industry by integrating Teaching, Research, Institution building, Community development and Knowledge sharing (coined as IBS TRICK). We have a pool of faculty members with a blend of strong academic and industry experience which ensures richness in implementing IBS TRICK. We strongly believe that return on investment (ROI) depends on return on knowledge (ROK). The curricula of IBS is industry-orientated with case pedagogy comparable with the best across the globe, ensuring good return on knowledge. As a result of richness in curricula, case pedagogy, industry recognition and accreditation at both national and international levels, IBS has attracted collaborations with the best foreign business schools.

There are about 30 Student Club for both curricular and extracurricular activities. Students take active part in these clubs. They help students understand the nuances related to managing people, behavior of people, leadership skills and working in teams, which is the key to becoming successful managers. Another important activity is our Syndicated Learning Activity (SLA) affairs, general knowledge, domain knowledge, group discussion skills, attitudes and behavioral aspects. After successful training through SLA, the students get exposure on Mock group discussions, Mock company tests and Mock interviews where industry experts get involved. These activities improve the students' ability to get placed by aligning their Knowledge, Skills and Attitude which are the key requirements of the job market.

Through our Summer Internship Program (SIP), our students get exposure to the dynamics of the professional corporate culture which develops the cognitive skills among our students. Continuous interaction with industry, experts talk and feedback forms the base for upgradation of the curricula which differentiates IBS from other business schools. Corporate Relations Cell, Alumni Network, Management Development Programs and Mentoring have enhanced the skillsets required to achieve placements.

The vision of IBS is to be a leader in management education through industry-focused curriculum, case-Based learning and applied research. The mission of IBS is to offer high-quality management programs that equip students with the right KSA's (KSA stands for knowledge, skill and attitude) required to succeed in a dynamic world. Knowledge: The right knowledge implies relevant, contemporary and cutting edge knowledge obtained through

research and practice which empowers students to think and act independently, creatively and ethically. Skills: The right skills enable students to think through complex problems, analyze them critically and find solutions quickly in a changing market environment. Attitude: The right attitude helps students put their thoughts, feelings, behaviors and actions in place while handling tough situations.

Report on AAVEG 8 (EXTERNAL EVENT)

(8th – 10th December 2017)

We are passionate about sports. That's what V.A.P.S stands for and we make sure the passion for sports remains in our heart forever.

"V.A.P.S." is the official sports and fitness club of IBS Hyderabad. In 2005 sports lovers came together to lay the foundation of the club with the vision to provide a platform for sports enthusiasts. V.A.P.S. is among those initiatives in IBS whose sole aim is to carry out events as well as learning sports and management at the same time. "Express your sport" is the motto of this club. Its not just about playing games and discussing sports, it's about how much you value the discipline for the thing which you are passionate about.

Since its inception, V.A.P.S. has been achieving new heights, and has gained technical expertise in Sports and fitness. Its achievements include conducting successful tournaments for various sports throughout the year and inculcating the best managerial skills among its members, participants and people associated with it.

Apart from achievements in conducting these tournaments it is always a honour to show our team spirit at AAVEG. It is a national level sports fest for B-schools in India. It was started in 2010 and received a stellar response from colleges like ISB, NICMAR, IMT, IBS Mumbai, IBS Pune etc.

V.A.P.S. has always been focused towards the management activities as well in its leadership. It's contribution includes participation not only by games but also through Marketing, advertising, operations, events, editorials/magazines and financial accounting.

We believe that adherence to its core values is the main contributor towards its success. We believe in an open, transparent culture with no hurdles of formal membership criteria. We are open to all sports lovers who wish to excel in management and sports. All members are encouraged to undergo professional learning. This has helped V.A.P.S. create generations of leaders of the highest quality.

It is rightly said that winners never stop even after giving their best shot. They keep on going with the intention to improve further. This is the essence of every member of Team V.A.P.S.

They give their heart and soul to serve the sports fraternity in the best way possible. "Team V.A.P.S" is the official sports and fitness club of IBS Hyderabad. The club started in the year 2005 when some individuals passionate about sports came together to lay the foundation of a team, working towards developing and promoting sports among the students. Teams V.A.P.S not only promotes sports but it also teaches the skills of managing the team members as well as the participants and others associated with it. "Express your sport" is the motto of this club. It is not about playing games and discussing sports, it's about how much you value the discipline for the things that you are passionate about

Since its inception, Team V.A.P.S has been achieving new heights and has gained technical expertise in Sports and fitness. It has managed to conduct a lot of successful tournaments and keep people more aware about all the sports. Team V.A.P.S has always been focused towards the management activities as well as in its leadership. It works in various verticals, which include marketing, finance, operations, public relations and media, editorial and events.

We believe that adherence to its core values is the main contributor towards our success. We are open to all sports followers who wish to excel in management and sports. All members are encouraged to actively participate in the planning and execution of events, hence creating a professional training environment. This has helped Team V.A.P.S create generations of leaders of the highest quality.

11 sports, namely lawn tennis , basketball , volleyball , squash , football , table tennis , badminton , throw ball , LAN gaming and swimming are the sports that carry the pride of Aaveg , the national level inter B-school sports fest .Team V.A.P.S is the official sports and fitness club of I.B.S Hyderabad and in order to represent our college for the tournament, every year we conduct trials to choose the best players to give a strong competition and keep the pride with us. AAVEG 8 had its overall winner as IBS HYDERABAD. They dominated the event and won most of the contests. Students from different colleges and cities participated which included IBS Pune, IBS Bangalore, IBS Mumbai, Nicmar Hyderabad, SIBM Hyderabad, Nicmar Pune and many more.

A sports fest is one that that is primarily concerned with bringing out the physical side of the students who are generally into exercising only their brains during other times. It is an opportunity for sports enthusiasts to have their share of fun at college and show their skills and passion towards the sport. Most colleges encourage sports activities which are known to

enhance the concentration capacities and academic performances of the students, besides serving as a healthy mid-studies break activity.

Infrastructure is of paramount importance here. Many colleges, especially in crowded cities like Mumbai lack their own grounds, and hence, it is important to book rental grounds in advance. The same applies even to equipment. Thus, majority of the costs involved relate to rental fees. First aid, paramedics and doctors also have to be kept on standby in case of injuries. A college may have its own in-house referees/umpires or may call in a professional for the same.

Most sporting events are common to all, such as Athletic track-n-field events, Cricket, Football, Rugby, Tug-of-War, Basketball, Volleyball, etc. A few colleges, depending on the infrastructure available, may also include sports such as swimming, polo, water polo, etc.

Encouraging students into science through handholding and nurturing their interest. Creating an opportunity for cooperation and sharing of S&T resources in laboratories with other researchers in universities and colleges. Providing training for skill development and upgrading scientific knowledge.

The mission state of club Newswire is to work in full collaboration and understanding with other clubs henceforth creating a more informed environment for the public leading to a better understanding and greater appreciation for the events conducted by them. We work towards keeping our readers updated with news from all around the world along with events happening around the premises. With our events, conclaves, and panel discussions we bring practical knowledge to our community about corporate lives. This will not only help us to grow but also all the students of the college to open up new roads to the imagination and managerial skills.

(11-12-2017)

Club activity Conducted at IBS Hyderabad. 204th Edition of IBS Times Online release.

FinStreet is the official capital markets club of IBS Hyderabad. It is a dynamic mix of like-minded people with passion to learn. The club endeavors to get wind of the mystery the markets are besieged with. During the course of its functioning the club has hosted guest lectures by many eminent personalities from the field of finance, economics and capital markets. The club also comes out with events like Investor Week, a weeklong event having games. The club is the amalgamation of three verticals namely Vriddhi Research, Events and IBS Times.

The vertical Vriddhi Research holds India's fifth largest Student Managed Investment Fund (SMIF), wielded by the students of IBS Hyderabad. FinStreet believes in mutual resourcefulness, which helps us in becoming cognizant to world we are living in. The vertical also comes out with sector and company specific research reports. Events, the second vertical of FinStreet specializes in management discussions related to the current happenings in the economy. Some of the topics discussed in the recent past were goods and services tax, fall in crude oil prices et al. Apart from conducting management discussions the vertical indulges in the brainstorming to develop financial games. The third vertical namely IBS Times is the publishing arm of the club FinStreet. The vertical comes out with a fortnightly magazine on the current happenings in the economy. The magazine also publishes research reports. The magazine has reached a readership of over 12,000 people.

Since a stable and developed capital market lends stability to the fluctuations in the economy, the club imparts sound knowledge of finance and economy and encourages its members to fundamentally analyze the market and come to a consensus for a stock pick.

IBS, Hyderabad a constituent of the ICFAI Foundation for Higher Education, is one of the top business schools in the country. As a B-school known for excellence in management education, we develop the resources with the right set of knowledge, skills and attitudes to meet the requirements of the corporate world. Our vision is to develop lifelong resources to the industry by integrating Teaching, Research, Institution building, Community development and Knowledge sharing (coined as IBS TRICK). We have a pool of faculty members with a blend of strong academic and industry experience which ensures richness in implementing IBS TRICK. We strongly believe that return on investment (ROI) depends on return on knowledge (ROK). The curricula of IBS is industry-orientated with case pedagogy comparable with the best across the globe, ensuring good return on knowledge. As a result of richness in curricula, case pedagogy, industry recognition and accreditation at both national and international levels, IBS has attracted collaborations with the best foreign business schools.

There are about 30 Student Club for both curricular and extracurricular activities. Students take active part in these clubs. They help students understand the nuances related to managing people, behavior of people, leadership skills and working in teams, which is the key to becoming successful managers. Another important activity is our Syndicated Learning Activity (SLA) affairs, general knowledge, domain knowledge, group discussion skills, attitudes and behavioral aspects. After successful training through SLA, the students get exposure on Mock group discussions, Mock company tests and Mock interviews where industry experts get involved. These activities improve the students' ability to get placed by aligning their Knowledge, Skills and Attitude which are the key requirements of the job market.

Through our Summer Internship Program (SIP), our students get exposure to the dynamics of the professional corporate culture which develops the cognitive skills among our students. Continuous interaction with industry, experts talk and feedback forms the base for upgradation of the curricula which differentiates IBS from other business schools. Corporate Relations Cell, Alumni Network, Management Development Programs and Mentoring have enhanced the skillsets required to achieve placements.

The vision of IBS is to be a leader in management education through industry-focused curriculum, case-Based learning and applied research. The mission of IBS is to offer high-quality management programs that equip students with the right KSA's (KSA stands for knowledge, skill and attitude) required to succeed in a dynamic world. Knowledge: The right knowledge implies relevant, contemporary and cutting edge knowledge obtained through

ICFAI Business School (IBS)-Hyderabad is a constituent of the ICFAI Foundation for Higher Education (IFHE), a Deemed University as per the UGC Act 1956. IBS-Hyderabad is one of the top business schools in India. BS Hyderabad was among the first B-Schools to be graded by CRISIL with a grade of A** at the national level and A ** at the state level.

IBS, Hyderabad a constituent of the ICFAI Foundation for Higher Education, is one of the top business schools in the country. As a B-school known for excellence in management education, we develop the resources with the right set of knowledge, skills and attitudes to meet the requirements of the corporate world. Our vision is to develop lifelong resources to the industry by integrating Teaching, Research, Institution building, Community development and Knowledge sharing (coined as IBS TRICK). We have a pool of faculty members with a blend of strong academic and industry experience which ensures richness in implementing IBS TRICK. We strongly believe that return on investment (ROI) depends on return on knowledge (ROK). The curricula of IBS is industry-orientated with case pedagogy comparable with the best across the globe, ensuring good return on knowledge. As a result of richness in curricula, case pedagogy, industry recognition and accreditation at both national and international levels, IBS has attracted collaborations with the best foreign business schools.

There are about 30 Student Club for both curricular and extracurricular activities. Students take active part in these clubs. They help students understand the nuances related to managing people, behavior of people, leadership skills and working in teams, which is the key to becoming successful managers. Another important activity is our Syndicated Learning Activity (SLA) affairs, general knowledge, domain knowledge, group discussion skills, attitudes and behavioral aspects. After successful training through SLA, the students get exposure on Mock group discussions, Mock company tests and Mock interviews where industry experts get involved. These activities improve the students' ability to get placed by aligning their Knowledge, Skills and Attitude which are the key requirements of the job market.

Through our Summer Internship Program (SIP), our students get exposure to the dynamics of the professional corporate culture which develops the cognitive skills among our students. Continuous interaction with industry, experts talk and feedback forms the base for upgradation

Club activity Conducted at IBS Hyderabad.

FinStreet is the official capital markets club of IBS Hyderabad. It is a dynamic mix of like-minded people with passion to learn. The club endeavors to get wind of the mystery the markets are besieged with. During the course of its functioning the club has hosted guest lectures by many eminent personalities from the field of finance, economics and capital markets. The club also comes out with events like Investor Week, a weeklong event having games. The club is the amalgamation of three verticals namely Vriddhi Research, Events and IBS Times.

The vertical Vriddhi Research holds India's fifth largest Student Managed Investment Fund (SMIF), wielded by the students of IBS Hyderabad. FinStreet believes in mutual resourcefulness, which helps us in becoming cognizant to world we are living in. The vertical also comes out with sector and company specific research reports. Events, the second vertical of FinStreet specializes in management discussions related to the current happenings in the economy. Some of the topics discussed in the recent past were goods and services tax, fall in crude oil prices et al. Apart from conducting management discussions the vertical indulges in the brainstorming to develop financial games. The third vertical namely IBS Times is the publishing arm of the club FinStreet. The vertical comes out with a fortnightly magazine on the current happenings in the economy. The magazine also publishes research reports. The magazine has reached a readership of over 12,000 people.

Since a stable and developed capital market lends stability to the fluctuations in the economy, the club imparts sound knowledge of finance and economy and encourages its members to fundamentally analyze the market and come to a consensus for a stock pick.

Report on IBS OLYMPICS

(9th January 2018)

We are passionate about sports. That's what V.A.P.S stands for and we make sure the passion for sports remains in our heart forever.

"V.A.P.S." is the official sports and fitness club of IBS Hyderabad. In 2005 sports lovers came together to lay the foundation of the club with the vision to provide a platform for sports enthusiasts. V.A.P.S. is among those initiatives in IBS whose sole aim is to carry out events as well as learning sports and management at the same time. "Express your sport" is the motto of this club. Its not just about playing games and discussing sports, it's about how much you value the discipline for the thing which you are passionate about. Since its inception, V.A.P.S. has been achieving new heights, and has gained technical expertise in Sports and fitness. Its achievements include conducting successful tournaments for various sports throughout the year and inculcating the best managerial skills among its members, participants and people associated with it.

Apart from achievements in conducting these tournaments it is always a honour to show our team spirit at AAVEG. It is a national level sports fest for B-schools in India. It was started in 2010 and received a stellar response from colleges like ISB, NICMAR, IMT, IBS Mumbai, IBS Pune etc.

V.A.P.S. has always been focused towards the management activities as well in its leadership. It's contribution includes participation not only by games but also through Marketing, advertising, operations, events, editorials/magazines and financial accounting. We believe that adherence to its core values is the main contributor towards its success. We believe in an open, transparent culture with no hurdles of formal membership criteria. We are open to all sports lovers who wish to excel in management and sports. All members are encouraged to undergo professional learning. This has helped V.A.P.S. create generations of leaders of the highest quality.

It is rightly said that winners never stop even after giving their best shot. They keep on going with the intention to improve further. This is the essence of every member of Team V.A.P.S. They give their heart and soul to serve the sports fraternity in the best way possible. "Team V.A.P.S" is the official sports and fitness club of IBS Hyderabad. The club started in the year

This has helped Team V.A.P.S create generations of leaders of the highest quality.

9 January, this was the day the Olympics recreated on the grounds of IBS Hyderabad. With adrenaline pumping through their veins, the students of IBS participated in IBS Olympics. All were welcome including BTech and MBA students and saw a good footfall of members. The event had three full-fledged races of 100m, 200m, and 400m. The event brought together all the student athletes of the campus to compete in a one-day sprinting extravaganza. This year's IBS Olympics showed true virtues like grit, determination, and passion for athletics. With more and more sports enthusiasts lining up every year, the next version of IBS Olympics is one to be anticipated.

Olympic Games, athletic festival that originated in ancient Greece and was revived in the late 19th century. Before the 1970s the Games were officially limited to competitors with amateur status, but in the 1980s many events were opened to professional athletes. Currently, the Games are open to all, even the top professional athletes in basketball and football (soccer). The ancient Olympic Games included several of the sports that are now part of the Summer Games program, which at times has included events in as many as 32 different sports. In 1924 the

Winter Games were sanctioned for winter sports. The Olympic Games have come to be regarded as the world's foremost sports competition.

The roots of today's Olympic Games date back to the ancient Olympic Games, held 2,800 years ago. Also known as the "Olympiad," the event took place in the Olympia region of ancient Greece. There are various opinions regarding its origins. It is said that the event was an athletic and artistic festival dedicated to the worship of the gods. But the ancient Olympic Games were hindered by numerous conflicts and finally came to an end in 393 AD. Then 1,500 years later in 1892, a French educator named Baron Pierre de Coubertin began the Olympic revival movement. Baron de Coubertin's idea to reinstate the Olympic Games was presented to the audience at the international congress in Paris, 1894, and his proposal was unanimously approved. Two years later the unforgettable first modern Olympic Games were held in Athens, Greece, the homeland of the ancient Olympic Games.

Foot volley is a modified version of volleyball where players cannot use their hands as one does in the usual game of volley ball. This is like a combination of both the football and volleyball where All one has to do is play the game of volleyball but use their legs instead of their hands. This is an innovative version of the game that attracts a lot of players to participate. Teams participated in foot volley, 2018 with great enthusiasm and curiosity. We saw a good amount of participation and surpassing them all was one team to take away the championship of foot volley.

Volleyball, game played by two teams, usually of six players on a side, in which the players use their hands to bat a ball back and forth over a high net, trying to make the ball touch the court within the opponents' playing area before it can be returned. To prevent this a player on the opposing team bats the ball up and toward a teammate before it touches the court surface—that teammate may then volley it back across the net or bat it to a third teammate who volleys it across the net. A team is allowed only three touches of the ball before it must be returned over the net. Volleyball was invented in 1895 by William G. Morgan, physical director of the Young Men's Christian Association (YMCA) in Holyoke, Massachusetts. It was designed as an indoor sport for businessmen who found the new game of basketball too vigorous. Morgan

Teams V.A.P.S not only promotes sports but it also teaches the skills of managing the team members as well as the participants and others associated with it. "Express your sport" is the motto of this club. It is not about playing games and discussing sports, it's about how much you value the discipline for the things that you are passionate about

Since its inception, Team V.A.P.S has been achieving new heights and has gained technical expertise in Sports and fitness. It has managed to conduct a lot of successful tournaments and keep people more aware about all the sports. Team V.A.P.S has always been focused towards the management activities as well as in its leadership. It works in various verticals, which include marketing, finance, operations, public relations and media, editorial and events.

We believe that adherence to its core values is the main contributor towards our success. We are open to all sports followers who wish to excel in management and sports. All members are encouraged to actively participate in the planning and execution of events, hence creating a professional training environment. This has helped Team V.A.P.S create generations of leaders of the highest quality.

Mrinal Anand is an event that cherishes the memories of two of our very own - the alumni and the current batch. Over the years as a means of keeping the cricketer in the entire enthusiast alive, Team V.A.P.S. in association with Alumni Relations Cell organizes the Mrinal Anand tournament. It is a 3-day event where the alumni teams compete with the current teams on the field to judge which crew is the best. This year 16 teams participated in the event and played with the same level of passion as every year. The level of enthusiasm in the crowd was also spectacular. Team Direwolves and team Rangers reached the finals. Both the teams fought hard but in the end team Rangers clinched the trophy for the year 2018.

In cricket, there are two teams, the batting and the nonbatting. Nine members of the nonbatting team are in the field, one is the wicketkeeper, and one is the bowler, for a total of 11 players. The batting team designates the order of the batters, where the first batter is called the striker. A batsman tries to guard the wicket, while the bowler tries to get it.

The batsman tries to keep the bowler from hitting the wicket with the ball, while also attempting to hit the ball hard enough to give him time to run to the other end of the pitch, before any of the nonbatting team picks up the ball and hits the wicket. If the wicket is broken, by a thrown

ball or by the wicketkeeper or bowler, the batsman is dismissed. The striker does not have to run after he hits the ball, and a miss does not count against him. However, if he gets a hit and thinks he can score a run, he runs for the opposite wicket while the second batsman - the nonstriker - runs toward him. If they each reach the opposite wicket before a wicket is broken, a run is scored. Also, if the batsmen theing there is time, they may run back for two or more runs, crossing each time. If they score an even number of runs, the striker is the next to hit the ball. However, if an odd number is scored, the nonstriker will be facing the bowler and thus getting his chance to hit the ball. Any runs scored in this manner go to his personal score for the game.

The mission state of club Newswire is to work in full collaboration and understanding with other clubs henceforth creating a more informed environment for the public leading to a better understanding and greater appreciation for the events conducted by them. We work towards keeping our readers updated with news from all around the world along with events happening around the premises. With our events, conclaves, and panel discussions we bring practical knowledge to our community about corporate lives. This will not only help us to grow but also all the students of the college to open up new roads to the imagination and managerial skills.

ICFAI Business School (IBS)-Hyderabad is a constituent of the ICFAI Foundation for Higher Education (IFHE), a Deemed University as per the UGC Act 1956. IBS-Hyderabad is one of the top business schools in India. BS Hyderabad was among the first B-Schools to be graded by CRISIL with a grade of A** at the national level and A ** at the state level.

IBS, Hyderabad a constituent of the ICFAI Foundation for Higher Education, is one of the top business schools in the country. As a B-school known for excellence in management education, we develop the resources with the right set of knowledge, skills and attitudes to meet the requirements of the corporate world. Our vision is to develop lifelong resources to the industry by integrating Teaching, Research, Institution building, Community development and Knowledge sharing (coined as IBS TRICK). We have a pool of faculty members with a blend of strong academic and industry experience which ensures richness in implementing IBS TRICK. We strongly believe that return on investment (ROI) depends on return on knowledge (ROK). The curricula of IBS is industry-orientated with case pedagogy comparable with the best across the globe, ensuring good return on knowledge. As a result of richness in curricula, case pedagogy, industry recognition and accreditation at both national and international levels, IBS has attracted collaborations with the best foreign business schools.

There are about 30 Student Club for both curricular and extracurricular activities. Students take active part in these clubs. They help students understand the nuances related to managing people, behavior of people, leadership skills and working in teams, which is the key to becoming successful managers. Another important activity is our Syndicated Learning Activity (SLA) affairs, general knowledge, domain knowledge, group discussion skills, attitudes and behavioral aspects. After successful training through SLA, the students get exposure on Mock

group discussions, Mock company tests and Mock interviews where industry experts get involved. These activities improve the students' ability to get placed by aligning their Knowledge, Skills and Attitude which are the key requirements of the job market.

Through our Summer Internship Program (SIP), our students get exposure to the dynamics of the professional corporate culture which develops the cognitive skills among our students. Continuous interaction with industry, experts talk and feedback forms the base for upgradation of the curricula which differentiates IBS from other business schools. Corporate Relations Cell, Alumni Network, Management Development Programs and Mentoring have enhanced the skillsets required to achieve placements.

The vision of IBS is to be a leader in management education through industry-focused curriculum, case-Based learning and applied research. The mission of IBS is to offer high-quality management programs that equip students with the right KSA's (KSA stands for knowledge, skill and attitude) required to succeed in a dynamic world. Knowledge: The right knowledge implies relevant, contemporary and cutting edge knowledge obtained through research and practice which empowers students to think and act independently, creatively and ethically. Skills: The right skills enable students to think through complex problems, analyze them critically and find solutions quickly in a changing market environment. Attitude: The right attitude helps students put their thoughts, feelings, behaviors and actions in place while handling tough situations.

Report on THUNDER BALL

(18/01/2018 to 19/01/2018)

We are passionate about sports. That's what V.A.P.S stands for and we make sure the passion for sports remains in our heart forever.

"V.A.P.S." is the official sports and fitness club of IBS Hyderabad. In 2005 sports lovers came together to lay the foundation of the club with the vision to provide a platform for sports enthusiasts. V.A.P.S. is among those initiatives in IBS whose sole aim is to carry out events as well as learning sports and management at the same time. "Express your sport" is the motto of this club. Its not just about playing games and discussing sports, it's about how much you value the discipline for the thing which you are passionate about. Since its inception, V.A.P.S. has been achieving new heights, and has gained technical expertise in Sports and fitness. Its achievements include conducting successful tournaments for various sports throughout the year and inculcating the best managerial skills among its members, participants and people associated with it.

Apart from achievements in conducting these tournaments it is always a honour to show our team spirit at AAVEG. It is a national level sports fest for B-schools in India. It was started in 2010 and received a stellar response from colleges like ISB, NICMAR, IMT, IBS Mumbai, IBS Pune etc.

V.A.P.S. has always been focused towards the management activities as well in its leadership. It's contribution includes participation not only by games but also through Marketing, advertising, operations, events, editorials/magazines and financial accounting. We believe that adherence to its core values is the main contributor towards its success. We believe in an open, transparent culture with no hurdles of formal membership criteria. We are open to all sports lovers who wish to excel in management and sports. All members are encouraged to undergo professional learning. This has helped V.A.P.S. create generations of leaders of the highest quality.

It is rightly said that winners never stop even after giving their best shot. They keep on going with the intention to improve further. This is the essence of every member of Team V.A.P.S. They give their hundred and one to serve the sports fraternity in the best way possible. "Team V.A.P.S" is the official sports and fitness club of IBS Hyderabad. Thunder ball is an event that comprises of 3 sports namely, Basketball, volleyball, and throw ball. V.A.P.S. organized Thunder ball to instill the spirit of teamwork among all the participants. All the slam dunks and smashes were made a part of this event. Students turned up in huge numbers to cheer for their favored teams. It was a treat to the eyes to watch the participants playing. The evenings were filled with voices of the audience hooting, whistling, and cheering.

Basketball A team of 5+2 players is formed for the game of basketball. Both men and women teams participate and compete for the trophy. A total of 10 teams were formed. On the first day all the teams fought to book a place in the finals and then on the second day the finale was played between the remaining teams. Manish and team didn't lose their focus till the end, thereby clinching the trophy. Volleyball A team of 6+2 players is formed for the game of volleyball.

In volleyball only men's team participated. Multiple teams were formed, who fought hard on both the days to book their place in the finals. Throw ball A team of 6+2 players is formed for the game of throw ball. Only women players participate in the throw ball event. Multiple teams were formed, all of them played with great level of enthusiasm.

Volleyball, game played by two teams, usually of six players on a side, in which the players use their hands to bat a ball back and forth over a high net, trying to make the ball touch the court within the opponents' playing area before it can be returned. To prevent this a player on the opposing team bats the ball up and toward a teammate before it touches the court surface—that teammate may then volley it back across the net or bat it to a third teammate who volleys it across the net. A team is allowed only three touches of the ball before it must be returned over the net. Volleyball was invented in 1895 by William G. Morgan, physical director of the Young Men's Christian Association (YMCA) in Holyoke, Massachusetts. It was designed as an indoor sport for businessmen who found the new game of basketball too vigorous. Morgan called the sport "mintonette," until a professor from Springfield College in Massachusetts noted the volleying nature of play and proposed the name of "volleyball."

21st Aug 2017 It is a clash between the two supergiant clubs of IBS. The on-field rivalry of the two is historical at the IBS ground. It is a cricket match played between the two (boys) clubs. The heated rivalry sledging on field turns out to be friendly battle at the end of the match. Both club members turn out to support their respective clubs.

Cricket, England's national summer sport, which is now played throughout the world, particularly in Australia, India, Pakistan, the West Indies, and the British Isles. Cricket is played with a bat and ball and involves two competing sides (teams) of 11 players. The field is oval with a rectangular area in the middle, known as the pitch, that is 22 yards (20.12 metres) by 10 feet (3.04 metres) wide. Two sets of three sticks, called wickets, are set in the ground at each end of the pitch. Across the top of each wicket lie horizontal pieces called bails. The sides take turns at batting and bowling (pitching); each turn is called an innings (always plural). Sides have one or two innings each, depending on the prearranged duration of the match, the object being to score the most runs. The bowlers, delivering the ball with a straight arm, try to break (hit) the wicket with the ball so that the bails fall. This is one of several ways that the batsman is dismissed, or put out. A bowler delivers six balls at one wicket (thus completing an "over"), then a different player from his side bowls six balls to the opposite wicket. The batting side

FOUNDATION FOR HIGHER EDUCATION HYDERABAD

defends its wicket. There are two batsman up at a time, and the batsman being bowled to (the striker) tries to hit the ball away from the wicket. A hit may be defensive or offensive. A defensive hit may protect the wicket but leave the batsmen no time to run to the opposite wicket. In that case the batsmen need not run, and play will resume with another bowl. If the batsman can make an offensive hit, he and the second batsman (the nonstriker) at the other wicket change places. Each time both batsmen can reach the opposite wicket, one run is scored. Providing they have enough time without being caught out and dismissed, the batsmen may continue to cross back and forth between the wickets, earning an additional run for each time both reach the opposite side. There is an outside boundary around the cricket field. A ball hit to or beyond the boundary scores four points if it hits the ground and then reaches the boundary, six points if it reaches the boundary from the air (a fly ball). The team with the highest number of runs wins a match. Should both teams be unable to complete their number of innings before the time allotted, the match is declared a draw. Scores in the hundreds are common in cricket.

Report on FRESHER'S EVENT: HRMY: by Club Convergence

July 13, 2017

A fun event was conducted by the club during Fresher's 2017 – Juegocon, to help juniors explore the creativity in the job of an HR in an organization. This was focused on team building.

ICFAI Business School (IBS)-Hyderabad is a constituent of the ICFAI Foundation for Higher Education (IFHE), a Deemed University as per the UGC Act 1956. IBS-Hyderabad is one of the top business schools in India. BS Hyderabad was among the first B-Schools to be graded by CRISIL with a grade of A** at the national level and A ** at the state level.

IBS, Hyderabad a constituent of the ICFAI Foundation for Higher Education, is one of the top business schools in the country. As a B-school known for excellence in management education, we develop the resources with the right set of knowledge, skills and attitudes to meet the requirements of the corporate world. Our vision is to develop lifelong resources to the industry by integrating Teaching, Research, Institution building, Community development and Knowledge sharing (coined as IBS TRICK).

We have a pool of faculty members with a blend of strong academic and industry experience which ensures richness in implementing IBS TRICK. We strongly believe that return on investment (ROI) depends on return on knowledge (ROK). The curricula of IBS is industry-orientated with case pedagogy comparable with the best across the globe, ensuring good return on knowledge. As a result of richness in curricula, case pedagogy, industry recognition and accreditation at both national and international levels, IBS has attracted collaborations with the best foreign business schools.

There are about 30 Student Club for both curricular and extracurricular activities. Students take active part in these clubs. They help students understand the nuances related to managing people, behavior of people, leadership skills and working in teams, which is the key to becoming successful managers. Another important activity is our Syndicated Learning Activity (SLA) affairs, general knowledge, domain knowledge, group discussion skills, attitudes and behavioral aspects.

After successful training through SLA, the students get exposure on Mock group discussions, Mock company tests and Mock interviews where industry experts get involved. These activities improve the students' ability to get placed by aligning their Knowledge, Skills and Attitude which are the key requirements of the job market.

Through our Summer Internship Program (SIP), our students get exposure to the dynamics of the professional corporate culture which develops the cognitive skills among our students. Continuous interaction with industry, experts talk and feedback forms the base for upgradation of the curricula which differentiates IBS from other business schools. Corporate Relations Cell, Alumni Network, Management Development Programs and Mentoring have enhanced the skillsets required to achieve placements.

The vision of IBS is to be a leader in management education through industry-focused curriculum, case-Based learning and applied research. The mission of IBS is to offer high-quality management programs that equip students with the right KSA/s (KSA stands for knowledge, skill and attitude) required to succeed in a dynamic world.

arena of management. The mission of XpressionZ Theatre Society is to allow individuals to raise their voices for critical social issues. The play was comical and also mentioned the untold facts about IBS Hyderabad that makes it stand out of its league as one of the premier institutes of Business Schools all over India.

We strongly are against hiding behind a smile and aim to develop a culture where in people in and outside the college campus have a sense of the current social setting and get motivated to contribute their bit towards the change.

XpressionZ Theatre Society is an active society of IBS Hyderabad operating in the field of theatre and management. We have experienced outstanding growth since the very inception, as every year, a greater number of enthusiastic students appear for the recruitment process. This journey of growth begins right from the first day of recruitment, till the very end when we bid our farewell.

We believe in providing unadulterated entertainment, which also has an undertone of learning, in every performance we put up for the audience of IBS Hyderabad and extending our learning and home productions to other colleges to make a mark as a representative of IBS Hyderabad.

XpressionZ Theatre Society's core foundation lies in providing budding theatre enthusiasts a platform to express themselves, to showcase their potential and lend a voice to their thoughts. Our belief is that every character portrayed on the stage can reach out to our audience and connect with them on a sentimental level. It is a special bond that we share with our audience.

This year, other than raising the flag of IBS in 3 other esteemed management colleges by competing in their annual fests and securing a winning position in all the colleges across India, we also stepped into the second year of our flagship event, MALANG 2.0, wherein we experienced an even bigger turnout than the previous year. In the end, we can rightly say, XpressionZ Theatre Society is not just a performing club, it is a family bound by emotions.

Report on AKKAL DHAI CHAAR By Xpressionz Theater Society

Date: August 03, 2017

This was the first production penned down by Juniors and was an introductory play for the new Team

Quoted by the Team to promote: Have you ever thought?
Why have we become so disconnected in this Oh-so-connected world?
Why don't we see the world through our eyes but merely a screen?
Why only smart phones are smart but not we?

XpresssionZ Theatre Society presents a poetic street play "Akal Dhai Chaar" which will bring the social world to a standstill and will tell you that technology starts with us and should not stop us!! Do Bring Your Phones!! This event was conducted 3rd August, 2017. The event was conducted at IBS Hyderabad ABCD & EF with a footfall of 250+ audience.

Report on 90 SECONDS KI RED LIGHT by Xpressionz Theater Society

August 14, 2017

The team performed a street play named 90 seconds ki Red light based on the theme of beggary for the audience of IBS. The play was of 22 minutes and showcased the entire story of children of India who are being pushed daily into the dirty pool of beggary. The play ended on a positive note with solutions that we can adhere to in order to eradicate beggary from the country. The audience enjoyed the performance and applauded heavily.

IBS, Hyderabad a constituent of the ICFAI Foundation for Higher Education, is one of the top business schools in the country. As a B-school known for excellence in management education, we develop the resources with the right set of knowledge, skills and attitudes to meet the requirements of the corporate world. Our vision is to develop lifelong resources to the industry by integrating Teaching, Research, Institution building, Community development and Knowledge sharing (coined as IBS TRICK).

We have a pool of faculty members with a blend of strong academic and industry experience which ensures richness in implementing IBS TRICK. We strongly believe that return on investment (ROI) depends on return on knowledge (ROK). The curricula of IBS is industry-orientated with case pedagogy comparable with the best across the globe, ensuring good return on knowledge. As a result of richness in curricula, case pedagogy, industry recognition and accreditation at both national and international levels, IBS has attracted collaborations with the best foreign business schools.

There are about 30 Student Club for both curricular and extracurricular activities. Students take active part in these clubs. They help students understand the nuances related to managing people, behavior of people, leadership skills and working in teams, which is the key to becoming successful managers.

The vision of IBS is to be a leader in management education through industry-focused curriculum, case-Based learning and applied research. The mission of IBS is to offer high-quality management programs that equip students with the right KSA's (KSA stands for knowledge, skill and attitude) required to succeed in a dynamic world.

Knowledge: The right knowledge implies relevant, contemporary and cutting edge knowledge obtained through research and practice which empowers students to think and act independently, creatively and ethically. Skills: The right skills enable students to think through complex problems, analyze them critically and find solutions quickly in a changing market environment. Attitude: The right attitude helps students put their thoughts, feelings, behaviors and actions in place while handling tough situations.

The Vision of XpressionZ Theatre Society is to emerge as an organization of arts that strives for social awareness and change, merging arts with modern day scenario for excellence in the arena of management. The mission of XpressionZ Theatre Society is to allow individuals to raise their voices for critical social issues. The play was comical and also mentioned the untold

facts about IBS Hyderabad that makes it stand out of its league as one of the premier institutes of Business Schools all over India.

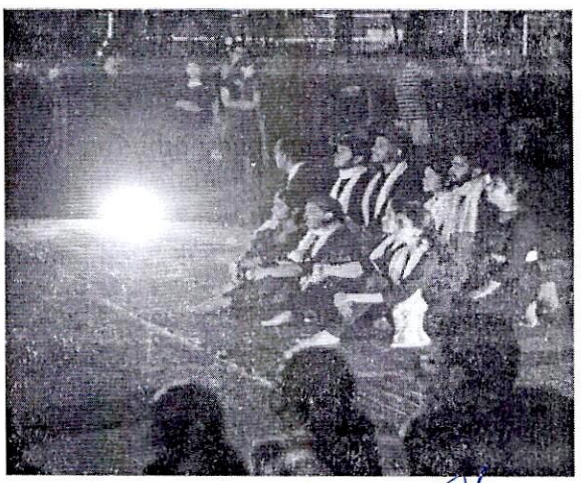

We strongly are against hiding behind a smile and aim to develop a culture where in people in and outside the college campus have a sense of the current social setting and get motivated to contribute their bit towards the change.

XpressionZ Theatre Society is an active society of IBS Hyderabad operating in the field of theatre and management. We have experienced outstanding growth since the very inception, as every year, a greater number of enthusiastic students appear for the recruitment process. This journey of growth begins right from the first day of recruitment, till the very end when we bid our farewell. We believe in providing unadulterated entertainment, which also has an undertone of learning, in every performance we put up for the audience of IBS Hyderabad and extending our learning and home productions to other colleges to make a mark as a representative of IBS Hyderabad.

XpressionZ Theatre Society's core foundation lies in providing budding theatre enthusiasts a platform to express themselves, to showcase their potential and lend a voice to their thoughts. Our belief is that every character portrayed on the stage can reach out to our audience and connect with them on a sentimental level. It is a special bond that we share with our audience.

This year, other than raising the flag of IBS in 3 other esteemed management colleges by competing in their annual fests and securing a winning position in all the colleges across India, we also stepped into the second year of our flagship event, MALANG 2.0, wherein we experienced an even bigger turnout than the previous year. In the end, we can rightly say, XpressionZ Theatre Society is not just a performing club, it is a family bound by emotions.

IBS Reunion Party Night

October 23, 2017

On October 23, 2017, Maverick in association with Maverick alumini organized IBS Reunion Party Night at The Laal Street. The objective of the year in search: google, on a broad side, was to benefit to members, benefit to the IBS and campus community at large.

About IBS: ICFAI business school, prominently known as IBS is one of the top business schools in India. It is a component of ICFAI Foundation for Higher Education (IFHE), a deemed university under the UGC act 1956 which offers a wide range of programs to the students all over the country which include B. Tech, BBA, BBA/LLB, MBA, M. Tech, LLM, Ph.D. full/time and part/time programs as well. IBS has eight other campuses across India and IBS Hyderabad tops the list. As a B/school known for excellence in management education, their vision is to develop lifelong resources to the industry by integrating Teaching, Research, Institution building, Community development and Knowledge sharing. IBS has ample collaborations with many of the best foreign business schools.

IBS, as a whole, has a plethora of clubs which focuses on both curricular and extra/curricular activities. These clubs are maintained by students with faculty mentoring them in the right way. These clubs help students understand various kinds of people and to communicate effectively with them and manage. They also help them improvise their leaderships skills, team work which is the key to became an effective manager.

Another important feature of IBS which differentiates it from other business schools is Case based learning. Students here get to learn concepts through case study methodology which helps them imagine and understand the concept through real time examples. Added there is a programme known as Summer Internship Programme (SIP) in which students will work as interns in corporate companies for about three months. This helps students understand the corporate methodology and how it works. They can have exposure to corporate life and build them accordingly not only in their specific domain but as a whole. Continuous interaction with industry, experts talk and feedback forms the base for upgradation of the curriculum which differentiates IBS from other business schools.

About Maverick: Maverick is the Official Marketing and Strategy club 'Maverick' of IBS, Hyderabad. A team of 91 members, with the aim to enable the fellow students to have a holistic approach towards marketing. The club facilitates in providing a learning experience to our fellow batch-mates, and whenever they do so, they make sure that they enjoy it as much as others do. This they achieve by conducting events of all sorts, from guest lectures by eminent industry personalities, to marketing and strategy-based games on product life cycle, branding and the like. Apart from conducting events, the club engages with industry experts as well as the world class faculty at IBS to deliver lectures and feed the marketing appetite of the budding marketers in college. Maverick is not a culmination of 6 BMCs on a trot or innumerable other trophies sitting idle, Maverick is a family: a family which breathes, sleeps and slays the same.

A square peg in a round hole! That's how the club define itself. The members of the club thrive on thinking out of the box. In the words of a very famous man, Tom Peters- we must 'innovate or die'. That sums up the mantra of the Maverick. Maverick facilitate in providing a learning experience to our fellow batch- mates, and try to bridge the gap between classroom learning and its application in simulated situations.

VISION: To excel in execution of ideas and value addition to the institute and its students through events, external – Internal workshops, Live Projects, Client Servicing, Internships, Placements and Guest Lectures.

MISSION: Bridging the gap between classroom learning and its application in simulated Situations and showing students and society a new dimension of marketing and become a synonym to "out of the box" thinking. Innovate or die is our mantra.

CULTURE: Maverick is always known for its Team Work, more importantly, being a Family. Whatever we do, we make sure, we pour our hearts to achieve the best out of the waste, and in doing so, we stay together and work like ONE to accomplish the unimaginable. We follow the motto of being "One Team, One Goal" which drives us to achieve newer highest every year to grow ourselves from being just students to being the people who can be counted upon to provide the best solutions for any muddle. Some principles that we've instilled within to trod the "Road not Taken". These principles are: Integrity, Accountability, Innovation, Continuous improvement, Enjoying our work

Club Maverick has different operating wings with an objective of providing the team a holistic experience in the field of Marketing and Business Strategy. Predominantly we have 3 subdivision of Maverick which are: Maverick Advancement and Development Entity (M.A.D.E), MAVENS – The research wing of Maverick, Maverick Marketing Solutions (M.M.S).

Maverick is a team of 85 members, with the aim to enable the fellow students to have a holistic approach towards marketing. The club members facilitate in providing a learning experience to their fellow batch-mates, and whenever they do so, they make sure that they enjoy it as much as they do. The right attitude helps students put their thoughts, feelings, behaviors and actions in place while handling tough situations.

IBS-Hyderabad is among the first three B-Schools from South Asia to be SAQS accredited by AMDISA. The South Asia Quality Improvement System (SAQS) has been developed by Association of Management Development Institutes of South Asia (AMDISA) and European Foundation for Management Development (EFMD) as a special project under the Asia Link program funded by the European Union.

IFHE has also been accredited by the premier national accreditation agency, NAAC with 'A' grade with a CGPA score of 3.43/4.00. The World Consulting & Research Corporation (WCRC) has ranked IBS Hyderabad, among Asia's Best Private Educational Institutions for the year 2012-13, as selected by KPMG. The Award was presented on Jan 09, 2014 at New Delhi. The earlier recipients of this award were Indian School of Business, XLRI, INSEAD (Singapore), AIM (Manila) and NUS (Singapore).

Club Convergence focuses upon "Learning for Leadership" and strives to achieve the same through enhancing KSA's in regard to HR industry and implement the leadership programs which would make the students industry ready. It is dedicated to hone the talent to prepare today for a professional tomorrow. It was a successful event as the participants enjoyed and it helped them to brush up their concepts on Human Resource as well.

Vision of Club Convergence is to foster leadership and development program through various techniques of HR and create pool of knowledge in the filed by interacting with varied HR professionals. Mission of Club Convergence is 1) to specialize in the verticals of HR through various activities and 2) to develop the KSA (Knowledge Skills Abilities) and competencies of members by implementing leadership program.

LAL QILA by Xpressionz Theater Society

November 30, 2017

Lal Qila portrayed the dreadful past of India, partition which shook humanity with great unrest and drew lines not just between nations but also between the hearts. Lal Qila depicted the struggles of those who were fighting for independence and those who got strangled between this war of two nations. The part of history which bruised the humanity which even time could not heal.

The audience were glued to their seats from the start of the play and were taken by the immense performance of the actors. The auditorium was packed with the audience and their emotions. With collective efforts of the team, the show was a success. The event was conducted in auditorium on 30th November, 2017 conducted at FST auditorium, IBS Hyderabad.

ICFAI Business School (IBS)-Hyderabad is a constituent of the ICFAI Foundation for Higher Education (IFHE), a Deemed University as per the UGC Act 1956. IBS-Hyderabad is one of the top business schools in India. BS Hyderabad was among the first B-Schools to be graded by CRISIL with a grade of A** at the national level and A ** at the state level.

IBS, Hyderabad a constituent of the ICFAI Foundation for Higher Education, is one of the top business schools in the country. As a B-school known for excellence in management education, we develop the resources with the right set of knowledge, skills and attitudes to meet the requirements of the corporate world. Our vision is to develop lifelong resources to the industry by integrating Teaching, Research, Institution building, Community development and Knowledge sharing (coined as IBS TRICK).

We have a pool of faculty members with a blend of strong academic and industry experience which ensures richness in implementing IBS TRICK. We strongly believe that return on investment (ROI) depends on return on knowledge (ROK). The curricula of IBS is industry-orientated with case pedagogy comparable with the best across the globe, ensuring good return on knowledge. As a result of richness in curricula, case pedagogy, industry recognition and accreditation at both national and international levels, IBS has attracted collaborations with the best foreign business schools.

There are about 30 Student Club for both curricular and extracurricular activities. Students take active part in these clubs. They help students understand the nuances related to managing people, behavior of people, leadership skills and working in teams, which is the key to becoming successful managers.

The vision of IBS is to be a leader in management education through industry-focused curriculum, case-Based learning and applied research. The mission of IBS is to offer high-quality management programs that equip students with the right KSA's (KSA stands for knowledge, skill and attitude) required to succeed in a dynamic world.

Knowledge: The right knowledge implies relevant, contemporary and cutting edge knowledge obtained through research and practice which empowers students to think and act independently, creatively and ethically. Skills: The right skills enable students to think through complex problems, analyze them critically and find solutions quickly in a changing market environment. Attitude: The right attitude helps students put their thoughts, feelings, behaviors and actions in place while handling tough situations.

The Vision of XpressionZ Theatre Society is to emerge as an organization of arts that strives for social awareness and change, merging arts with modern day scenario for excellence in the arena of management. The mission of XpressionZ Theatre Society is to allow individuals to raise their voices for critical social issues. The play was comical and also mentioned the untold facts about IBS Hyderabad that makes it stand out of its league as one of the premier institutes of Business Schools all over India.

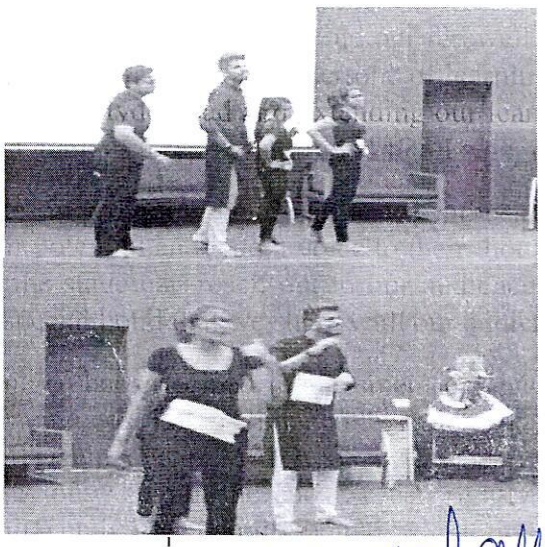

We strongly are against hiding behind a smile and aim to develop a culture where in people in and outside the college campus have a sense of the current social setting and get motivated to contribute their bit towards the change. XpressionZ Theatre Society is an active society of IBS Hyderabad operating in the field of theatre and management.

We have experienced outstanding growth since the very inception, as every year, a greater number of enthusiastic students appear for the recruitment process. This journey of growth begins right from the first day of recruitment, till the very end when we bid our farewell. We believe in providing unadulterated entertainment, which also has an undertone of learning, in every performance we put up for the audience of IBS Hyderabad and extending our learning and home productions to other colleges to make a mark as a representative of IBS Hyderabad.

XpressionZ Theatre Society's core foundation lies in providing budding theatre enthusiasts a platform to express themselves, to showcase their potential and lend a voice to their thoughts. Our belief is that every character portrayed on the stage can reach out to our audience and connect with them on a sentimental level. It is a special bond that we share with our audience.

This year, other than raising the flag of IBS in 3 other esteemed management colleges by competing in their annual fests and securing a winning position in all the colleges across India, we also stepped into the second year of our flagship event, MALANG 2.0, wherein we experienced an even bigger turnout than the previous year. In the end, we can rightly say, XpressionZ Theatre Society is not just a performing club, it is a family bound by emotions.

Report on Holographic Display

December 02, 2017

IBS Hyderabad aims at not only providing classroom education but providing students with necessary skill sets to excel not just in their career but in life in general. Kaizen aims towards sharing this objective of IBS and ensuring that it happens. Kaizen makes sure that every product of IBS which is associated with Kaizen is well equipped in its domain skills and also the life skills which set IBS students apart from the rest. The IBS pedagogy of case-based learning is taken a step further by Kaizen by instilling it with a life of practicality in every bit of classroom learning. It makes Students perfect recipes for the world as flag-bearers of IBS.

Vision: The Vision of Kaizen is to help academics in an effort to extensively bridge the operations skills by capitalizing the knowledge, nurturing practical experiences, and providing resources to those who wish to excel in operations and pursue it.

Mission: The Mission of the Club is to take Operations out of the classroom into the realm of practicality giving exposure to industry bureaucrats, personal grooming and to set those associated with it on the path of continuous improvement.

No growth is complete till it's only exclusive; Kaizen believes in inclusive growth, it creates a sense of responsibility for oneself, for the organization and for the community at large. We aim at not just creating successful management graduates but responsible citizens for the society, each one of them acting as role models for the society and the community which they are a part of. The members are infused with the sense of belongingness towards one another and spread the message of oneness and the universal brotherhood.

Kaizen Crafts is the creative arm of Club Kaizen. It specializes in making online promotional content such as videos, posters, conducting workshops. Kaizen crafts also work for Offline promotions for clients by utilizing the student base within the campus and outside as well by making related promotional strategies and needed goodies (Designed T-shirts, caps, brochures, flyers, badges, etc.).

We designed Brochure, magazines, proposals etc. along with offline content to showcase our creativity and cater to our clients. Along with the internal activities of the club, the members of Kaizen crafts participated in various other events. There was active participation during freshers and members of kaizen crafts handled the online visibility by being a part of the committee.

Operations are the core of every business and play a pivotal role in any business's success. Kaizen helps rational thinking and helps make complex things simple. Apart from regular Classroom learning's, Kaizen club helps members to participate in co-curricular activities, by planning, organizing, managing, marketing the events conducted by the club and exploring their potentials beyond books. Members get a chance to work in diversified teams, thus learning and growing through knowledge sharing & ideas implementations.

Kaizen gives a platform to harness the hidden potentials and brings out the leaders and team players within them. It gives them an opportunity to interact with leaders of the industry and the Bureaucracy. We give our members hands-on experience on operations by industry visits and internal workshops.

The product is a type of display which has some unique attributes for the users. These holographic displays are different other forms of 3D imaging. This particular product utilizes light diffraction to create a virtual three-dimensional image of an object. This perfect differentiating factor for this product is they do not require the aid of any glasses or external equipment. This particular product was made by the team Macon. The event was enjoyed by many students and was a successful one.

Value Added to the Student Community (Learning):

Through this event activity the participants came up with an innovative product out of the concept of hologram that is Holographic Display. Students learnt just with the use of minimal useless products or materials how any useful product can be developed.

Report on REDUX 12.0 Organized By Money Matters Club

December 06, 2017

Redux 12.0 is the flagship event of Money Matters Club. This year marks the 12th year and the members of the club took immense pleasure in organizing this event.

ICFAI Business School (IBS)-Hyderabad is a constituent of the ICFAI Foundation for Higher Education (IFHE), a Deemed University as per the UGC Act 1956. IBS-Hyderabad is one of the top business schools in India. BS Hyderabad was among the first B-Schools to be graded by CRISIL with a grade of A** at the national level and A ** at the state level.

IBS, Hyderabad a constituent of the ICFAI Foundation for Higher Education, is one of the top business schools in the country. As a B-school known for excellence in management education, we develop the resources with the right set of knowledge, skills and attitudes to meet the requirements of the corporate world. Our vision is to develop lifelong resources to the industry by integrating Teaching, Research, Institution building, Community development and Knowledge sharing (coined as IBS TRICK).

We have a pool of faculty members with a blend of strong academic and industry experience which ensures richness in implementing IBS TRICK. We strongly believe that return on investment (ROI) depends on return on knowledge (ROK). The curricula of IBS is industry-orientated with case pedagogy comparable with the best across the globe, ensuring good return on knowledge. As a result of richness in curricula, case pedagogy, industry recognition and accreditation at both national and international levels, IBS has attracted collaborations with the best foreign business schools.

There are about 30 Student Club for both curricular and extracurricular activities. Students take active part in these clubs. They help students understand the nuances related to managing people, behavior of people, leadership skills and working in teams, which is the key to becoming successful managers. Another important activity is the Syndicated Learning Activity (SLA) affairs, general knowledge, domain knowledge, group discussion skills, attitudes and behavioral aspects.

After successful training through SLA, the students get exposure on Mock group discussions, Mock company tests and Mock interviews where industry experts get involved. These activities improve the students' ability to get placed by aligning their Knowledge, Skills and Attitude which are the key requirements of the job market.

The vision of IBS is to be a leader in management education through industry-focused curriculum, case-Based learning and applied research. The mission of IBS is to offer high-quality management programs that equip students with the right KSA's (KSA stands for knowledge, skill and attitude) required to succeed in a dynamic world. Knowledge: The right knowledge implies relevant, contemporary and cutting edge knowledge obtained through research and practice which empowers students to think and act independently, creatively and ethically.

Skills: The right skills enable students to think through complex problems, analyze them critically and find solutions quickly in a changing market environment. Attitude: The right attitude helps students put their thoughts, feelings, behaviors and actions in place while handling tough situations. Students have participated and proved their talent in application

The mission of money matters club (MMC) is to contribute towards collective learning and impart appropriate financial knowledge along with managerial skills to the students. The vision of money matters club (MMC) is to spread the knowledge of our domains i.e., Banking, Accounting, Finance, and Taxation (BAFT) through various activities and events. We conduct Guest Lectures, Group Events, Seminars, and Lecture Classes which help in developing the right attitude towards corporate learning.

Money Matters Club is the Official Finance Club of IBS Hyderabad. It was founded in June 2005 with the objective to impart the students of IBS Hyderabad with deep knowledge and understanding about finance, here you go beyond the realms of finance.

MMC as an organization is immensely filled with hardworking and dedicated members, who aspire to be an achiever in their field. We strongly believe that return on investment (ROI) depends on return on knowledge (ROK). The curricula of IBS is industry-orientated with case pedagogy comparable with the best across the globe, ensuring good return on knowledge.

This year MMC embarked on a journey of Financial Conclave, Management Discussion, Guest Lectures, Events being conducted. MMC conducted many events like "Finquest" and "Chanakya 9.0 – The online finance gaming event", our flagship event "REDUX 15.0" etc.

Apart from this we also conducted guest lectures to give the students a brief idea about topics such as "Navigating Credit Expansion Post COVID-19" and "Roles of an Investment Banker".

Money Matters Club follows up with the current trends of the world and publishes its own "FINANCIAL BULLETIN" in the form of electronic media which has a reach of over 46K plus readers all over the world.

McDonald's Fruit Punch

December 10, 2017

On December 10, 2017, the Maverick club of IBS Hyderabad organized the McDonald's Fruit punch event. It was an educational promotional campaign. It was an online event which was organized by the Week-on-Week Marketing (WOW) to fill the knowledge baskets of IBS students with videos of the most amazing and successful marketing campaigns of various companies

About IBS: ICFAI business school, prominently known as IBS is one of the top business schools in India. It is a component of ICFAI Foundation for Higher Education (IFHE), a deemed university under the UGC act 1956 which offers a wide range of programs to the students all over the country which include B. Tech, BBA, BBA/LLB, MBA, M. Tech, LLM, Ph.D. full/time and part/time programs as well. IBS has eight other campuses across India and IBS Hyderabad tops the list. As a B/school known for excellence in management education, their vision is to develop lifelong resources to the industry by integrating Teaching, Research, Institution building, Community development and Knowledge sharing. IBS has ample collaborations with many of the best foreign business schools.

IBS, as a whole, has a plethora of clubs which focuses on both curricular and extra/curricular activities. These clubs are maintained by students with faculty mentoring them in the right way. These clubs help students understand various kinds of people and to communicate effectively with them and manage. They also help them improvise their leaderships skills, team work which is the key to became an effective manager.

Another important feature of IBS which differentiates it from other business schools is Case based learning. Students here get to learn concepts through case study methodology which helps them imagine and understand the concept through real time examples. Added there is a programme known as Summer Internship Programme (SIP) in which students will work as interns in corporate companies for about three months. This helps students understand the corporate methodology and how it works. They can have exposure to corporate life and build them accordingly not only in their specific domain but as a whole. Continuous interaction with industry, experts talk and feedback forms the base for upgradation of the curriculum which differentiates IBS from other business schools.

About Maverick: Maverick is the Official Marketing and Strategy club 'Maverick' of IBS, Hyderabad. A team of 91 members, with the aim to enable the fellow students to have a holistic approach towards marketing. The club facilitates in providing a learning experience to our fellow batch-mates, and whenever they do so, they make sure that they enjoy it as much as others do. This they achieve by conducting events of all sorts, from guest lectures by eminent industry personalities, to marketing and strategy-based games on product life cycle, branding and the like. Apart from conducting events, the club engages with industry experts as well as the world class faculty at IBS to deliver lectures and feed the marketing appetite of the budding marketers in college. Maverick is not a culmination of 6 BMCs on a trot or innumerable other trophies sitting idle, Maverick is a family: a family which breathes, sleeps and slhys the same.

A square peg in a round hole! That's how the club define itself. The members of the club thrive on thinking out of the box. In the words of a very famous man, Tom Peters- we must 'Innovate or die'. That sums up the mantra of the Maverick. Maverick facilitate in providing a learning

experience to our fellow batch- mates, and try to bridge the gap between classroom learning and its application in simulated situations.

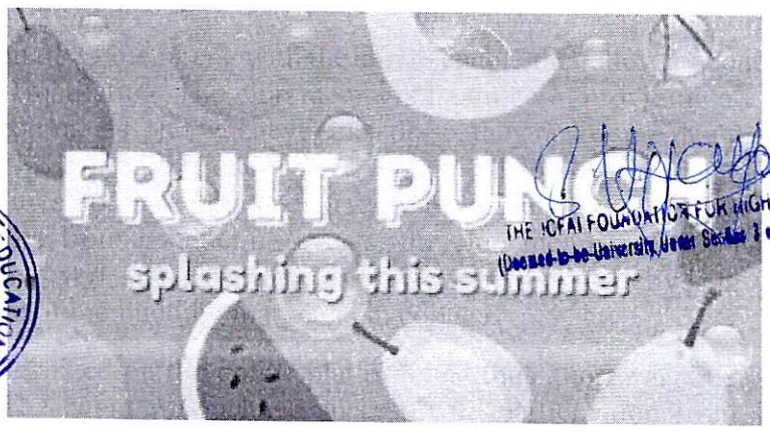

VISION: To excel in execution of ideas and value addition to the institute and its students through events, external – Internal workshops, Live Projects, Client Servicing, Internships, Placements and Guest Lectures. MISSION: Bridging the gap between classroom learning and its application in simulated Situations and showing students and society a new dimension of marketing and become a synonym to "out of the box" thinking. Innovate or die is our mantra.

CULTURE: Maverick is always known for its Team Work, more importantly, being a Family. Whatever we do, we make sure, we pour our hearts to achieve the best out of the waste, and in doing so, we stay together and work like ONE to accomplish the unimaginable. We follow the motto of being "One Team, One Goal" which drives us to achieve newer highest every year to grow ourselves from being just students to being the people who can be counted upon to provide the best solutions for any muddle. Some principles that we've instilled within to trod the "Road not Taken". These principles are: Integrity, Accountability, Innovation, Continuous improvement, Enjoying our work

Club Maverick has different operating wings with an objective of providing the team a holistic experience in the field of Marketing and Business Strategy. Predominantly we have 3 subdivision of Maverick which are: Maverick Advancement and Development Entity (M.A.D.E), MAVENS – The research wing of Maverick, Maverick Marketing Solutions (M.M.S).

Maverick is a team of 85 members, with the aim to enable the fellow students to have a holistic approach towards marketing. The club members facilitate in providing a learning experience to their fellow batch-mates, and whenever they do so, they make sure that they enjoy it as much as they do. This is achieved by conducting events of all sorts, from guest lectures by eminent industry personalities, to marketing and strategy-based games on product life cycle, branding and the like. Apart from conducting events, the club members of Maverick engage with industry experts as well as the world class faculty at IBS to deliver lectures and feed the marketing appetite of the budding marketers in college.

The event was organized on the online platform and thus, there was huge participation from many students. The event was a huge success with participation from students of all the specialization areas of the post-graduation program. Report on Dead Shot

December 13, 2017

IBS Hyderabad aims at not only providing classroom education but providing students with necessary skill sets to excel not just in their career but in life in general. Kaizen aims towards sharing this objective of IBS and ensuring that it happens. Kaizen makes sure that every product of IBS which is associated with Kaizen is well equipped in its domain skills and also the life skills which set IBS students apart from the rest. The IBS pedagogy of case-based learning is taken a step further by Kaizen by instilling it with a life of practicality in every bit of classroom learning. It makes Students perfect recipes for the world as flag-bearers of IBS.

Vision: The Vision of Kaizen is to help academics in an effort to extensively bridge the operations skills by capitalizing the knowledge, nurturing practical experiences, and providing resources to those who wish to excel in operations and pursue it.

Mission: The Mission of the Club is to take Operations out of the classroom into the realm of practicality giving exposure to industry bureaucrats, personal grooming and to set those associated with it on the path of continuous improvement.

No growth is complete till it's only exclusive; Kaizen believes in inclusive growth, it creates a sense of responsibility for oneself, for the organization and for the community at large. We aim at not just creating successful management graduates but responsible citizens for the society, each one of them acting as role models for the society and the community which they are a part of. The members are infused with the sense of belongingness towards one another and spread the message of oneness and the universal brotherhood.

Kaizen Crafts is the creative arm of Club Kaizen. It specializes in making online promotional content such as videos, posters, conducting workshops. Kaizen crafts also work for Offline promotions for clients by utilizing the student base within the campus and outside as well by making related promotional strategies and needed goodies (Designed T-shirts, caps, brochures, flyers, badges, etc.).

We designed Brochure, magazines, proposals etc. along with offline content to showcase our creativity and cater to our clients. Along with the internal activities of the club, the members of Kaizen crafts participated in various other events. There was active participation during freshers and members of kaizen crafts handled the online visibility by being a part of the committee.

Operations are the core of every business and play a pivotal role in any business's success. Kaizen helps rational thinking and helps make complex things simple. Apart from regular Classroom learning's, Kaizen club helps members to participate in co-curricular activities, by planning, organizing, managing, marketing the events conducted by the club and exploring their potentials beyond books. Members get a chance to work in diversified teams, thus learning and growing through knowledge sharing & ideas implementations.

Kaizen gives a platform to harness the hidden potentials and brings out the leaders and team players within them. It gives them an opportunity to interact with leaders of the industry and the Bureaucracy. We give our members hands-on experience on operations by industry visits and internal workshops.

As the name suggest the team had make a meaningful word which was an operations concept. The game was played on a laptop. A hint was given to the team and using the hint the team had to find the pattern and decode the word. The students were given one minute and had to decode the maximum number of words. This game was organized in the flagship event of Club Kaizen BLACKOPS.

Value Added to the Student Community (Learning):

The students learned the concept of decoding; in operations a lot of software's are used. The operator punches the code into the software the software decodes it and executes the same. Hence the code imputed should be correct in order for the software to decode it properly.

CINE HR: by Club Convergence

December 20, 2017

This is the 8th year we are running this event with Minute to win games based on Cinema Theme. This combines both Cinema and HR, where stalls are set up to engage IBS Community to have fun and play games to lighten up their day.

ICFAI Business School (IBS)-Hyderabad is a constituent of the ICFAI Foundation for Higher Education (IFHE), a Deemed University as per the UGC Act 1956. IBS-Hyderabad is one of the top business schools in India. BS Hyderabad was among the first B-Schools to be graded by CRISIL with a grade of A** at the national level and A ** at the state level.

IBS, Hyderabad a constituent of the ICFAI Foundation for Higher Education, is one of the top business schools in the country. As a B-school known for excellence in management education, we develop the resources with the right set of knowledge, skills and attitudes to meet the requirements of the corporate world. Our vision is to develop lifelong resources to the industry by integrating Teaching, Research, Institution building, Community development and Knowledge sharing (coined as IBS TRICK). We strongly believe that return on investment (ROI) depends on return on knowledge (ROK). The curricula of IBS is industry-orientated with case pedagogy comparable with the best across the globe, ensuring good return on knowledge. As a result of richness in curricula, case pedagogy, industry recognition and accreditation at both national and international levels, IBS has attracted collaborations with the best foreign business schools.

There are about 30 Student Club for both curricular and extracurricular activities. Students take active part in these clubs. They help students understand the nuances related to managing people, behavior of people, leadership skills and working in teams, which is the key to becoming successful managers. Another important activity is our Syndicated Learning Activity (SLA) affairs, general knowledge, domain knowledge, group discussion skills, attitudes and behavioral aspects. After successful training through SLA, the students get exposure on Mock group discussions, Mock company tests and Mock interviews where industry experts get involved. These activities improve the students' ability to get placed by aligning their Knowledge, Skills and Attitude which are the key requirements of the job market.

Through our Summer Internship Program (SIP), our students get exposure to the dynamics of the professional corporate culture which develops the cognitive skills among our students. Continuous interaction with industry, experts talk and feedback forms the base for upgradation of the curricula which differentiates IBS from other business schools. Corporate Relations Cell, Alumni Network, Management Development Programs and Mentoring have enhanced the skillsets required to achieve placements.

The vision of IBS is to be a leader in management education through industry-focused curriculum, case-Based learning and applied research. The mission of IBS is to offer high-quality management programs that equip students with the right KSA's (KSA stands for knowledge, skill and attitude) required to succeed in a dynamic world. Knowledge: The right knowledge implies relevant, contemporary and cutting edge knowledge obtained through research and practice which empowers students to think and act independently, creatively and ethically. Skills: The right skills enable students to think through complex problems,

analyze them critically and find solutions quickly in a changing market environment. Attitude: The right attitude helps students put their thoughts, feelings, behaviors and actions in place while handling tough situations.

IBS-Hyderabad is among the first three B-Schools from South Asia to be SAQS accredited by AMDISA. The South Asia Quality Improvement System (SAQS) has been developed by Association of Management Development Institutes of South Asia (AMDISA) and European Foundation for Management Development (EFMD) as a special project under the Asia Link program funded by the European Union.

IFHE has also been accredited by the premier national accreditation agency, NAAC with 'A' grade with a CGPA score of 3.43/4.00. The World Consulting & Research Corporation (WCRC) has ranked IBS Hyderabad, among Asia's Best Private Educational Institutions for the year 2012-13, as selected by KPMG. The Award was presented on Jan 09, 2014 at New Delhi. The earlier recipients of this award were Indian School of Business, XLRI, INSEAD (Singapore), AIM (Manila) and NUS (Singapore).

Club Convergence focuses upon "Learning for Leadership" and strives to achieve the same through enhancing KSA's in regard to HR industry and implement the leadership programs which would make the students industry ready. It is dedicated to hone the talent to prepare today for a professional tomorrow. It was a successful event as the participants enjoyed and it helped them to brush up their concepts on Human Resource as well.

Vision of Club Convergence is to foster leadership and development program through various techniques of HR and create pool of knowledge in the filed by interacting with varied HR professionals. Mission of Club Convergence is 1) to specialize in the verticals of HR through various activities and 2) to develop the KSA (Knowledge Skills Abilities) and competencies of members by implementing leadership program.

The mission of infinity studios is to develop a team which possess both leadership and team player qualities and to help them learn specialized skills relating to various aspects which they can include in their professional lives and have a better set of time management skills. The vision of the club is to emerge as a club known for sheer professionalism, which focuses on holistically improving its members and providing the best entertainment to all.
Infinity club believes in the vision of the college and aims to contribute in every possible way to the college by organizing events and all other activities strictly sticking to our domain. By which individuals will always be given a platform where the experience in the club would always strive to give them that extra edge when it comes professionalism which becomes very important when our college's vision is concerned.

The mission of the club is quite simple, it will always provide the individual with an infrastructure of a proper simulation of corporate, always abiding by the norms of the academic, and achieving great standards when it comes to the various aspects such as public relations, financing and all other needed requirements to put up a good activity, thereby reflecting the high standards that one achieves when one shows sheer professionalism and abide by the norms set by the administration.

The selection of posts in the club was decided by the senior team of club. Club members who worked smartly and showed the leadership and hardworking nature bagged different positions in a club. Domain based post like Online/Offline Creative, Public Relation, Editorial POCs etc was decided by their work whole year which was observed by the senior team. Rest club members who helped the club in different events with their active participation bagged the Executives associates post in club.

The domain as we speak of it is entertaining people's lives by all means possible. The charm of entertainment is kept fresh and alive by hosting DJ nights for the students and classy movie screenings showing the best of movies from the entertainment era we live in. Bridging the gap between IBS and the Entertainment world, we have been breaking the usual monotony of our future managers time and again by unleashing our creativity to add colours and liveliness to the IBS life. Be it our weekly song playlists, keeping abreast with the latest movie reviews, our popular Club events like Gliteratti and Bioscope, entertainment has no ends with us.

Infinity Studios also deals in activities such as client servicing, event management, match screenings etc. We are looking forward to host events such as Roast and Bioscope which is a movie making contest in which entries are received from students within IBS and other colleges also and the movies are judged by eminent personalities of the Film Fraternity here at Hyderabad. We keep pushing the boundaries of entertaining people as much as we can and as long as we can because with us, we believe in entertaining people up to Infinity! Integrating Entertainment with Management is not just our motto or a tagline, it's the way of life at Infinity Studios!

To achieve the Mission, infinity studios is pursuing the following objectives:

- Provide internal sessions on public relations, videography, financing and event designing.
- Simulating the work culture of corporate which will help in making them sheer professionals.
- Create a better intra-club infrastructure which will always abide by the norms of the academics and will add to the professional communication, and thereby help in giving the individuals proper grooming for time management.
- Recruit, develop and retain competent members of the club.

Report on the Infinity Playlist

Date: 20/6//2017

A playlist is a list of video or audio files that can be played back on a media player either sequentially or in a shuffled order. In its most general form, an audio playlist is simply a list of songs, but sometimes a loop. It's a word that started out in radio stations – the 'playlist' was all the tracks that were to be played that day on the show.

The mission of infinity studios is to develop a team which possess both leadership and team player qualities and to help them learn specialized skills relating to various aspects which they can include in their professional lives and have a better set of time management skills. Movie Screening - Zindagi Na Milegi Dobara
Date: 30/6/2017

Zindagi Na Milegi Dobara remains true to its narrative and is as much unadulterated as the fun the three boys have, indulging in untried adventure sports. Kabir (Abhay Deol) is engaged to Natasha (Kalki Koechlin) and wants to go on a bachelor trip with his two childhood friends before getting married. The mission of infinity studios is to develop a team which possess both leadership and team player qualities and to help them learn specialized skills relating to various aspects which they can include in their professional lives and have a better set of time management skills. The vision of the club is to emerge as a club known for sheer professionalism, which focuses on holistically improving its members and providing the best entertainment to all.

Infinity club believes in the vision of the college and aims to contribute in every possible way to the college by organizing events and all other activities strictly sticking to our domain. By which individuals will always be given a platform where the experience in the club would always strive to give them that extra edge when it comes professionalism which becomes very important when our college's vision is concerned.

The mission of the club is quite simple, it will always provide the individual with an infrastructure of a proper simulation of corporate, always abiding by the norms of the academic, and achieving great standards when it comes to the various aspects such as public relations, financing and all other needed requirements to put up a good activity, thereby reflecting the high standards that one achieves when one shows sheer professionalism and abide by the norms set by the administration.

The selection of posts in the club was decided by the senior team of club. Club members who worked smartly and showed the leadership and hardworking nature bagged different positions in a club. Domain based post like Online/Offline Creative, Public Relation, Editorial POCs etc was decided by their work whole year which was observed by the senior team. Rest club members who helped the club in different events with their active participation bagged the Executives associates post in club.

The domain as we speak of it is entertaining people's lives by all means possible. The charm of entertainment is kept fresh and alive by hosting DJ nights for the students and classy movie screenings showing the best of movies from the entertainment era we live in. Bridging the gap between IBS and the Entertainment world, we have been breaking the usual monotony of our future managers time and again by unleashing our creativity to add colours and liveliness to the IBS life. Be it our weekly song playlists, keeping abreast with the latest movie reviews, our popular Club events like Gliteratti and Bioscope, entertainment has no ends with us.

Infinity Studios also deals in activities such as client servicing, event management, match screenings etc. We are looking forward to host events such as Roast and Bioscope which is a movie making contest in which entries are received from students within IBS and other colleges also and the movies are judged by eminent personalities of the Film Fraternity here at Hyderabad. We keep pushing the boundaries of entertaining people as much as we can and as long as we can because with us, we believe in entertaining people up to Infinity! Integrating Entertainment with Management is not just our motto or a tagline, it's the way of life at Infinity Studios!

To achieve the Mission, infinity studios is pursuing the following objectives:

- Provide internal sessions on public relations, videography, financing and event designing.
- Simulating the work culture of corporate which will help in making them sheer professionals.

Report on CONFAB

(27th June 2017 – 1st July 2017)

The ICFAI Foundation for Higher Education (IFHE), a registered Trust, was established by the Institute of Chartered Financial Analysts of India (ICFAI), Hyderabad, a not-for-profit educational society registered in 1984 under the Andhra Pradesh (Telangana Area) Public Societies Registration Act, 1350F (Act 1 of 1350F), with the main objective of imparting high quality education. IFHE was declared as a Deemed-to-be-University under Section 3 of the UGC Act, 1956, in December 2008, with IBS Hyderabad as it's constituent.

During the year 2010-11, the UGC, vide its Notification No. F.6-42/2005(CPP-I) dated May 26, 2010, granted approval for the starting of the Faculty of Science & Technology and the Faculty of Law in the University's campus. In its eighth full year of operations, the University has been growing from strength to strength by virtue of the dedicated efforts of the faculty, support staff and students to achieve innovation and excellence.

IFHE is a professionally managed Deemed-to-be-University. All the statutory bodies are independent and are not subject to any interference from the sponsor or their relatives. They meet regularly to review the operations of the University. Issues pertaining to institutional development, long-term strategies, programs to be developed, human resources, staff recruitment, training and development and financial matters are discussed at these meetings. Appropriate decisions are taken and guidelines given for their implementation with the objective of achieving academic excellence. The organogram of the University is presented here.

Co-curricular and extra-curricular activities are very much part of the day to day life at IFHE campus. With a large batch on the campus, the student community saw many activities during this year. In spite of their hectic academic schedule, students of the Faculty of Management are active outside the classrooms. Most of these activities are steered by the students under the guidance of a faculty member. Events across all areas of management as well as those related to sports, socio-cultural events and the arts are organized throughout the year.

At IBS Hyderabad, there are clubs / cells / committees in almost every functional area of management. Students with a focus on marketing and strategy have at least two clubs that may interest them. While ***ADmire*** is a club for students interested in advertising and branding, ***Maverick*** is more focused on selling and strategizing. Students who are interested in the Finance domain also have a choice of clubs to be part of. ***Money Matters*** is a club with its focus on money and banking, while ***FinStreet*** is a club focused on the financial markets. ***EcoBiz*** is a club which focuses on public policy, the economy and the business environment. Students who are interested in HR have a club called ***Convergence***, while ***Kaizen*** is a club which caters to the

ICFAI FOUNDATION FOR HIGHER EDUCATION HYDERABAD

THE ICFAI FOUNDATION FOR HIGHER EDUCATION
(Deemed-to-be-University Under Section 3 of the UGC ACT,1956)

interests of the students in the Operations area. The ***DOT*** club organizes events and activities related to technology in general and IT in particular.

There are several clubs whose activities go beyond the functional areas of business. ***Speak-Up*** is a club that organizes debates and public speaking competitions. ***Aaina*** is a club which encourages students to reflect on issues while using their talents in creative writing and art. ***Gray Matters*** is the official Quiz club of IBS Hyderabad. ***Xpressionz*** is the name of the official theater society of IBS Hyderabad. ***Nazaria*** is the popular photography club of the institution.

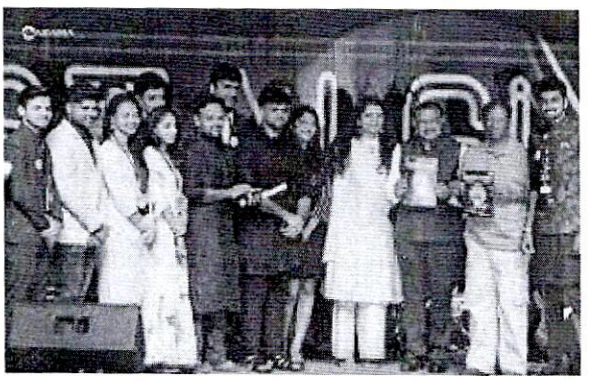

Infinity Studios is a student club with a focus on movie appreciation and making. ***Samavesh***, the official cultural club of IBS Hyderabad, is one of the most active student bodies. It takes the lead in celebrating all festivals and national days and it truly celebrates the multi-cultural spirit of the campus. The students also have a popular rock-band, ***Diatribe***.

There are three clubs in the arena of adventure and sports. ***VAPS*** is dedicated to the promotion of all sports and games. ***IBS Blues*** focuses on swimming and water sports, and ***Prakriti*** organizes nature-based events like trekking, bird watching, rock climbing and rappelling.

The ***Prayaas*** Club plays the interesting role of coordinating the participation of IBS Hyderabad students in various external events and fests across the country. ***Newswire*** focuses on the news media and plays the dual role of keeping the campus informed about important events outside, especially in the field of business and finance, as well as keeping the outside world informed of the happenings in IBS Hyderabad.

IBS Hyderabad students, both post-graduate and undergraduate, have also been active in the field of charity and social action. Blood-donation camps, free dental check-ups and other such activities have been organized in the last one year. ***Sankalp*** is a club that promotes social and business leadership and works toward nation building.

Alumni Relations Cell functions to bridge the gap between our Alumni and students. **Confab** is an opportunity for the fresh batch to connect with the alumni and ask questions regarding subjects, placements and internships. The doubts and queries presented by the first year students to the members of Alumni Relations Cell are answered by the alumni who have practical knowledge regarding the same. The event gave a glimpse of the corporate world to the students. The students are connected to alumni online and offer suggestions.

Report on the Infinity Playlist

Date: 4/7//2017

A playlist is a list of video or audio files that can be played back on a media player either sequentially or in a shuffled order. In its most general form, an audio playlist is simply a list of songs, but sometimes a loop. It's a word that started out in radio stations – the 'playlist' was all the tracks that were to be played that day on the show.

The mission of infinity studios is to develop a team which possess both leadership and team player qualities and to help them learn specialized skills relating to various aspects which they can include in their professional lives and have a better set of time management skills. The vision of the club is to emerge as a club known for sheer professionalism, which focuses on holistically improving its members and providing the best entertainment to all.

The selection of posts in the club was decided by the senior team of club. Club members who worked smartly and showed the leadership and hardworking nature bagged different positions in a club. Domain based post like Online/Offline Creative, Public Relation, Editorial POCs etc was decided by their work whole year which was observed by the senior team. Rest club members who helped the club in different events with their active participation bagged the Executives associates post in club.

The domain as we speak of it is entertaining people's lives by all means possible. The charm of entertainment is kept fresh and alive by hosting DJ nights for the students and classy movie screenings showing the best of movies from the entertainment era we live in. Bridging the gap between IBS and the Entertainment world, we have been breaking the usual monotony of our future managers time and again by unleashing our creativity to add colours and liveliness to the IBS life. Be it our weekly song playlists, keeping abreast with the latest movie reviews, our popular Club events like Gliteratti and Bioscope, entertainment has no ends with us.

Infinity Studios also deals in activities such as client servicing, event management, match screenings etc. We are looking forward to host events such as Roast and Bioscope which is a movie making contest in which entries are received from students within IBS and other colleges also and the movies are judged by eminent personalities of the Film Fraternity here at Hyderabad. We keep pushing the boundaries of entertaining people as much as we can and as long as we can because with us, we believe in entertaining people up to Infinity! Integrating Entertainment with Management is not just our motto or a tagline, it's the way of life at Infinity Studios!

To achieve the Mission, infinity studios is pursuing the following objectives:

- Provide internal sessions on public relations, videography, financing and event designing.
- Simulating the work culture of corporate which will help in making them sheer professionals.
- Create a better intra-club infrastructure which will always abide by the norms of the academics and will add to the professional communication, and thereby help in giving the individuals proper grooming for time management.
- Recruit, develop and retain competent members of the club.

Report on Swachhta Pakhwada
Date: 12/9/2017

Swachhata Pakhwada" as a part of "Swachhta Abhiyan" was initiated, with the objective of bringing a fortnight of intense focus on the issues and practices of Swachhata-meaning Cleanliness. Secretary, MNRE Shri Aanand Kumar kick-started the campaign for Swachhta Pakhwada by delivering a lecture on the importance of Swachhata in life. He also participated in tree plantation drive in CGO Complex, New Delhi on 4th June 2019. All officials of MNRE took "Swachhata Pledge". The Ministry of Tourism began Swachhata Pakhwada on September 16 and it is expected to continue till September 30, with cleanliness activities being conducted in several locations including Gandhi Samiti, Zoological park and the Janpath market area.

The mission of infinity studios is to develop a team which possess both leadership and team player qualities and to help them learn specialized skills relating to various aspects which they can include in their professional lives and have a better set of time management skills. The vision of the club is to emerge as a club known for sheer professionalism, which focuses on holistically improving its members and providing the best entertainment to all.

Infinity club believes in the vision of the college and aims to contribute in every possible way to the college by organizing events and all other activities strictly sticking to our domain. By which individuals will always be given a platform where the experience in the club would always strive to give them that extra edge when it comes professionalism which becomes very important when our college's vision is concerned.

The mission of the club is quite simple, it will always provide the individual with an infrastructure of a proper simulation of corporate, always abiding by the norms of the academic, and achieving great standards when it comes to the various aspects such as public relations, financing and all other needed requirements to put up a good activity, thereby reflecting the high standards that one achieves when one shows sheer professionalism and abide by the norms set by the administration.

The selection of posts in the club was decided by the senior team of club. Club members who worked smartly and showed the leadership and hardworking nature bagged different positions in a club. Domain based post like Online/Offline Creative, Public Relation, Editorial POCs etc was decided by their work whole year which was observed by the senior team. Rest club members who helped the club in different events with their active participation bagged the Executives associates post in club.

The domain as we speak of it is entertaining people's lives by all means possible. The charm of entertainment is kept fresh and alive by hosting DJ nights for the students and classy movie screenings showing the best of movies from the entertainment era we live in. Bridging the gap between IBS and the Entertainment world, we have been breaking the usual monotony of our future managers time and again by unleashing our creativity to add colours and liveliness to the IBS life. Be it our weekly song playlists, keeping abreast with the latest movie reviews, our popular Club events like Gliteratti and Bioscope, entertainment has no ends with us.

Infinity Studios also deals in activities such as client servicing, event management, match screenings etc. We are looking forward to host events such as Roast and Bioscope which is a movie making contest in which entries are received from students within IBS and other colleges also and the movies are judged by eminent personalities of the Film Fraternity here at Hyderabad. We keep pushing the boundaries of entertaining people as much as we can and as long as we can because with us, we believe in entertaining people up to Infinity! Integrating Entertainment with Management is not just our motto or a tagline it's the way of life at Infinity Studios!

To achieve the Mission, Infinity studios is pursuing the following objectives:

Report on The Infinity Playlist

Date: 12/9/2017

A playlist is a list of video or audio files that can be played back on a media player either sequentially or in a shuffled order. In its most general form, an audio playlist is simply a list of songs, but sometimes a loop. It's a word that started out in radio stations – the 'playlist' was all the tracks that were to be played that day on the show.

The mission of infinity studios is to develop a team which possess both leadership and team player qualities and to help them learn specialized skills relating to various aspects which they can include in their professional lives and have a better set of time management skills. AAINA-The official social awareness and women development club of IBS Hyderabad, works for the cognizance and betterment of the society. With versatile verticals, the AAINA team try to cover every problem of the society and provides the respective solutions. AAINA is like a dormer window through which hope of positivity and happiness can be seen for luminous future human culture. The club is not only about creating awareness but it stands for reflection of inner beauty of the soul. Awareness is like a sun, when it shines on things, they are transformed. To reflect this many activities and events are conducted by the students inside and outside of the campus respectively throughout the each academic year. The club also conducts many Socially Responsible activities which not only efforts directed towards external society but it also impacts on the future becoming managers.

A Management Discussion was conducted on 29th August 2016 on the topic ECG OF EDUCATION SYSTEM where people were invited to be part and share their views on the Education System.

The Indian education system is perhaps the second largest in the world, which is catering more than 190 million students of different socio-economic ground. The total population of the country is about 978 million. Till 1960, the emphasis was on quantitative expansion of educational facilities, which later diverted to enrolment and retention. It is the quality of education that is at present in the focus in all the programmes relating to elementary education in general and primary education in particular

If you look at international education systems, they equip one with critical thinking skills and the capability of applying the knowledge. But they do not provide one with the vast knowledge base that the Indian education system does. Indian education is tougher as compared to the education imparted in foreign universities. There are many people who came from US after completing 10th and they find it difficult to cope with HSC syllabus. It's obvious that you earn a lot of money staying abroad because of the conversion factor but quality of education and curriculum followed here makes a person more competitive. Competition teaches students to unleash their full potential. With so much emphasis on scoring marks, Indians are forced to become fiercely competitive. It's no surprise that 3 of the world's most competitive exams (UPSC, JEE, and CAT) are from India.

Our education policies are being designed and redesigned every year just to have a larger number of kids get educated. Be that be the mid-day meal, or free education for girls, or distributing cycles, and much more, which tend to attract people from lower strata of life, and would not otherwise want to send their kids to schools. They at least have the satisfaction that their child gets food once a day if s/he goes to the school. There are stories where people in remote villages do not want summer vacations in schools, because for two odd months, they do not know how to feed their kids.

"Indian education system" is too broad like an umbrella. Some may argue that one should choose what he wants to study and it must not be enforced upon the students. Though the idea is good, but it is not practical to expect a 15 year old kid to know what he wants to do. What he ends up doing would merely be a reflection of his parent's wishes and what he sees around him which unfortunately, in India is only IT field. A holistic education at the school level in India is ideal. In India, a student is made to study fixed subjects compulsory to all till 10th and then after 10th standard, he can decide which subjects he would like to opt for in future. In fact, this should be extended to the undergraduate level too where all students should have the same curriculum for the first two years and only after that, they should choose a particular field to pursue their career.

ICFAI FOUNDATION FOR HIGHER EDUCATION HYDERABAD

THE ICFAI FOUNDATION FOR HIGHER EDUCATION
(Deemed-to-be-University Under Section 3 of the UGC ACT, 1956)

The gross enrolment ratio at present is about 90 per cent at the primary and 60 per cent at the upper primary level that suggests that a large number of children of school age population be still out of school. Of those who are admitted in schools only about 65-70 per cent are attending schools. This is also reflected in the high incidence of drop out, which is as high as about 45-50 per cent at primary and 60 per cent at the elementary level. This severely affects the efficiency of educational system. The primary education system is efficient to the extent of only 60 per cent and children are taking much more time than ideally required to become primary graduates.

In the top 100 universities list by 'Times Higher Education World Reputation Rankings 2016', none of the Indian universities could make into the list. This suggests that availability of a school or a college need not guarantee the quality education. There is no adequate infrastructure facilities available to schools and the children are not fully utilizing the available facilities. A large number of schools do not have minimum infrastructure, such as, drinking water, toilet facility, school boundary, play ground, buildings, teaching-learning aids, electricity etc.

Education should make a person free, should broaden the horizon of thinking and should encourage to experiment and to ask questions. Ultimately, it should make a person realize what capabilities and shortcomings they have. In India, the youngsters do not think of selecting careers other than , doctors, MBA's and IAS officers. It is not the problem with the young generation but the root passes generations to generations wherein the parents and grandparents do not think of any option above these. They do not vision to think beyond it.

The course structure is rigid and minimum options are available in Indian education system. On the other hand, if a student opts for an education in a foreign country gets a varied range of courses available and moreover students can choose among a host of classes and courses. They can change their major (i.e. field of study) midway through college. This usually means that students receive more exposure to a variety of subjects and hence, are more aware of their career options and opportunities available to them.

Report on Pehchan
Date: 20/12/2017

The mission of infinity studios is to develop a team which possess both leadership and team player qualities and to help them learn specialized skills relating to various aspects which they can include in their professional lives and have a better set of time management skills. The vision of the club is to emerge as a club known for sheer professionalism, which focuses on holistically improving its members and providing the best entertainment to all.
Infinity club believes in the vision of the college and aims to contribute in every possible way to the college by organizing events and all other activities strictly sticking to our domain. By which individuals will always be given a platform where the experience in the club would always strive to give them that extra edge when it comes professionalism which becomes very important when our college's vision is concerned.

The mission of the club is quite simple, it will always provide the individual with an infrastructure of a proper simulation of corporate, always abiding by the norms of the academic, and achieving great standards when it comes to the various aspects such as public relations, financing and all other needed requirements to put up a good activity, thereby reflecting the high standards that one achieves when one shows sheer professionalism and abide by the norms set by the administration.

The selection of posts in the club was decided by the senior team of club. Club members who worked smartly and showed the leadership and hardworking nature bagged different positions in a club. Domain based post like Online/Offline Creative, Public Relation, Editorial POCs etc was decided by their work whole year which was observed by the senior team. Rest club members who helped the club in different events with their active participation bagged the Executives associates post in club.

The domain as we speak of it is entertaining people's lives by all means possible. The charm of entertainment is kept fresh and alive by hosting DJ nights for the students and classy movie screenings showing the best of movies from the entertainment era we live in. Bridging the gap between IBS and the Entertainment world, we have been breaking the usual monotony of our future managers time and again by unleashing our creativity to add colours and liveliness to the IBS life. Be it our weekly song playlists, keeping abreast with the latest movie reviews, our popular Club events like Gliterati and Bioscope, entertainment has no ends with us.

Infinity Studios also deals in activities such as client servicing, event management, match screenings etc. We are looking forward to host events such as Roast and Bioscope which is a movie making contest in which entries are received from students within IBS and other colleges also and the movies are judged by eminent personalities of the Film Fraternity here at Hyderabad. We keep pushing the boundaries of entertaining people as much as we can and as long as we can because with us, we believe in entertaining

Rest club members who helped the club in different events with their active participation bagged the Executives associates post in club.

The domain as we speak of it is entertaining people's lives by all means possible. The charm of entertainment is kept fresh and alive by hosting DJ nights for the students and classy movie screenings showing the best of movies from the entertainment era we live in. Bridging the gap between IBS and the Entertainment world, we have been breaking the usual monotony of our future managers time and again by unleashing our creativity to add colours and liveliness to the IBS life. Be it our weekly song playlists, keeping abreast with the latest movie reviews, our popular Club events like Gliteratti and Bioscope, entertainment has no ends with us.

Infinity Studios also deals in activities such as client servicing, event management, match screenings etc. We are looking forward to host events such as Roast and Bioscope which is a movie making contest in which entries are received from students within IBS and other colleges also and the movies are judged by eminent personalities of the Film Fraternity here at Hyderabad. We keep pushing the boundaries of entertaining people as much as we can and as long as we can because with us, we believe in entertaining people up to infinity! Integrating Entertainment with Management is not just our motto or a tagline, it's the way of life at Infinity Studios!

Report on the Infinity Playlist

Date: 25/12/2017

A playlist is a list of video or audio files that can be played back on a media player either sequentially or in a shuffled order. In its most general form, an audio playlist is simply a list of songs, but sometimes a loop. It's a word that started out in radio stations – the 'playlist' was all the tracks that were to be played that day on the show.

. The mission of infinity studios is to develop a team which possess both leadership and team player qualities and to help them learn specialized skills relating to various aspects which they can include in their professional lives and have a better set of time management skills. The vision of the club is to emerge as a club known for sheer professionalism, which focuses on holistically improving its members and providing the best entertainment to all.

Infinity club believes in the vision of the college and aims to contribute in every possible way to the college by organizing events and all other activities strictly sticking to our domain. By which individuals will always be given a platform where the experience in the club would always strive to give them that extra edge when it comes professionalism which becomes very important when our college's vision is concerned.

The mission of the club is quite simple, it will always provide the individual with an infrastructure of a proper simulation of corporate, always abiding by the norms of the academic, and achieving great standards when it comes to the various aspects such as public relations, financing and all other needed requirements to put up a good activity, thereby reflecting the high standards that one achieves when one shows sheer professionalism and abide by the norms set by the administration.

Report on TRISHNA

(5th January 2018 – 7th January 2018)

The ICFAI Foundation for Higher Education (IFHE), a registered Trust, was established by the Institute of Chartered Financial Analysts of India (ICFAI), Hyderabad, a not-for-profit educational society registered in 1984 under the Andhra Pradesh (Telangana Area) Public Societies Registration Act, 1350F (Act 1 of 1350F), with the main objective of imparting high quality education. IFHE was declared as a Deemed-to-be-University under Section 3 of the UGC Act, 1956, in December 2008, with IBS Hyderabad as it's constituent.

During the year 2010-11, the UGC, vide its Notification No. F.6-42/2005(CPP-I) dated May 26, 2010, granted approval for the starting of the Faculty of Science & Technology and the Faculty of Law in the University's campus. In its eighth full year of operations, the University has been growing from strength to strength by virtue of the dedicated efforts of the faculty, support staff and students to achieve innovation and excellence.

IFHE is a professionally managed Deemed-to-be-University. All the statutory bodies are independent and are not subject to any interference from the sponsor or their relatives. They meet regularly to review the operations of the University. Issues pertaining to institutional development, long-term strategies, programs to be developed, human resources, staff recruitment, training and development and financial matters are discussed at these meetings. Appropriate decisions are taken and guidelines given for their implementation with the objective of achieving academic excellence. The organogram of the University is presented here.

Co-curricular and extra-curricular activities are very much part of the day to day life at IFHE campus. With a large batch on the campus, the student community saw many activities during this year. In spite of their hectic academic schedule, students of the Faculty of Management are active outside the classrooms. Most of these activities are steered by the students under the guidance of a faculty member. Events across all areas of management as well as those related to sports, socio-cultural events and the arts are organized throughout the year.

At IBS Hyderabad, there are clubs / cells / committees in almost every functional area of management. Students with a focus on marketing and strategy have at least two clubs that may interest them. While ***ADmire*** is a club for students interested in advertising and branding, ***Maverick*** is more focused on selling and strategizing. Students who are interested in the Finance domain also have a choice of clubs to be part of. ***Money Matters*** is a club with its focus on money and banking, while ***FinStreet*** is a club focused on the financial markets. ***EcoBizz*** is a club which focuses on public policy, the economy and the business environment. Students who are interested in HR have a club called ***Convergence***, while ***Kaizen*** is a club which caters to the interests of the students in the Operations area. The ***DOT*** club organizes events and activities related to technology in general and IT in particular.

There are several clubs whose activities go beyond the functional areas of business. ***Speak-Up*** is a club that organizes debates and public speaking competitions. ***Aaina*** is a club which encourages students to reflect on issues while using their talents in creative writing and art. ***Gray Matters*** is the official Quiz club of IBS Hyderabad. ***Xpressionz*** is the name of the official theater society of IBS Hyderabad. ***Nazaria*** is the popular photography club of the institution.

Infinity Studios is a student club with a focus on movie appreciation and making. ***Samavesh***, the official cultural club of IBS Hyderabad, is one of the most active student bodies. It takes the lead in celebrating all festivals and national days and it truly celebrates the multi-cultural spirit of the campus. The students also have a popular rock-band, ***Diatribe***.

There are three clubs in the arena of adventure and sports. ***VAPS*** is dedicated to the promotion of all sports and games. ***IBS Blues*** focuses on swimming and water sports, and ***Prakriti*** organizes nature-based events like trekking, bird watching, rock climbing and rappelling.

The ***Prayaas*** Club plays the interesting role of coordinating the participation of IBS Hyderabad students in various external events and fests across the country. ***Newswire*** focuses on the news media and plays the dual role of keeping the campus informed about important events outside, especially in the field of business and finance, as well as keeping the outside world informed of the happenings in IBS Hyderabad.

IBS Hyderabad students, both post-graduate and undergraduate, have also been active in the field of charity and social action. Blood-donation camps, free dental check-ups and other such activities have been organized in the last one year. ***Sankalp*** is a club that promotes social and business leadership and works toward nation building.

All these clubs work in tandem each year in the month of January to hold the biggest cultural fest of the University called 'Trishna'. It's a three day event which comprises of various events that are conducted by the different clubs of the University. Its an inter college event where different colleges come and participate and showcase their talent through different competitions. ***Trishna*** 2018, held during January 5-7, 2018 saw participation from over 24 premier B-Schools from across the country. The three day long management fest saw various major, minor and fun events that tested managerial, leadership, team-building and entrepreneurial skills of students.

Co-curricular and extra-curricular activities are very much part of the day to day life at IFHE campus. With a large batch on the campus, the student community saw many activities during this year. In spite of their hectic academic schedule, students of the Faculty of Management are active outside the classrooms. Most of these activities are steered by the students under the guidance of a faculty member. Events across all areas of management as well as those related to sports, socio-cultural events and the arts are organized throughout the year.

At IBS Hyderabad, there are clubs / cells / committees in almost every functional area of management. Students with a focus on marketing and strategy have at least two clubs that may interest them. While ***ADmire*** is a club for students interested in advertising and branding, ***Maverick*** is more focused on selling and strategizing. Students who are interested in the Finance domain also have a choice of clubs to be part of. ***Money Matters*** is a club with its focus on money and banking, while ***FinStreet*** is a club focused on the financial markets. ***EcoBizz*** is a club which focuses on public policy, the economy and the business environment. Students who are interested in HR have a club called ***Convergence***, while ***Kaizen*** is a club which caters to the interests of the students in the Operations area. The ***DOT*** club organizes events and activities related to technology in general and IT in particular.

There are several clubs whose activities go beyond the functional areas of business. ***Speak-Up*** is a club that organizes debates and public speaking competitions. ***Aaina*** is a club which encourages students to reflect on issues while using their talents in creative writing and art. ***Gray Matters*** is the official Quiz club of IBS Hyderabad. ***Xpressionz*** is the name of the official theater society of IBS Hyderabad. ***Nazaria*** is the popular photography club of the institution.

Infinity Studios is a student club with a focus on movie appreciation and making. ***Samavesh***, the official cultural club of IBS Hyderabad, is one of the most active student bodies. It takes the lead

in celebrating all festivals and national days and it truly celebrates the multi-cultural spirit of the campus. The students also have a popular rock-band, ***Diatribe***.

There are three clubs in the arena of adventure and sports. ***VAPS*** is dedicated to the promotion of all sports and games. ***IBS Blues*** focuses on swimming and water sports, and ***Prakriti*** organizes nature-based events like trekking, bird watching, rock climbing and rappelling.

The ***Prayaas*** Club plays the interesting role of coordinating the participation of IBS Hyderabad students in various external events and fests across the country. ***Newswire*** focuses on the news media and plays the dual role of keeping the campus informed about important events outside, especially in the field of business and finance, as well as keeping the outside world informed of the happenings in IBS Hyderabad.

IBS Hyderabad students, both post-graduate and undergraduate, have also been active in the field of charity and social action. Blood-donation camps, free dental check-ups and other such activities have been organized in the last one year. ***Sankalp*** is a club that promotes social and business leadership and works toward nation building.

IBS Completed 21 years of its existence this year. Alumni Relations Cell (ARC) organized a corporate dinner, 'SUMMIT-The Super Alumni Meet' at Taj Krishna on 27th January, 2018. It was a moment of delight for the Alumni Relations Cell to welcome such Alumni who hold top notch positions in renowned organizations. Around 70 Alumni from different parts of the country graced the event.

Many fun-filled games like 'Guess the movie' name were conducted which kept the audience engaged. The alumni were nostalgic after meeting and interacting with their batch-mates. During their conversation with the students, they shared their experiences in the corporate world, their time at ICFAI and how these alumni meets provides them an opportunity to relive the nostalgic moments. The 'Cake Cutting' was done by all the kids of alumni. Gatherings like these help pave the path to deepen our connections with our Alumni and revive the bond between the Alumni and the Institute.

Alumni Relations Cell is looking forward to cater to the next batch of Alumni to step into their 20th Anniversary, helping us to celebrate the connections with our alumni who have reached the 'Summit' of their careers.

ENTHUZIA 2K17

Enthuzia 2k17, starting on 16th November, 2017, marked the beginning of a new standard in the undergraduate sports tournaments, the event started after 4:30 on a working Thursday, still had no lack of energy, participation, and cheering from the undergrads of IFHE, Hyderabad.

The opening of the tournament was marked with the girl's cricket match between ITS and ILS, attracting crowd in an extremely huge number from around the campus. Along with that, simultaneously, all outdoor and indoor events started parallel, including volleyball, basketball, in outdoor, and games like chess, carom, badminton, table tennis in outdoor. The event had a total of over 500 entries, from all schools for this intra college sports fest, indulging the

university in a full sports mood, with hundreds of participants taking part in 10 sporting events. Finally, the tired day-scholars, returned with the college transport, with a few happy faces for participating in the next round, few with a bit of regret, for not being able to qualify further, marking the end of day1.

The second day started with eliminators and qualifiers starting during college, and the enthusiastic participants showed no lack of interest and energy, despite of missing classes and loosing attendance, and just as day1, at 4:30, the other events started all around the sports complex, with volleyball attracting the maximum attraction, because of a few duels between the college's best players, going face to face with each other, for the Enthuzia trophy. Kabaddi matches went intense, being another event that attracted a lot of crowd, to watch a pretty high spirited game being played in complete spirit of sportsman ship.The second day was a bit more organised with the help of volunteering starting the evening with girls' throw ball, B.Tech girls' takes their effort to the next level by winning the first match. While signing off the second day, everyone was getting ready for their next two days of matches.

The third day, despite of starting after a long tireless week, saw no lack of energy in the participants, with the events starting from 9:45 AM in the morning right after the arrival of the

day scholars. Completing with some of the eliminators, the day ended with lots of expectations for the next day. It's about making memories, and living them. Every time you win a race, or lose your voice cheering for your team, it adds up to your moments. Participants were finding more pleasure playing rather than pressure of winning. In a match, there are no senior or junior players, as everyone is equal. While the Outdoor games are giving participants the physical strain. Indoor games are nevertheless in giving the mental strain. In Enthuzia, that everyone gets an experience worth cherishing and some beautiful memories to treasure forever!

Finally, the 19th of November could have had absolutely no lack of energy, or participation, as all events were about to have their finale, the final few moments, which were stretching their arms towards glory. This day accumulated more emotions than any other day, or any other event, as the participants, who were already winners in the eyes of sportsman spirit, were now going that one extra mile, to make their names completely permanent in the history of IFHE'S sporting event.

At the final day, the freshers of ITS became the volleyball champions, ILS students becoming the badminton winners, table tennis, kabaddi, cricket, chess also had winners from ITS, whereas basketball was again won by freshers of IBS, and girls

from ITS winning all female participated events. The event witnessed a lot of fresh talent massively from the 1st years , becoming winners, finalists and semi finalists, in a majority of events. Marking a new beginning to the ITS sports team, with a generation of sportsmen graduating this year, the college is going to witness no lack of brilliantly gifted sportsmen.

Enthuzia 2k17, when retrospect with a sense of comparison to the last sports tournament in 2015, had a multiplicative impact in terms of participation, due to the transport provision, and also witnessed a great number of girl participants, making the event completely versatile, involving students from all faculties, all batches.
